DEDICATION

This volume and the one prior shall be dedicated in appreciation to Norio Hayakawa who has seen Groom Lake reveal its secrets. Also to Jordan Maxwell who has identified the “enemy”. And last but not by any means least: Richard Snell for getting information, *FIRE FROM THE SKY*, organized and to us. Then, until further identified, one who has risked his life to offer truth for he was “within” the witch’s encampment while they set up and pulled off the Shuttle and Space Program lies, **“One Who Knows”**.

THE AGE OF TREASON

The “AGE OF REASON” presumably came forward and you as a civilization were to become scientifically enlightened along with the INDUSTRIAL AGE in which all would be programmed to give you freedom, time for lazy enjoyment and entertainment and a “better way to live”. In other words, your physical experience would change to one of more and more human physical focus. Ah, it was to be good, great, magnificent for mankind. But what happened? Well, man focused upon the things the adversary of Spiritual God wanted. The age became the age of being unreasonable and produced technology which would become the very death machines of societies and people.

There were many who accomplished the assault against REASON and knowing in Truth. And one of these incredibly powerful persons was named Bertrand Russell. (Yes indeed, one of the “Russell” boys.) Another of the Russell boys, however, FOUND DIRECTLY FROM THE HIGHER ENERGIES—TRUTH—WHILE Bertrand TOUTED SUCH AS FITCHE AND OTHERS WHO WOULD IMPACT MOST HORRENDOUSLY UPON MANKIND.

Now, mankind as a whole is having to be awakened into remembering the purpose of physical expression—that of growing into a commonalty with GOD in goodness. I see that you have hardly any left running around your place who truly express GOD.

RELIGION

I have no intent of getting on “religious” kicks to make points—the facts are that all your religions are now corrupt—ALL OF THEM. It is certainly an “error” to classify what I teach, or what the Masters taught, as a “religion” for it resembles nothing of a religious sect—although by current “definition” there is reason to perhaps label TRUTH in that manner. TRUTH has so long since departed from your Churches and THE Church that most certainly you cannot note that I bring some sort of ‘RELIGION’.

How has corruption come?

EDUCATION

Whatever is taught and trained into your children is what ultimately debases or enhances SOCIETY. This is very effectively proven from what has come to the educational curricula and basic fundamental societal

thrust of physically centered humans.

It is truly stated by Theodore Parker that “The books that help you most are those that make you think.” So what have you? You have a full negation of anything that causes a person to think individually and has turned society into violence, ignorance and watchers of gladiators.

When you can produce something that will make people think, reason, analyze, and act according to their own conclusions, it is soon banned, buried or forbidden. Moreover, the ability to read, generally, has all but vanished from your society and that which is PUSHED are the works of such as Stephen King with nightmare visions, ridiculous romance and sex stories which cause loss of all meaning of love and nurturing. Then you have science fiction built around monsters and ungodly beings waiting to glob or slob you. It has been a thoroughly orchestrated march to destroy mankind, pull him away from God and enslave him to a physical perception which is ironclad bondage. Spirit is buried.

SPIRIT

Spirit is gradually handled in the same manner as education. The “teachers” are trained and taught to produce exactly what the elders before them declared to be correct—even if totally and laughably incorrect. Once doctors bled patients—today they overload with someone else’s blood. **YOU AS SOCIETY MARCH TO THE DRUMBEAT OF SATAN—IN EVERY ASPECT OF YOUR LIVES—INCLUDING RELIGIONS. THIS IS WHY ONES STRUGGLE IN THEIR SEARCH FOR TRUTH THROUGH THE MYRIAD RELIGIONS ONLY TO FIND NO TRUTH IN FULLNESS FROM ANY OF THE SOJOURNS.**

I can’t hope to conclude that all of humanity will attend anything I might have to offer—because most of humanity will deny my presence—and that of the brotherhood sent forth as messengers of TRUTH.

And, moreover, your PROOF of my denial will come forth as the incredible projections of such as this Bertrand Russell, Fitch and so on.

I place no encroachment of individual idea with force, coercion or concerted directions. Why? Because in God’s kingdom of Spirit—no evil is desired within—yea, even are evil intentions excluded.

Man is given FREE-WILL and FREE-CHOICES. All God ultimately promised was that HE WOULD SEND THE WORD OF TRUTH THAT ALL MIGHT HAVE ACCESS—**IF THEY WISH TO SEE AND HEAR.**

DIRECT OPPOSITE

But what do you find among the teachers on your plane? Ah indeed, as Fitch laid forth, according to Russell, *education should aim at destroying free will*, so that after the pupils have left school, *they shall be incapable, throughout the rest of their lives, of thinking or acting otherwise than as their schoolmasters would have wished.*

In other words, if you force, by law, the lie that there was a particular “Holocaust” of Nazis upon Jews, into

the courses of forced educational curricula, then guess what—history is revised into the lie and the truth can be buried forever. The child has no place to learn otherwise. The first couple of generations which are forced to accept this lie—are the most difficult, for the elders at home and who KNOW difference are still around—by the third generation and after all books bearing truth have been destroyed—BY LAW—the lie becomes the accepted fact. YOU AS A SOCIETY—IN THIS VERY INSTANCE—ARE THE END OF TRUTH IN THAT FOCUS IF THE LAWS ARE FINALLY PLACED UPON YOU WHICH MAKE THE TRUTH BURIED AND THE LIE THE LAW.

At the time of Russell, however, it probably was not an intentional destruction or degeneration of the minds of men, or for their enslavement which directed the course of teachings—but as this was studied by the ones who WOULD bring the degeneration of mankind for their own evil purposes—it would come to pass as a fact upon man’s societies.

FURTHER INTENTIONAL DEGENERATION

As far back as 1959 this next statement was made from the scientific community who saw what was coming—even in the area of mandatory vaccinations and inoculations of children. I am going to quote you something written lo those many years ago and then will point out some ongoing atrocities upon you RIGHT NOW IN 1995.

“Many states are now making every effort to pass compulsory laws which would make it mandatory for children to be inoculated with **serums** of one type or another. Whatever our personal views on the subject, *we are not here concerned* with their merit or potential for harm, **but with the fact that the enemies of God and man, boldly confess that they have been using injections and will continue to use them, in their diabolical scheme to stop the development of children’s minds at a point little beyond that of morons!”**

BOVINE MUTILATIONS AND BLOOD

You of society get a real DOUBLE WHAMMY with this one. The disinformation “experts”, such as in the UFO liars clubs, tout over and over until EVERYONE believes they have been somehow abducted by aliens. I don’t even want to write about THAT absurdity right now BUT I certainly DO want to remark about bovine involvement.

You will now be getting a whole double-speak about experiments and research on the matter of being able to use cow blood in humans, etc. Then you go consider the possibility that mutilations are possibly a part of that research and are, after all, human enterprise.

Well, it “ain’t aliens”, but a set-up to scare the pants off you nice lovers of violence. What is worthy of your attention, however, is that you have the most virulent and deadly contagious strain of smallpox walking around on cow-hooves just waiting until you weary of the killing by AIDS and “mystery viruses” and “flesh-eating” viruses and so forth. Let me remind you of something: VIRUSES are MAN-CREATED! By the way, the first strain of “virulent” and original DNA test-tube life-form virus—was done in Tel Aviv, Israel.

Now, why do you think it would be desirable to give bovine transfusions to man? Why do you think it desirable to grow serums in horses and cattle? Why do you think that some children react to these inoculations so violently as to kill or retard the child to the point of moronic brain capability? And, why do you think that the LAW will be that ALL (ALL) PEOPLE BE INOCULATED. OH IT WILL MOVE FROM MANDATORY INOCULATION OF CHILDREN—TO THE ENTIRE POPULATION. You SAW IT WORK in the Gulf War. Several things happened over there to clue you in: 1) The injections given to the troops—are causing degeneration to thousands and it takes so long to mature, incubate and the body to respond that you can't trace it in time to judge damage or blame. 2) You were shown the capability of full-blown holographic imaging which fooled EVERYONE including the enemy or friendly troops into actual belief that armament was present. The most focused on, of course, on your TVs were the massive numbers of TANKS when there were hardly any anywhere around. 3) The most damage done to “allied” troops was from FRIENDLY FIRE and we personally knew of a couple of deliberately orchestrated deaths of two who were regular readers of our paper and they were TAKEN OUT BY AN ISRAELI COMMANDER WITH FRIENDLY FIRE! 4) Toward the very tail end of the “war” there was a U.S. Barracks blown away and a lot of your soldiers were KILLED. Those soldiers were ones who fully planned to tell the TRUTH about the ongoing criminal acts. So they were simply destroyed. 5) The first planes with bombs against Iraq WERE ISRAELI PLANES (FROM YOU) WITH ISRAELI PILOTS—TO LAUNCH THE WAR. IT WAS A POLITICAL ALLOWANCE IN HONOR OF THE ISRAELIS AND THE NEW WORLD ORDER! We could go on and on—but it is not here that these need further discussion.

THE POPE

Why do you believe that the Pope is making all his rounds even though he is failing badly? In fact, did anyone notice that he went from totally incapable to capable in less than 6 hours? I thought some of you might note that. Well, the One World Parasites are setting you up “religiously” to get you ready for the March, 1995 world-wide holographic viewing to coincide with Billy Graham's world crusade. You can't have a “miracle” if nobody looks!! By the same token you can't produce a bunch of wicked little gray aliens to terrify you unless everybody looks!!! The time is at hand for your final training/programming. Who will expect GOD AND HIS TROOPS after you see that the only aliens are BAD ALIENS? For this you have to have bad aliens AND flying saucers, good buddies—any way you can get them—but mostly through deception and holographic projections. You can already project the image of helicopters, tanks, etc., and the film and projection apparatus is already set, working and ready. Of course we can scramble the signals and shut down the electronics but who would spoil the show-and-tell? GOD wants thinking, spiritually accurate entities—not evil-intending liars, cheats and immoral nerds. The SOUL will only function to the level it achieves at physical death for the physical aspect of experience is where the soul LEARNING is advanced. The WHOLE SHOW is an illusion projected from THE THOUGHT OF GOD AND THAT IS WHY GOD WINS!! SATAN TAKES THAT WHICH GOD HAS CREATED AND IS FREE TO TRY TO GAIN ALL SOULS TO HIS SIDE AND TRAP THEM AND THAT IS THE “GAME”, IF YOU WILL. WE OF GOD DO NOT “INTERFERE” FOR THE GAME IS YOURS ON YOUR PLANE AND OURS ON OUR PLANE. I AM ON THE SIDE THAT WINS. HOW DO I KNOW? BECAUSE WHEN THE GAME IS TO THE POINT OF DESTROYING SOUL ESSENCE WHICH IS INFINITE—GOD WILL UNCREATE THE MANIFESTATION AND HE WILL DO IT WITH THOUGHT AND WITH LIGHT. THE JERKS ON THE ADVERSARY'S TEAM WILL DESTROY IT WITH MISERY, PHYSICAL TORTURE AND A TRUE HOLOCAUST. **WHEN**

GOD GETS WEARY OF THE ONGOING DESTRUCTION THERE WILL NOT BE A HOLE DEEP ENOUGH FOR THE PARASITES AND POISON VIPERS TO HIDE.

GOD WILL HAVE US BRING OFF HIS PEOPLE IN SECURITY WITHIN HIS LIGHTED CARRIERS. HE WILL “MEET” YOU IN THE SKY (CLOUDS) AND YOU WILL BE PROVIDED WITH NICE SILVER SHIPS FOR TRANSPORT. HOW MANY WILL AWAKEN IN TIME TO COME? THAT IS UP TO GOD AND MAN—WE CAN HANDLE AS MANY AS WILL COME. OUR MISSION IS TO BRING YOU “ALL” BACK IN PHYSICAL FORMAT TO TRANSITION INTO BUILDING THE PLACES OF RADIANCE—SO THAT YOU MIGHT EXPERIENCE THE JOY AND GLORY OF YOUR REWARD. INDEED IT IS WORTHY OF YOUR EFFORTS AND ALLIANCE.

Evil will be devoured by its own hand! GREED AND CORRUPTION AND EVIL INTENT—DESTROYS ITSELF IN THE END! THE POINT IS TO KEEP SELVES IN PROTECTION AND A LOT OF YOU JUST BUMBLE ALONG THINKING TO TAG ALONG AND MAYBE YOU’LL MAKE IT, SAY, ON DHARMA’S TICKET. NO, IT DOES NOT WORK THAT WAY—EVERY DELIBERATE ACT AGAINST GOD AND GOD’S PEOPLE IS GOING TO BE ACCOUNTED—TO THE MOST TINY SLIP OF THE LIP OR PEN. EVIL DEFINED: “ANYTHING OF INTENTIONAL ACT WHICH DAMAGES ANOTHER AND PULLS ANOTHER FROM HIS PATH TO GOD IS EVIL!” Therefore, there CERTAINLY ARE degrees of evil practice but “sin” is error—EVIL is DELIBERATE! IT WOULD BEHOOVE ALL OF YOU TO LEARN THE DIFFERENCE—AND YOU ARE RUNNING OUT OF “TIME” TO DO SO.

GOD SAID: “*Ye are either WITH ME or ye are AGAINST ME!*” Therefore, if you sit atop the fence down the middle of the road—YOU ARE AGAINST “ME”.

JASON BRENT

I would like to note that before the ending Jason Brent’s words will go down in infamy: “Society must face the concept that we kill off the old, weak, the stupid and the inefficient.” I believe that the master High-Q Mensan might have just fallen into his own category of “stupid” and that should bother him considerably. Members of the Parasite TEAM who blow it so badly most often end up some way “suicided”.

He also said: “The greatest crime anyone can commit in this age of exploding population growth is to have more than two children.” Fine idea, Mr. Brent, but what do you do with the others? Oh indeed, I forget—you kill them. You call it “humanely dispatched”.

And then, here comes a self-proclaimed JEW ZIONIST by his OWN ACCLAIM (birthed Berkowitz) who also says he lost 150 people in the Holocaust, and says this about Adolf Hitler: “*Hitler’s greatest crime was not that he killed millions of Jews BUT THAT HIS ACTIONS PREVENT DISCUSSION ABOUT POPULATION CONTROL AND A MASTER RACE.*”

He also, in that infamous article for the High-Q Society publication, said that the Catholic Pope John Paul II is, “ONE OF THE TWO GREATEST CRIMINALS WHO EVER LIVED”.

This little NOTHING man ex-judge, bad attorney and egotistical liar and cheat—lives right in beautiful

Stallion Springs—Tehachapi, California. He also served as the first encounter Judge who gave away the Ekkers', and millions worth of others' property to the fixed S&L thieves. He saw to it that nobody walked out of his courtroom with JUSTICE of any kind—except his buddies. Well, THAT wasn't justice—that was outright corruption.

Why did I bring that subject up here? Because of the other observations about “master races”, etc.

Originating in ENGLAND a “Zionist” research team produced the following:

“There must be allowed no mating between the sexes to result in the birth of children, except where and when such births are *desirable from the racial point of view*.

“The best way to put eugenics into practice is to make it compulsory for all male children to be sterilized soon after birth. Certain male children to be selected strains will be exempt from compulsory sterilization. These children will be carefully selected by a thorough scientific study of their pedigree.

“Any woman desiring to have a child will have to apply to the Eugenic State Authority for the necessary permission. If that [she] is satisfactory, A LIST OF SUITABLE SIRES WILL BE GIVEN HER TO CHOOSE FROM.”

Ah, but is that not similar to what the “Zionists working WITH HITLER” PLANNED TO DO? Moreover, you say this “Can’t be done”? It **WAS** done as currently as the days of slavery in your nation called the United States (**OF ISRAEL**). Oh, indeed, for EVERY REFERENCE OF TODAY—ISRAEL IS ANOTHER STATE OF THE UNITED STATES, once called AMERICA! THE UNITED NATIONS IS THE SEAT OF THE GOVERNMENT, SORT OF, AS A FOCUS—THE REAL GOVERNMENT IS IN THE U.S. CAPITOL AND OFFICES OF CONGRESS, WASHINGTON, D.C. In many countries throughout history this same practice was widespread. You had interbreeding to insanity among the Royal Families—but it was made sure that unwanted offspring would not be tolerated. What, chelas, from sterilization (now more “humanely” practiced—back then it was simply through castration), to confiscation of property, including all assets and gold, was ever done before, not only CAN be done again but WILL be done again.

It is not that these subjects are adequately covered here or anywhere—but the point to note is that it is coming down quickly now, upon you. It is time to choose, for “postponement” of decisions will not much longer be granted. You could turn your civilization about and into order from this incredible chaos—but quite frankly I only observe your societies as a WHOLE falling more deeply into the mire of EVIL. Yes indeed, it is a time of choices for you are either against God or you are For Him. Some are still quandering—and that is fine for a LOT OF GOOD can be accomplished while making that final individual choice of service—call it what you may. **“BUT UNLESS GOD WOULD SHORTEN THE DAYS—ALL WOULD BE DESTROYED.” WHERE DO YOU WANT TO BE WHEN GOD SHORTENS THE DAYS?**

REC #2 HATONN

THU., JAN. 5, 1995 12:23 P.M. YEAR 8, DAY 142

THU., JAN. 5, 1995

Before we return to FIRE FROM THE SKY we will share a letter from someone who identifies as Lorraine Di Felice which comes from one of the FAX networks with a request for printing—in conjunction with our current subject material on underground bases and tunnels, etc.

There are some really good resources out there, readers. A lot of the information may not be totally correct, but research MEANS to sort and conclude the most likely in theory and then prove it in scientific fact. It means that you have to (in common picture language) kiss a lot of frogs to find the Prince! What we will share here is only partially factual and since the letter was written to Ken Vardon I will use it to further suggest that you KEEP VARDON VIABLE! The subject is headed:

[QUOTING:]

THE SHADOW GOVERNMENT'S BEST KEPT SECRET
RE: TUNNELS AND UNDERGROUND BASES

[H: I will offer it exactly as given. without comment, because I would take the entire volume in progress to do so accurately. However, it covers a lot of territory and connections need to be made between PEOPLE, now, and not just presentations of individual facets.]

Many of my old magazines and reports from others have been stolen or lost, so I don't have printed documentation on the following, but these are some of the things I know of that your people can check on. In the 80s the New Atlantean Journal, printed monthly, and much of the magazine was about the underground tunnels connecting the entire United States together. One major opening was Brownsville, Florida—another in Santa Monica, California. The publication included many maps. I forget the publisher's name, but her husband was still alive as of about 7 years ago. If anyone subscribed, they must still have their issues. I believe it was St. Petersburg, Florida.

Secrets in Marshall, Arkansas has published much on the underground area where the Trilaterals first started in this country and as of about 10 years ago they were still using it as a meeting place. I believe the publisher's name is Norma Cox. She wrote much about that place.

Through the years many stories have come in to me about Mt. Shasta and the underground tunnels. Much of that info came from the White Brotherhood in Pennsylvania. There was a very important meeting at Mt. Shasta with several of our high-up government officials in attendance during the birth of a baby inside Mt. Shasta (in the 60s).

In the 50s I had a pen pal in Ponca City, Oklahoma who was stationed at White Sands Proving Grounds in New Mexico or Arizona. He said at that time it was like a huge underground city where he worked.

In the early 60s I worked in Barstow, California with a woman whose husband was stationed at Edwards Air Force Base. He wasn't allowed to tell us much about the work he did, but he worked underground in the Mojave Desert on a secret project which I think one was the building of the room used for the filming of the moon landing farce where they probably also kept our astronauts for 15 days after their "return from the moon", saying they had to be quarantined. I thought of this during the very first "live" television broadcast of the moon landing when a corner of a room showed up on the TV, top left on the screen. My friends also saw it as we pointed it out. Also, the flag was "blowing"—there is supposedly no wind on the moon—and there were TWO shadows for each guy in different directions. As the men stepped out of the ship onto the moon, you could see the curve of the moon in the background. If the moon is a thousand times smaller than earth, I don't believe the curve of the moon would show. Then it clicked that my friend's husband said he was working on a special room. He said this underground facility went many levels deep and was a very huge complex. Years later a friend gave me a book called *101 Reasons Why We Didn't Land On The Moon*. I had to agree with every single point. My friend told me the author disappeared.

Through the years since the late 60s I've heard stories about "under" the White House, that it goes deeper than the Empire State Building is high and there's a space ship ready at all times to take the President and his wife off the planet in case of nuclear attack. It's been there since 1949 or early 50s at the time of our first space ships started trips to Mars (present space program is a farce—not needed—they've been taking politicians to Mars for over 40 years). I can't remember who sent me all that information—but it was years ago.

In the late 50s or 60s I went to visit an uncle in a monastery—he took me and my family through the catacombs under Washington, DC or St. Bonaventure, Maryland—they went on and on. I asked where the end of them is and he said they "go on and on".

About five years ago there was a 'young boy who had been a slave for our government and aliens who worked together underground in Virginia. He had been there for years. He escaped; there was news of him for a short while—and I haven't heard anything about him since. He told of how horrible it was working until they couldn't work any more. He was kidnapped and then put to work. He escaped through a tunnel on the side of a mountain. At this moment, I can't remember the name of the area or who told me.

Then there is a man in Washington who told me about a hole in a Kansas wheat field that leads to the center of the earth (which looks just as it looks here—with cities, hi-rise buildings, sky, sun, moon, etc.). He went there. I have his address and phone number in another location. (Note: years ago there was a humongous load of plutonium or uranium that was going from one coast to the other across the country—it disappeared in the middle of Kansas.) And what about Admiral Byrd who thought he was crossing the North Pole and ended up IN the earth and saw tropical animals and plants? His hair turned completely white on that trip. Government confiscated his log book.

There is a man near Santa Barbara, CA who says he sees men going underground every so often, then he hears and feels explosions later. NONE DARE CALL IT CONSPIRACY, a book by the John Birch Society, says Howard Hughes died 15 years before they said he did—they had to pretend he was alive to keep his operations (in the deep ocean) going. He was supposedly researching making food to feed the world out of what's deep in the ocean—but I wouldn't be surprised if he wasn't digging tunnels to help the government and their underground society. (The new smart highways were designed by Hughes.)

Aside from tunnels—there's much cover-up about Kennedy still. He was married and had two kids in his early political years. His family sent the wife and kids to England—paid them off. Fifteen years ago the kids wanted to come to the U.S. but weren't allowed to. Then there was the issue of National Enquirer that showed Kennedy (after he was supposedly killed) and I bought one of two sold at my all-night newsstand the day Jackie Kennedy paid truckers to go around the country to buy up these copies because *N.E.* wouldn't kill the story. Later, in the 80s I worked for *N.E.* as a typesetter and artist—and I asked all the old timers and those in the archives about that issue—but “mum” was the word—nobody knew anything about it!!! Also, Generoso Pope, owner, died a few years ago—and there wasn't any mention about it on TV or published, that I heard. He worked 16 to 20 hours a day like the rest of us in the Lantana, FL office.

[END QUOTING]

APFN is asking all contacts to FAX any information on underground investigations to them. In the recent possibility of having phones shut down at APFN we would be happy to receive and forward, to Ken, any such information. Perhaps we could work WITH Ken. The worst problem with this kind of invitation is that the disinformation agents FLOOD THE SYSTEM. But I suppose Ken had made the public request and we will honor it. I can see no way, however, to afford placing that volume of documentation, good or bad, onto a FAX outlet.

Dharma, let us offer another chapter in the *FIRE FROM THE SKY* material before we go off on the ELF wave activities and such. It is hard to keep focused and integrate the information but you have to have the background and since it is ALL a PART of the SAME THING, we cannot neglect a topic which is relevant to another. We just have to do the best we can and pray that ones are opening their minds—I am not interested in their eyes!

[QUOTING, PART 5]

FIRE FROM THE SKY
THE BATTLE OF THE HARVEST MOON
THE TRUE STORY OF THE SPACE SHUTTLE
by “One Who Knows!”

SPEAKING OF LASERS—

The CDDDB was a more compact version of the laser, which was successfully tested aboard a modified KC-135 jet tanker. It produced intense infrared radiation with a power of over one megawatt—which is 1,000,000 watts. An industrial 10,000 satellite laser was 100 times more powerful. It was not as powerful as the Russian Charged Particle Beam, but it was powerful enough that it should be able to cripple or destroy the Russian attacker. All this hinged, of course, on actually getting the Shuttle and pay-load deployed.

According to the plan, the *Columbia* was intended to lift off on a sunny morning in mid-April, 1981. Millions would be watching on television as Young and Crippen roared upward into the sky and into orbit. Then the scene would shift to the standard coverage of Young and Crippen in their cockpit, and for a little over two days the coverage would continue off and on. There would be cockpit scenes, scenes in Mission Control, and so on; and there would be some seemingly unexpected problems, nothing serious but just enough to add a touch of spice to the story and the real stuff. Television viewers would have no suspicion that they were only watching excerpts from numerous simulations of the flight. In its cover-up of the SKYLAB fiasco, NASA learned well the techniques of deception.

Meanwhile, there would be no television coverage at all of the real flight except for the initial lift-off. Instead, when Young and Crippen reached orbit, they would go to work instantly. They would depressurize the cabin, open the cargo hatch, and move the robot spy satellite component away from the *Columbia*. They would also remove a *Gemini*-type two-man space capsule from the *Columbia* cargo bay. After moving these things several hundred yards away from the *Columbia*, the two astronauts would close the cargo bay by remote control. They would maneuver down underneath the *Columbia* for a quick visual inspection of the condition of the thermal tiles, but the urgency of setting up the robot satellite would leave no time for any attempt to repair any tiles. If the astronauts were to do that, they would lose precious time both in setting up the satellite and in making good their own escape in the *Gemini* capsule. This is why NASA refused to include a tile repair kit on the first Shuttle mission. As NASA administrator, Robert Forsch, said in a news conference, “I felt in the end that it would be likely to increase risk, perhaps not risk with regard to the tile system but risk with regard to the safety of the whole flight.”

After a very brief inspection, the astronauts would turn over control of the *Columbia* to NASA in Houston with the words: “Okay for retrofire.” Then they would float away from the *Columbia* and set to work immediately on assembling the robot spy satellite. It was expected that they would complete the job within about four orbits. As soon as the robot satellite would be assembled and operating, Young and Crippen would board their *Gemini*-type space capsule.

If all went well according to plan, they would drop out of orbit and splash down in the Pacific Ocean. It would only be the evening of the same day of launch, but on television the falsified NASA coverage would still be showing tapes of Young and Crippen in the simulated cockpit of the *Columbia*. Young and Crippen would be then picked up at sea after their secret splashdown. From there they were to be transported to Edwards Air Force Base in California to await further events and orders.

Some 12 hours after the launch from Cape Canaveral, Houston would send a retrofire signal to the

now unmanned *Columbia*. The Shuttle's engines would fire. Somewhere over the Indian Ocean the Space Shuttle would enter the atmosphere. It would be the first complete test of the Shuttle's thermo-tiles. If they worked, *Columbia* would survive re-entry. Then at lower altitude, piloting of the *Columbia* would be taken over by remote control. If all went well, the *Columbia* would touch down in the great sandy desert of western **Australia**.

For years I used an HP-41CX hand held calculator until I wore out the keys. When I bought it, the ads said that the Shuttle astronauts carried one of these in orbit so that it would take over and land the Shuttle in case the on-board computer failed. I probably still have that literature around somewhere. The point is, the Shuttle can easily be landed (launched and flown for that matter) by computer.

It was planned that all of these things would take place during the first day of the supposed 54-hour mission of Young and Crippen. Then for the final act of the charade, we would be told on television that the *Columbia* was re-entering over the Pacific Ocean; and finally, lo and behold the Space Shuttle would glide into view. Everyone would watch in awe and fascination as the Shuttle dipped lower and lower over Edwards Air Force Base, California, to the resounding double boom of the shock waves giving physical proof of the journey. The fact that everything passing through the sound barrier in flight **[H: Including laser waves.]** would give a boom would be totally overlooked in the intrigue and relief of the moment. Finally the craft would touch down on the dry lake bed and gradually brake to a stop, and out would climb Young and Crippen. Everyone would assume that they were climbing out of the *Columbia*; HOWEVER, THEY WOULD ACTUALLY BE DISEMBARKING FROM THE ENTERPRISE. It was the *Enterprise* which we saw in those landing tests in August of 1977, and it would be the familiar *Enterprise* which we would see making another perfect landing. The craft would have been touched up a bit to appear that it had come from space, but that was intentional fraud. **[H: Can't be? How many of you can—except for numbers, and special markings—tell one 747 from another? I thought not—you can't even tell one Chevrolet from another except for special markings and tags!]**

This was, of course, a desperate gamble. However, if the mission worked, it would carry off a major deceit pattern for privacy to the program, but it would also bring the entire world much closer to thermo-nuclear war. Although failure was anticipated and carefully covered, and as it turned out was necessary, we would be on the road to one incredible hoax following another in ever-increasing magnitude. This, of course, has been the subsequent course of events.

April 12, 1981, was the 20th anniversary of the first manned flight into space. It was the anniversary of the first orbital flight by Russian cosmonaut Uri Gagarin. It also became a day of total confusion and disarray among the Bolshevik masters of America's Space Shuttle program.

Less than eight minutes after launch that Sunday morning, they knew something had happened to the *Columbia*. We were still hearing the sound effects of a seemingly successful flight, courtesy of the NASA tape recording from Houston. But the military controllers at White Sands who were following the real flight were hearing nothing at all. *Columbia* had suddenly gone totally silent. By 7:45 a.m. the news worsened. *Columbia* had failed to arrive over the Indian Ocean on schedule.

More bad news came: NORAD was tracking the fuel tank of the Shuttle. It was not supposed to be in orbit at all—but there it was, in orbit. That looked impossible, to say the least.

That evening, Sunday, April 12, the Shuttle's fuel tank re-entered over the Gulf of Mexico just south of Louisiana. The tank had ruptured but there was still a sizeable amount of liquid hydrogen and oxygen inside. When the tank re-entered, it heated up and set off an enormous explosion and also created a giant cloud at the fringes of space. Goldplating, which is used extensively in the Shuttle fuel tank because of its heat transfer properties, was vaporized and scattered through the clouds which was interesting in itself and gave a wondrous show. The result was the same as when gold is added in tiny quantities to stained window glass—a brilliant pinkish-red color. The giant pink cloud, with chunks of ruined fuel tank flashing in the sun, created headlines as it passed to the north-east over Louisiana and Mississippi. Meanwhile our “good old boys” pooh-poohed it all as, “a natural phenomenon”. **[H: It is still happening and is visible every evening of your lives. You continue to call it “ash” from eruptions and thus and so—but once vaporized the gold just lingers on and on. Gold is such a wondrous product, which by the way—can procreate itself!!]**

The American elite Bolsheviks were not quite sure what had happened to the Columbia, but they did know that as far as Space was concerned, the Shuttle Program was their only hope. They had three more orbital Shuttles hidden away at White Sands and they intended to launch them all, no matter what the odds might be, so the NASA cover-up of the *Columbia* disaster went right on according to plan.

GENETIC REPLICAS OF HUMANS

In the late part of the 1970s the existence of man-made genetic replicas of human beings was made public. The revealers were locked away instantly and the key tossed. It was disbelieved although motion pictures were made as sci-fi and the subject buried under threat of penalty of death to disclosers. They, however, did (and do) exist and were pressed into service right before our eyes. We didn't even blink at them—no sir, we just gobbled up the lie, chewed it and swallowed it in total.

If I have not lost you yet, this will probably do it. Genetic replicas? Human robots? You can't be serious! you will say. Call them look-alike stand-ins if that will make it easier for you to believe, but they were in fact **GENETIC COPIES**. You need to study what is going on in such places as Dulce, New Mexico! The *Bible* says that at the end time it will be like it was at the time of Noah, and records show that at the time of Noah, **genetic manipulation was going on!**

Using stand-ins is a common procedure. For instance, the book *The Strange Death of Franklin D. Roosevelt* by Emmanuel M. Josephson, copyright 1948, said in the chapter titled “Roosevelt's Odd Ailments and His Strange Death” that both Roosevelt and Churchill were **poisoned at the Teheran conference with Stalin**. “At Teheran Roosevelt and Churchill met with Stalin to confirm the division of the World between them. During the conference, Roosevelt had been prevailed upon by the Russians to stay at the Russian Embassy because, the Russians said, the American Embassy was not safe. At the Russian Embassy, it is reported, a special courtesy was extended to the guests. They were assigned a special waiter who served them exclusively. It was later discovered that the waiter was a physician who specialized in the science of poisoning, toxicology. The use of doctors under Russia's state medical system in disposing of persons whom the powers-that-be wished out of the way, by poisoning them, has been attested to in the Moscow purge trials. Dr. Levine testified that he had been ordered by his superiors to poison Maxim Gorki and had done so.

“Shortly after their departure, Winston Churchill became extremely ill. He was hurried **TO EGYPT**

where he was so sick that his death was expected momentarily. But his life was saved by a protege of his, Sir Arthur Fleming, the discoverer of penicillin.”

“Roosevelt also was extremely ill on his return. He was unable to walk or stand unassisted, and never recovered his strength.” Friends, the man who was elected as President for the 4th term was NOT ROOSEVELT! When he died, “Admiral McIntyre, FDR’s physician, is reported to have said that Roosevelt’s body was not embalmed; that in less than four hours after death, it had turned black, a reaction that occurs among other cases, in event of arsenic poisoning” (p. 285).

On page 286, it says, “A careful study of the few photographs of Roosevelt released in 1944 raised the question of whether they are really photographs of Roosevelt or of a stand-in. It was widely known that there were a number of stand-ins who resembled Roosevelt so closely that they appeared for him on occasions. If the suspicions raised by the photographs are well founded, the mystery deepens. What did happen to Roosevelt? Who was it that campaigned and was re-elected in 1944?” Who, indeed! Remember, that book was written in 1948. On page 287 it says evidence indicated that Roosevelt had killed himself with a “small silver pistol”. It says, “His burial without autopsy was a criminal act and a flagrant violation of the law. There is more in this situation than meets the eye.” Ah, so! He ends the chapter by saying, “The deception perpetrated on the public in regard to Roosevelt’s health is characteristic of that which prevailed in all matters during his Administration.” The situation is much worse, NOW, friends!

SYNTHETICS

Tuesday morning, April 14, genetic replicas called “Synthetics” of the then late astronauts, Young and Crippen, were readied at White Sands. They were programmed to take a computerized ride on the training Shuttle Enterprise. The Young and Crippen entities boarded the *Enterprise* which was mounted on top of the launched 747. After rocket fuel was loaded for the Shuttle, the 747 took off and headed west, avoiding commercial air traffic. The launched 747 headed out over the Pacific until it was several hundred miles west of Los Angeles. Then it turned back east toward the California coast. On television we were told that the non-existent *Columbia* was re-entering from orbit.

Meanwhile the *Enterprise*, re-labeled *Columbia*, was cut loose from the 747 and fired its rockets. It sped up to a speed of nearly 6,000 miles per hour, then we watched it as it made that dramatic race in from the sea to a precise computer landing at Edwards Air Force Base. It was all timed to agree as closely as possible with the official NASA timetable to further convince us of the security and efficiency of the system.

Even so, a technical mistake was made that morning and as a result we were told that the Shuttle would land six minutes early. Think about it, six minutes in orbit corresponds to nearly a 2,000 mile error in the location of the Shuttle, but on TV nobody bothered to so much as question it. Everyone just smiled and said how lovely a day to watch a Shuttle land.

Following the dramatic landing, former astronaut Gene Cernan expressed surprise on ABC television. He said the Shuttle simply did not look scorched enough for a ship that had re-entered from orbit. Likewise, when the synthetics called Young and Crippen emerged, they did not act like men who had been weightless for two days. Instead they bounded down the access steps and pranced around with restless energy but no one questioned it in the least. After all, we had all seen that Shuttle landing for ourselves and

hundreds had been first-hand witnesses to the landing at Edwards; we had also heard and felt those sonic booms. Surely the government would not lie to us. **[H: You have also seen David Copperfield walk through the Wall of China, make a massive ship or plane disappear, make the Statue of Liberty disappear and on and on and on... and THEY call that MAGIC ILLUSION!]**

IDENTICAL SHUTTLES WAITING

Three more identical Shuttle like the *Columbia* were waiting their turn in the desert at White Sands. Each would have the same label, “Columbia”, painted on its side. The first *Columbia* was now quite dead along with its crew, but thanks to “doubles” the *Columbia* would continue to live on as the astronauts would be removed from public view except on rare and “distant” occasions when appearance would be inevitable and actors would be able to carry out the assignments.

On April 28, 1981, we were all tuned in to our TV boxes to watch President Reagan’s address. The speech was to gain and build support for the Administration’s budget, but most people were interested because it was the first speech by the President since the assassination attempt nearly a month earlier. People were too absorbed in the dramatic re-appearance of a wounded President to pay much attention to anything else. No one cared very much that the Space Shuttle “*Columbia*” supposedly arrived back in Florida that day—on the back of its transport ship. The *Columbia* was a great success as far as the citizens knew—we had seen EVERYTHING OURSELVES ON TELEVISION.

THU., JAN. 5, 1995

FIRE FROM THE SKY

Continuation:
[QUOTING, PART 6:]

SPACE SUPERIORITY TOUTED

Based on that ONE space Shuttle Flight, we were then being told on all sides that we were once again on top in space. We were told that now we were five to ten years ahead of those poor, stupid Russians.

The Shuttle which we all saw land at Edwards Air Force Base in California was the training Shuttle *Enterprise*. It had simply been relabeled with the name “Columbia” on the side. When the Shuttle landed in California on April 14, we were initially told that it would be flown immediately back to Florida; but as the days went by, the Shuttle just stayed in California. NASA created one excuse after another to explain away the delays to the public.

Meanwhile, frantic meetings were going on, involving key, joint military and NASA personnel. Things had not gone according to plan, and they were not sure what to do next. One faction insisted that NASA should go ahead according to the original plan. That plan called for a switch in Shuttles between California and Florida. On Day One a modified “747” would take off from Edwards Air Force Base, California, with the Shuttle *Enterprise* riding piggyback. News cameras would be on hand to record the take-off. The *Enterprise* would then be flown to its home base at White Sands, New Mexico. Meanwhile the public would be told that the “747” with the Shuttle had made an over-night stopover. Then on Day Two another modified “747”, carrying a different Shuttle, would take off from White Sands and fly to Florida.

Once again, reporters would be on hand to watch the landing at Cape Canaveral. The new Shuttle, of course, would have the name “Columbia” on the side just as the *Enterprise* did. In that way the training Shuttle, *Enterprise*, was to be returned to home base and a fresh orbital-rated Shuttle sent to Florida. The switch would be made without the public suspecting a thing, and, after all, it is only the American public from which the above top secret secrets are maintained. The participants, by accident, believe the cover-up is in national security to prevent acceleration of the obvious war underway. Who is going to tell?

In those meetings behind closed doors about the situation, others protested that it would be foolish to go ahead as originally planned without more information. It was obvious that somehow the Russians had destroyed the *Columbia*, but the question was: “How?” The military Shuttle planning group agreed that they needed the answer to that question, otherwise there would be no way to devise countermeasures to

give the next Shuttle flight a better chance. You see, they never considered telling the truth and shutting down the upcoming plans.

Finally, it was agreed all around that the first urgent need was to buy time, so NASA spokesmen were told to give the press a series of stalling stories about the post-flight Shuttle procedures in California. Meanwhile, every available avenue of Intelligence world-wide was pressed to come up with an answer to that crucial question: “What happened to the Space Shuttle, *Columbia*?”

Day by day we saw well orchestrated brief news reports about the post-flight checkouts of the Shuttle at Edwards Air Base. The Shuttle was then lifted onto the back of the “747”, but the take-off kept being pushed back one day after another. The military Shuttle planning group was drawing a blank from their intelligence sweep about the *Columbia*. The Shuttle stayed on the ground a week longer than originally planned, and still no answer came about the *Columbia*. You see, if by chance the Russians turned up with the *Columbia* in tow the fallout would be worse than disastrous because, for the first day or so, the exchange could not be explained away as “preventing public panic”.

NASA ran out of excuses for further stalling without raising unwelcome questions. The secret Shuttle planning team was still in no position to prepare for a second orbital mission, and yet appearances had to be maintained at all costs and every passing day became more critical.

The U.S. Government was crowing loudly about the supposed stunning success of the Shuttle because it was the only hope left for America in space. The Space Shuttle was the only program, other than Defense, which was given increased funding by the Reagan Administration. There was also the incredible fear that if the Russians did, in fact, have the Shuttle intact, the entire cover-up would be exposed world-wide. The Russians, on the other hand, had no proof and couldn’t come forward with actions which would have caused all-out war.

WHITE SANDS CHOICES

Before the Shuttle *Enterprise* left California aboard its “747”, the Shuttle planning group had to make a decision: Should they, or should they not, make the planned switch between Shuttles at White Sands? There were three more orbital-rated Shuttles at White Sands, and a specific mission was planned for each one. One of the planners summed up the dilemma in these words: “How can we send an orbital bird to the Cape? STS-2, 3, and 4 may require major modifications in order to get past the Russians. We won’t know what those modifications are until we get the missing feed-back on STS-1. I say send the *Enterprise*. We can keep it sub-orbital by faking an abort—shut down one engine before Press-to-MECO and let *Enterprise* return to Kennedy. That will keep *Enterprise* out of danger from “Ivan”. It will also keep the ball rolling while giving us more time to set up a successful orbital shot.”

Someone else asked: “What about the public relations impact? One thing we don’t need is to abort a mission this early in the program.”

The reply: “Would you rather lose another orbital bird to Ivan? Besides, if we do it right, we could end up with even more public support. You know what I mean—the idea that the Shuttle is safe even if something does go wrong, and so on.”

There was a very long silence, followed by more discussion, but finally the suggestion was adopted.

On Monday, April 27, the “747” bearing the Shuttle Enterprise took off from Edwards Air Force Base, California. The following day we were shown the same Shuttle, the training Shuttle *Enterprise*, landing in Florida. There was no switch made.

The secret Shuttle planners were still feeling their way and they left open an avenue for plan changes. Therefore, it would be the training Shuttle *Enterprise* that would later roll off the launch pad in Florida, that summer. It would look just like the *Columbia* did before its April launch, mated to a giant fuel tank and huge solid-rocket boosters.

WILL THE REAL PLAYERS AND PROPS STAND UP, PLEASE.

NASA was then shooting for the very early launch date of September 30, 1981. **[H: Right around the time you Americans planned a first strike nuclear attack against Russia.]** According to the plans the launch would proceed smoothly for the first few minutes. Unlike the *Columbia*, the *Enterprise* would not veer north toward the kind of orbit forbidden by Russia. Then, one engine would shut down prematurely. It would be earlier in the flight than the point at which contact with *Columbia* was lost in April. Then, as we were still watching on television, the *Enterprise* would return for its alleged “emergency” landing at Kennedy. By that time, the *Enterprise* had made so many computerized landings that NASA had confidence that the landing would be made safely. If other plans could be substituted as the summer progressed, so could the “flight” sequence be changed, even to aborting the launch at the pad.

There would, of course, be an uproar about the aborted space flight, but it would not last long because no citizen would risk the lives of astronauts to a possible accident. The entire scenario of an abortion would “only prove the efficiency of the computer check system and safety measures”.

The hopes were, of course, to buy time and gain information regarding the first launch.

BACK TO AIR-BLASTS

Let’s go back to December of 1978 when air blasts at sea began shaking homes and frightening thousands along America’s East Coast. For a while government spokesmen tried to ignore them; but the booms, now known and recognized as Air Quakes, would not go away. In fact, they steadily increased in number and were also soon experienced on the West Coast and inland U.S., as well.

As no explanations could be offered, they were next ridiculed in the controlled major media, but that tactic quickly changed, too, because too many people were hearing them to accept it all as a big joke. Then the tactic was to simply report them, promising follow-up and then simply never following up. The news projectors never move from the scripts given them and there would be practically no fear of slip-ups. Note this for yourselves during prime time newscasts; flip channels and you will hear the **verbatim** news items being read from the master script.

After these quakes had been going on unexplained for several months, the government tried to explain

it all away by blaming the whole thing on freak weather conditions. Alleged experts were trotted out to impress the public with the mumbo jumbo about unusually cold air layers, ozone depletion, northern lights, electrical disturbances, and so on, ad nauseam.

Waving their arms about in master performances, other experts were touting that the booms were due to military aircraft, perhaps a hundred miles out to sea since nothing showed up on any radar screens.

Others managed to actually keep a straight face as they told you that the booms were caused by the *Concorde* supersonic transport and all but grounded the *Concorde* forever. They told you that the shock waves from that plane were striking America's East Coast more than an hour ahead of the plane itself, and with incredible force, having "built up incredible sonic force as it traveled".

Explanations like these were ridiculous on their face; yet most Americans, eager to be pacified, accepted these insults to their intelligence at face value and even marched to stop the *Concorde* from landing in the U.S. Facts are that most of the quakes taking place nation-wide were kept out of the press, and people calmed down.

For instance, there are almost daily Air Quakes in areas around an Air Force Base where you might find sophisticated aircraft capable of supersonic speeds. Usually, the later seen jet craft are not the cause of the blasts but are the INSPECTION TEAMS CHECKING OUT THE LOCATION OF THE BLAST. Those of you who do not believe such a thing could be, had better think back to some unexplained booms you have noted and the media could give no explanation. As the phenomenon continued, people simply returned to sleep and ignored the interruption in their thoughts—simply no longer caring one way or another. As early as December of 1977 it was told publicly, and suppressed governmentally, that the quakes were caused from newly operational Russian Cosmospheres firing their Particle Beam weapons in a defocused mode into the air over the Atlantic Ocean—and later over the Pacific. This information came forth right out of our top intelligence systems.

[H: I have to share an interesting point about the people here at this location. These blasts were set to coincide with VISIBLE craft in the air and even press releases stating that it was this craft which would be making the booms. Funny thing is that the booms always seemed to come as the crafts were slowed to make a U-turn and head back to Edwards base. No one seemed to think a thing about it even when the blasts about took out the side of Dharma's room. There was even a day when a black helicopter flew so close as to laser blast the side of the house outside her working area, as to knock things off shelves and shut-down the computers. The craft WAS RIGHT THERE—VISIBLE AND RIGHT OFF THE GROUND! They shot the back of the house and only through our deflection did they not blast out the bedroom in which E.J. and Neither Dharma had just retired. The evidence was all around the next day and still the blasts went on until WE PUT A STOP TO THEM! It is really hard to tell who is winning, isn't it?

It is also interesting to note that Greens lived within a locked community for their protection while the attack was against this old Grandmother doing nothing but typing in a basement room! I find that "very interesting" indeed. I might add: Will the REAL George Green stand up? It is far sadder than any of you realize—he can't protect himself and the game is out of control which swirls around him. Oh, this entity that calls himself "Green" will ridicule and continue the more

and more incredible assault and senseless lying—but that is the game, dear ones, and George was **WARNED** what would happen. He chose to disbelieve and think he could get away with the gold. It is the most costly game he ever entered! I can't, nor would I, do a thing about his circumstance—when you invite **ME OUT OF YOUR SPACE—I GET OUT OF YOUR SPACE!!** You do whatever you wish to do—but when you turn away from me, you are turning away from God because I am sent to attend **HIS** work. “I” as an entity am totally beside the point. Further, in this **BIG** overall game, you who turn away and back into the adversarial surroundings and advice givers—will lose—every time—because that is the point of the Adversary in the **FIRST PLACE**. Does this happen with ones who worked with me but fail to do so now? **EVERY DAY!** So much so, in fact, that I am continually tempted to shut down every other ongoing project or meeting—because ones forget to, or don't, keep up and head off into the myriads of traps laid and set. The problem is, however, “they” aren't the ones who get arrested and upon whom the focus descends—it is upon the ones who are innocent save by being entrapped by the very ones who claim to be working with us.

This was drawn sharply into focus with the actions of Green and publication of what US&P objected to. He didn't do his job and we got trapped. No more—you who think you know better in given marketing and working situations—if it **INVOLVES ME OR MINE**—expect to be brought up **SHARPLY** in such thoughtless endeavors. We are **NOT** lawbreakers in **ANY** capacity; we are **NOT** **SUBVERSIVE**; we are not **ANTI-GOVERNMENT!** We are anti-BAD Government—but that, too, is **YOUR BUSINESS**. To think, for instance, that we would incite to disturbance or riot—is foolish and a lie. We have no group—so there is no “cult” here, good friends. We will offer what we can to awaken you as a sleeping planet of beings and help you if asked—no more and no less. Neither Dharma, for instance, nor I, owe anybody **ANYTHING** and we are weary of being treated as if we **DO!** I can't “help” anybody—I offer and they may accept if they so **CHOOSE**. I am not some **INDIVIDUAL “GOD”** of some sort—I **SERVE THAT GOD OF CREATION/CREATOR** and I have a mission—and it's **NOT** to be some “personal savior” or ancient “informer”. I am quite tired of being treated otherwise and then insulted because I do not fit “your” mold of how you “think” it should be. It is as it is—since the beginning. If you want to **CHANGE**—you will get awake, get informed, stop the assaulting and get on with your saving of self and then, “welcome aboard”. I am not here to “snatch” you off and if you come forth and **BELIEVE THOSE WHO TELL YOU THAT “ASHTAR” WILL—THINK AGAIN!!!**

IN 1977, there were some seven Cosmospheres hovering over the U.S., but in months that followed the numbers grew into the hundreds world-wide. Now you can find out more if you can get your hands on the materials from the Mitre Corporation because the government sponsored a study done by them. The material was quietly released and then faded into oblivion.

The report listed 594 air quakes of major impact between December 1977 and the following June. By June, of course, those alleged “freak cold air layers” had to be long gone. The study did its best to blame the booms on aircraft noises, anyway, but 181 air quakes were impossible to link to anything, even artificially, or to any acceptable excuse, so the report lamely concluded that they must be of some natural origin, and yet the government and military were fully aware of the origin.

The Cosmospheres are Russia's version of the Hovering Weapons Platforms of which the late General

Thomas Power tried in vain to give a warning over 15 years ago. General Power was former head of Air Force Research and Development and then of the Strategic Air Command. He knew what he was talking about and made every effort possible to alert the American people over the ensuing years but his efforts were suppressed and went ignored.

As the numbers of Cosmospheres multiplied world-wide during the following year, UFO sightings likewise mushroomed. Is it any wonder that the U.S. officially does not recognize UFOs and calls them weather balloons or swamp gas?

SPACE ALIENS?

The “panic” which the government is trying to keep from us is not from “aliens”; if aliens were the problem then we would have been conquered long ago. The problems come from very Earth-oriented, physical humans at the controls. Most UFO sightings are in fact Identified Flying Objects; they are Russian Cosmospheres. This is not to say that alien flying saucers do not exist, for the same intelligence that identifies and tracks the Soviet Cosmospheres has confirmed the existence of craft that are not from Earth. Every astronaut of our moon landing programs has said that they were followed by flying saucers, before Russia developed their Flying Platforms. Does this give you a hint as to the REAL reason why the astronauts were quarantined after they came back from the “moon”? They had to undergo “debriefing”—they had to be taught how to keep their mouths shut about what they saw. Neil Armstrong said that when he stepped onto the moon, there were at least two “flying saucers” already sitting there watching him. He later had a mental breakdown. However, some of the moon program was also “smoke and mirrors”.

IT'S ONLY A PAPER MOON...

The center spread of the September 5, 1994, issue of Spotlight newspaper has an article by a man who points out some of the obvious problems with the moon program. The author, who used the name René, has written a book called *IT'S ONLY A PAPER MOON* in which he points out some scientific facts such as the space ships and space suits do not provide enough radiation protection for the astronauts to accomplish what they claim to have done (if the suits work, why don't they use them with nuclear reactor accidents?). He says that “the landings were faked and that the Apollo program was a very successful and expensive government hoax—a hoax that is about to be repeated using Mars as the new ‘celestial’ target.” The Hubble Telescope is another NASA hoax—try reading *THE HUBBLE WARS* by Eric Chaisson.

WHY ALL THE AID TO RUSSIA?

Why does our government give massive aid in money, food and technology to Russia? Could it be to keep those Cosmospheres stationed in appropriate orbit to take out every major dam, fault line, populated city and military base in our nation? The International Banker Elite know what is going on and have situated themselves to take advantage of the destruction of five out of every six persons on earth (according to *their OWN PLANS*). The only reason it has not happened already is that “They” have held off until they could finish gold-plating their commode handles and stocking their underground warehouses.

THOSE UNDERGROUND FACILITIES

On this subject, here are some hints for UFO researchers. There are sonic quakes over Southern California that have been traced to an Aurora aircraft and OTHER CRAFT going to Groom Lake, Nevada. If you plot that course backwards, you come to Australia. Check out the underground facilities at Pine Gap, Australia, if you want to know more about one of the hideouts of the “Elite”. The research shows that one of these craft flies over 4,000 miles per hour, but one who should know says they can fly over 8,000 miles an hour. That craft can get to Australia quicker than I can get home from work.

UFOs have always been attracted by aircraft, rockets, and spacecraft, especially when those are new or experimental. The Cosmospheres are no exception to this rule. Wherever Cosmospheres are congregated UFOs will always show up and there is no exception to this rule. The “alien” crafts observe and monitor the human craft. **[H: You had best believe it—nothing goes unmonitored that can bring disruption to the Cosmos. NOTHING!]**

ALIEN CRAFT MONITORING

A good example of this monitoring was witnessed in New Zealand as the secret bases there were under surveillance by the Russians. On December 30, 1978, an Australian television news crew made headlines world-wide by filming what they called UFOs from an airplane over New Zealand. The film, some seven minutes long, was purchased by the BBVC and by the CBS TV Network. On January 2, CBS showed less than 50 SECONDS of the film which showed a glowing spherical object, and most of the objects sighted that evening by the camera crew and other **observers** were described as spheres of LIGHT.

However, as the film clip was shown, a sound track was played. The Australian newsman described a **different** object. He said it looked like a flying saucer. Walter Cronkite did not say whether or not the sound track had been recorded simultaneously with the film clip that was being shown. In any case, the spherical object in the film was a Russian Cosmosphere, but the attempts to discredit the film were an echo of the ridiculous government stories about the air quakes the prior year. On the evening of January 25 Walter Cronkite of CBS News reminded viewers of the New Zealand UFOs; then he went on: “Well, the New Zealand Air Force reported today that **freak atmospheric conditions, not visitors from outer space, were responsible**. Investigators said one definite cause was an unusually bright ‘Venus’ rising in the eastern sky.”

PAY ATTENTION—THIS IS FROM “EARTH”

The “friendly” “alien” craft will show strobing “COLORED” lights of red, green, yellow, blue. They are stationed in non orbiting sequence in strategic placements. The Cosmospheres do not strobe, and are stationed to appear as stars and planets. This is the real reason that there is a lot of hocus pokus involved with the Hubble Telescope, they cannot afford to let us see what they see.

[END OF QUOTING]

Thank you for that insight. I would comment, however, that we do OFTEN station ourselves in FRONT of a planet or recognized “star” so that we WILL be seen and orbit right along with everything else. The facts are that you can fool almost all of the people all of the time—but in the long-haul—GOD WINS!!

PART 7

RUSSIAN SPHERES AND PLATFORMS, AND HELP FROM ALIENS

The Russian craft are not always visible; actually they are almost never visible and from an orbiting standpoint they are as any other satellite which would be too small to be seen by the eye alone. They are shielded by a very sophisticated stealth shielding system. The “aliens” sometimes neutralize the Russian systems in hope that we will see them and wake up to what is happening, but we are too brainwashed to accept the truth. You may ask, if the aliens are benevolent, why don’t they help us? Who would they help? Which side is the “good guys”? We have to first ask for their help, then we have to accept their help and follow their rules. Instead, both the American and Russian (and other) governments have tried to shoot them down. **[H: RIGHT ON!]**

The flurries of UFO sightings over Australia and New Zealand were actually due to Cosmospheres with monitoring alien craft along with some of our own monitoring craft with sufficient speed capability.

The U.S. in the 1970s decided to outflank Russia by deploying Minuteman and other nuclear missiles all over the world, since our main bases such as Edwards, White Sands, etc., were all monitored by Russian Cosmospheres. We believed that we could disable the Cosmospheres long enough to launch a missile attack against Russia. We came very close to doing just that several times, but each time we were defeated by the Cosmospheres which saved the world from nuclear nightmare. Who are the “Good guys”, friends?

COBALT ION BOMBS AND LASERS

PAY CLOSE ATTENTION!

It is well known to U.S. scientific intelligence analysts that the Cosmospheres hover by floating in the earth’s electro-static field. They also presume that the Russians use the same techniques we would use in order to aim their Particle-beam weapons—that is, a combination of infrared detection and radar. They reasoned that if the Cosmospheres can be disturbed from their hovering positions and if their sensing systems can be blinded, their particle Beam-weapons would do no good—even if they fired they would be aimed wildly and miss our rockets as they would be launched. The solution devised was called a Cobalt Ionization Bomb. Unlike a normal cobalt bomb, such a device is not designed to create a tremendous blast; its primary purpose, instead, is to create tremendous quantities of totally ionized cobalt atoms stripped

of all their electrons, leaving bare nuclei. The plan is to detonate these at various locations in the upper fringes of the atmosphere, as high as possible, but below the hovering altitude of the Cosmospheres. The result will be an enormous storm of electrons, spreading horizontally in the Earth's magnetic field to pass underneath the Cosmospheres. When you hear in the news that we have recently launched a satellite that "illuminates the electrostatic/magnetic field", does that make more sense now? And do you remember that the launch was considered to be a secret military mission? It would also disrupt the infrared and radar systems used to watch the missiles below; and while the Cosmospheres are briefly incapacitated in this manner, our rulers planned to launch our ICBMs right past them.

[H: I suggest you pause a moment right here and read me well. There have been cobalt bombs placed at strategic placements by enemies of the people of the United States of America for many years, within the U.S., Canada and Mexico. There are at least four UNDER NEW YORK CITY as we write and at the base of EVERY MAJOR DAM IN THE UNITED STATES AND CANADA. There was need to cover much of Mexico because there are already Soviet arms and equipment in Mexico amassed at the border and other strategic places from which an invasion of the U.S. can easily be accomplished. Things are very different NOW because you have allowed the equipment and arms within the U.S. by invitation. We are not speaking about the good old "Russians" but the "Take the world Soviet Communist Bolsheviks". These explosives were placed YEARS AGO and they mean business. We can dance around the facts, citizens, for a very long time—but the grid systems for flooding you with frequency beams, the ability to kill you with biological killers, and the mechanisms of bringing you under control are now final—along with the finishing of their underground doomsday cities.

When things begin to happen it will happen fast. There will probably be a "lift-off" (as in rapture) of bunches of people into never-never land but, ALSO, in preparation for massive damage to atmosphere and persons—the Elite will disappear into their holes which are very luxurious and suitable to long term comfort and survival—IF YOU DON'T ROLL OVER DEAD AND GIVE UP THE GLOBE OR, AT THE LEAST, THE NATION. The adversary has been working toward this finale for a very long time and as their infrastructure and systems have come on-line and functional—they will use whatever is necessary. They have less than five years to get it accomplished and they are ahead of schedule because so few of you have even NOTICED the ongoing activities. It is your business but time grows SHORT.

Why cobalt? Because it works as a neutron device which kills you but preserves equipment and buildings. The ionization process will take out power, communications and you name it and can do so with very little effort or destruction except where intended.

Remember, also, what we told you years ago. There are Asian "workers", mostly for the task here, from Cambodia who are trained and WAITING FOR THE ORDER, stationed at EVERY major river crossing bridge in the U.S. but especially crossing the Mississippi and TRAINED to blow all bridges. At least half of all Asian emigrants, legal and illegal, are trained special forces TROOPS.]

Meanwhile, ground-based high-power lasers would be used in the effort to shoot down the Cosmospheres. But, my friends, your masters fell victim to the very intelligence gap which they themselves

brought about years past, which I wrote about in my newsletters in 1978, because the Russians well understand the importance of surprise, including technological surprise. And so while they have allowed their space triad to become known in intelligence circles because of its deployment, they still have a master secret weapon in reserve for the war itself.

This weapon is a system to protect the Achilles' heel of their beam-weapons—the ability to aim them accurately. It is called “Psychoenergetic Range Finding” or PRF. PRF does not rely on conventional radiations like infrared or radar—instead, it is based upon detection of the actual atomic signature of the target, and normal jamming techniques have no effect what-so-ever on PRF. Therefore, when the American cobalt ionization bombs explode, the Cosmospheres would be able to **aim right through the electron storms to blast our missiles or ANYTHING ELSE in the target.**

In November an alternate plan for the second launch was presented. This plan would be an abbreviated orbital mission. So, the second Space Shuttle launch took place from Cape Canaveral, Florida, on November 12, 1981, seven months after the first launch.

Some seven hours after launch it was announced that the flight was going to be cut short. Therefore, the secret plan for an abbreviated mission was verified and under way. As an excuse, NASA pretended that a faulty fuel cell was responsible for shortening the mission.

The abbreviated Space Shuttle mission in November was the legacy of the total disaster which engulfed the first Shuttle launch in April. In November, just as the prior April, no part of the real Shuttle flight was heard other than the Florida take-off. The identical theatrical techniques that were used to fool the public in April were again utilized, including some of the same taped segments—no one noticed, not even when the story did not match the sound or pictures.

Remember, we watched the *Columbia* take off but it was the *Enterprise* that landed in California.

The *Enterprise* was a very specially designed Shuttle, unlike the *Columbia* or the three other Shuttles which secretly existed at White Sands. The *Enterprise* was a training Shuttle with its cargo bay filled with rocket fuel tanks. Launched from the top of an airborne 747, the *Enterprise* was able to make short suborbital flights into space, but due to its fuel tanks it could carry no payload in its cargo bay.

In the wake of the secret Space Shuttle disaster in April, the military Shuttle planners sent the *Enterprise* to Florida.

Originally, they were simply trying to buy time. But time was going by quickly because the American Bolsheviks were on an accelerated timetable to bring about WAR! Arguments broke out among the military Shuttle planners over the original plan to throw away a launch just to keep up appearances.

A scheme was finally constructed to use the *Enterprise* itself in November for a military mission.

COMPUTER SCAPEGOATS

Just as computers are handy for helping with the workloads of people, they also make handy scapegoats

to cover a massive multitude of errors and omissions. This time a computer problem would be the important factor in deliberately shortening the second Shuttle flight—as information to be lied forth to the public. So, on the evening before the launch, there was a sudden flurry of activity at Cape Canaveral. Supposedly, a data processing module aboard the Shuttle—that is, part of its computer system—“was misbehaving”. We were told that a replacement was flown in, and we saw workmen rushing to install something aboard the Shuttle. It was all going on, literally, at the very last minute, just before the large external tanks started being loaded with rocket fuel.

The last minute rush at Pad 39-A that evening on November 11 was not to load a computer module as we were told—and shown. Instead, special photo reconnaissance equipment was installed in the rear deck of the crew compartment. It was arranged to look out of the two overhead windows. The *Enterprise* was unable to carry a spy satellite in its cargo bay, as mentioned earlier, so instead the *Enterprise* itself was turned into a spy satellite. The makeshift spy apparatus installed in the crew compartment rear deck was not as good as that of a regular spy satellite, but the military planners were desperate. By the way, you can fool your friends quite easily but you can rarely fool your enemy for they are watching most closely and the Russians knew, moment by moment, what was happening.

It would soon be four years since Russia finished destroying all of the American spy satellites with her fleet of Killer Satellites. The military Shuttle team was hoping to use “surprise” in order to get at least a little bit of reconnaissance over Russia. It was hoped that the Russians would consider the *Enterprise* to be no threat since it could not carry anything in its cargo bay. NASA, also, did everything it could to convince the Russians that a non-threatening orbit would be used. Finally, the launch time was shifted by about 2-1/2 hours on the morning of November 12th. That was intended to make it harder for the Russian Cosmos INTERCEPTORS to readjust their orbits to attack the *Enterprise*.

The last item reflects a deadly intelligence error made by the United States military Shuttle team. They knew about Russia’s orbital cosmos interceptors, the Killer Satellites. They also knew about the first generation Cosmospheres, Russia’s Levitating Weapons Platforms. Both were first deployed some four years prior. The American planners knew that the Space Shuttle COULD probably outrun the “first-generation” Cosmospheres, therefore they believed that the orbiting cosmos interceptors were the main threat to the Shuttle.

[H: Yes, I hear the question flowing back about HOW did the Soviets get this technology and why didn't America have it and so on. Mr. Nikola Tesla (the buried and thieved-FROM scientist who gave you “alternating current”) offered it to America through Westinghouse and J.P. Morgan. He offered it for the price of the equipment. He offered a shielding system as well which could detect and stop incoming missiles, craft—anything, 300 miles away in any direction. BUT AMERICA TURNED HIM DOWN. NOT ONLY DID YOU TURN HIM DOWN BUT YOUR GOVERNMENT BURNED DOWN HIS LABS, BURNED UP HIS TOWERS, STOLE HIS RADIO INVENTIONS AND GENERALLY DESTROYED MR. TESLA AND ALL HE HAD WORKED FOR—WHILE TAKING HIS WORK AND UTILIZING WHAT THEY WANTED. So, the information and technology ENDED UP WITH THE “WHITE RUSSIAN” FORCES. UNFORTUNATELY FOR THE BOLSHEVIKS—THEY (THE BOLSHEVIKS) DID NOT GET IT. THE COSMOSPHERES AND HIGHER-TECHNOLOGY SHIELDS, ETC., ARE IN THE BOLSHEVIKS' ENEMIES' HANDS. THAT MEANS THAT THE RUSSIANS OUT THERE

IN SPACE ARE SOLIDLY AGAINST THE GOVERNMENT OF THE UNITED STATES AND ALL ONE-WORLD ELITE. THE EQUIPMENT IN THE U.S., HOWEVER, IS MOSTLY THAT OF THE “SOVIET” COMMUNISTS! YOU CAN EITHER TAKE BACK YOUR CONSTITUTIONAL LAW, CITIZENS, OR GO DOWN WITH THE ELITE—IT BECOMES THAT SIMPLISTIC IN PERCEPTION. PONDER IT FOR IT IS ALSO WHY WE DON’T HAVE TO DO A CONFOUNDED THING. THIS DOES NOT MEAN THAT YOU CAN AVOID NUCLEAR WAR OR MASSIVE DESTRUCTION—IT DOES MEAN THAT THE SIDES ARE NOW RECOGNIZED!!]

WHAT THEY DID NOT KNOW—BUT DID SUSPECT—WAS THAT RUSSIA HAD DEVELOPED AND DEPLOYED A SMALL FLEET OF SEMI-EXPERIMENTAL SECOND GENERATION COSMOSPHERES. In April there had been seven in operation—by November there were at least eight or nine. The new Cosmospheres were called “Super Heavies, or “Jumbos”, and could outrun and outlift anything America had, including the Shuttle. The Russians even gave NASA pointed information about them as far back as the April launch.

There were some in America’s intelligence community who correctly interpreted what happened and informed the planners. But the American Bolsheviks who controlled America’s military space program were refusing to accept it. They were explaining away the fragments of intelligence about the new Russian Jumbo Cosmospheres and thereby guaranteeing their own failure.

When the Enterprise took off there were no human pilots aboard. It was a known suicide mission. The *Enterprise* followed an evasive, curving launch, just as the *Columbia* had done in April. It headed toward the north which would indicate a near polar orbit. When it passed over Russia the *Enterprise* was to be upside down with its spy camera staring downward through the crew compartment windows.

Five nice big fat Jumbo Cosmospheres were right on hand and kept pace along with quite a good number of “alien” craft, as it climbed toward orbit. Moscow was instantly notified of the course it was taking—but the Russians were told not to fire on the Shuttle. Instead the Russian Ballistic Missile Defense Forces were alerted. The Russians knew war was coming and they decided to use the approach of the Shuttle as a good test drill.

PROTECTION SYSTEMS

It had been known for two years that Russia had been preparing to deploy a new anti-ballistic missile system and underground shelter system were improved and renovated along with new shelters being installed and totally updated for the population security. Our government did nothing for us good tax-paying citizens. The new missile system was based on charged particle beam weapons fired from modified supersonic TU-144s Jet Transports. On November 12 a squadron of TU-144s were scrambled to intercept and shoot down the Enterprise.

The Jumbo Cosmospheres continued pacing the Shuttle from a distance as a backup if the TU-144s should fail—but they, of course, did not fail. THE ENTERPRISE SWEPT DOWNWARD FROM THE NORTH ACROSS THEIR STRATEGIC KOLA PENINSULA. AS IT CROSSED OVER THE WHITE SEA THE BIG JETS BEGAN FIRING UPWARD WITH THEIR BEAM WEAPONS AT THE

SHUTTLE FAR ABOVE. THE THIRD BEAM BLAST TORE THROUGH THE MID-SECTION OF THE SHUTTLE AND IT BROKE IN HALF JUST BEHIND THE CREW COMPARTMENT AND DISINTEGRATED.

NASA went ahead with its made-for-television space movies and followed the preplanned script for a shortened mission. They knew within the hour after launch that the Enterprise had been destroyed. Having learned about Russia's plans, in April, to create an international incident with the crashed Shuttle, they wanted to complete the flight, in the world's eyes, quickly.

The Shuttle landing at Edwards Air Force Base, California, on November 14th was a replay of the Shuttle we saw last April. Literally, those long distance telephoto shots of the Shuttle swooping in from the stratosphere were the very same ones that were shown in April. NASA merely fed video tapes of the long distance scenes from last April to the networks and added a fresh narrative to them. The only part of the landing that was live in November was the terminal portion which could be seen from the ground.

The Shuttle we were shown landing was one of the new Shuttles from White Sands. It had been carried aloft by the launch aircraft, boosted to a modest and speed altitude by a pair of solid fuel booster rockets—enough to produce sonic resonance, and then it swooped down to the delight of the attending crowd.

Since we all witnessed how well that second Shuttle worked out, the next launch was already set for March, just three months from that perfect landing. It was planned to launch the third Shuttle right on schedule. Well, *Enterprise* would no longer be an embarrassing problem to NASA.

We now had a new Shuttle, the third we were shown with “Columbia” on it and it awaited at Cape Canaveral. Its cargo bay awaited a NEW secret military pay load. That particular Shuttle had really been modified and **ARMED FOR BATTLE** in space. Our idiot Bolshevik military planners continued and still continue to refuse to understand what they are really up against—and thusly, another tragedy was already in the final stages of being made.

OVERVIEW OF WORLD EVENTS

To give an overview of the world events coincidental to the Shuttle launches, we need to go back to the attempted assassination of Reagan, March 30. That news flashed myriads of questions around the world instantly as old concerns were triggered. Would some other country try to take advantage in some way? Most of all, would Russia decide to invade Poland? At that time headlines were telling us that an invasion might be imminent. As it turned out then, our worries about that were unfounded but we had no way to know.

Instead of “invading”, the Russians were in the process of cooling down the latest “Solidarity” labor crisis. Likewise, other nations around the world generally acted with restraint following news of the shooting and literally, without much surprise or reaction, for the planners know the plans. That is, all except one—the lone exception was ISRAEL! You may want to look closely at the next bits of information and see what you can discern.

ISRAEL

The timing could not have been more precise, *if it had been planned in advance*. As the first shocking bulletins of the shooting flashed across America, **Israeli war planes were starting their engines. As White House spokesmen were gathering to brief the press, ISRAELI FIGHTER BOMBERS WERE GATHERING OVER LEBANON.**

Through that afternoon and evening Americans huddled around their television sets for the latest word from George Washington University Hospital, completely transfixed on the happenings of our own day and totally distracted **from anything else which might be occurring in the world.**

Meanwhile, Lebanese villagers were huddling in basements and bombed-out shelters as Israeli missiles and bombs exploded all around them. On the BBC World Service and other short-wave radio news reports around the world, the sudden new Israeli raids on Lebanon that day were very big news indeed. But not so in America. News of the presidential shooting and its aftermath drowned out everything else just exactly as it was supposed to do and you will **never be told what REALLY happened with that shooting incident—but it didn't go exactly or precisely as planned but it did its job—after all, we ALL saw it, didn't we?** [H: Yes it did do its originally planned job—BUT IT WAS A QUICK CHANGE-OUT INSTEAD OF THE ORIGINAL EXPECTATION. YOU WERE PUT INTO DOUBLE JEOPARDY LIE SCENARIO IS THE ONLY DIFFERENCE. YOU THINK POOR REAGAN HAS ALZHEIMER'S? NO—HE IS BEING STRUCTURED SO HIS DUPLICATE CAN'T REMEMBER ANYTHING AND BE PHASED OUT.]

It was not until Syrian troops began making moves in response to the Israeli raids that Lebanon began to enter our consciousness in America. Day by day, the Israelis and Syrians lashed out at one another more and more, directly and through surrogates in Lebanon.

On April 28, Israeli jets shot down two Syrian helicopters over Lebanon. It was tremendous news overseas, but in the U.S. it was completely ignored in favor of an all-networks coverage of the President's speech to Congress the same evening. It was not until the following day, April 29, that the Lebanon crisis received billing in the American controlled major media.

MIDDLE EAST CRISIS

The Syrians had moved Russian SAM-6 anti-aircraft missiles into the Beka Valley of Lebanon. This was Syria's answer to Israel's shooting down of two of her helicopters the day prior over Zahle. Thus, the Middle East missile crisis was born.

THU., JAN. 6, 1995

LETTER FOR ATTENTION

I have been brought a third copy of a letter from a Lowell H. Becraft, Jr. with petition to comment and run in the paper.

The letter itself seems to have upset “Grandma” greatly but I am not informed as to why. Since the letter deals with ongoing programs which bring far more questions than answers I do not wish to comment but I see that it would be worthy to present it in the paper in the focus of good journalism to offer “information” as presented for it is difficult, since there has been no positive action or results from any resource, to make negative comment about Mr. Becraft.

[QUOTING:]

Lowell H. Becraft, Jr.
Attorney at Law
209 Lincoln Street
Huntsville, Alabama (we cannot discern either the zip code or the phone numbers.)

December 29, 1994

To Whom It May Concern,

Back in about 1984 and 1985, there was a man named Richard Jones from Springfield, Illinois, who was running a scam based upon an “arbitrage” theory. Basically, Jones asserted that he was well connected with some Saudi Arabians who were operating an offshore arbitrage which would result in the creation of billions in funds. Jones ran around the country declaring that if you gave him \$5000, with a year or so, these Saudis would bring a ship off the coast of Mexico and all participants in the program would go down there and receive a check for \$10 million. Lots of people got swindled in this deal, and the money which was paid went nowhere but into the pockets of Jones, his wife and fellow con-artists.

Purportedly, Jones died in the spring of 1985, and his wife set up a meeting in Denver for me and a few of my friends and associates to explain this program to us. During the course of that meeting, nothing was told to us that made this scenario believable in any respect, thus none of us got involved. I suspect that Jones’ wife asked me to attend this meeting because at that time she was getting quite a lot of heat from the IRS and she was hoping that I could make her problems go away.

About a month after this meeting, Jones' wife called and told me that she had been indicted in Illinois for federal crimes. Eventually, she got a local lawyer to represent her in that case and he traveled to Huntsville to interview me, which I thought was odd since I could not understand how I could possibly be a witness in any way. When he got here, he explained that when I had the meeting with Jones' wife in Denver, an associate of hers was at that time working with the IRS and in fact had been de-briefed by IRS agents in the same hotel in which we stayed. He showed to me the reports of these agents which had been provided to him through criminal discovery and that was in fact the case. Thus, it became evident to me that the IRS had compromised and infiltrated the Jones organization and had gotten one of their own associates to cooperate in an investigation. Later, Jones' wife took a plea and went to jail. In any event, the Jones offshore arbitrage never came to pass and those who got involved lost lots of money. This was a shame and should never have happened.

Over the years I have seen lots of similar scams, particularly those which have passed through patriotic circles. For example, Jonathan May started traveling around Minnesota back in 1985 or 1986 alleging that he had lots of funds from foreign sources and was going to rescue America from our evil banking system. A lawyer friend of mine, Wendy Nora from Minneapolis, got involved with Jonathan and asked me to go up and assist their project. I and a farmer from Unadilla, Georgia, named Tommy Kersey did go up there and we were shocked at what we saw; Jonathan was passing out "credit checks" right and left, and it was clear that a criminal prosecution was going to happen. Sure enough, Jonathan was indicted and convicted for running this scam.

Next, a man named Paul Robinson appeared on the scene and his operation was almost identical to that of Jonathan's. Robinson alleged that he had a company down in Mexico which would issue credit to financial institutions which were owed money. For 10% of your debt, you could acquire a credit check from his "International Credit Exchange" which would pay all of your debts. This was a scam, people lost lots of money; Robinson was indicted, convicted and sent to jail. Thereafter, Phil Marsh started operating a scam which left a lot of innocent people defrauded. For several thousand dollars, you could buy his "untax" program which was claimed to stop the IRS. This program did not work and was in fact a scam; Marsh was later indicted and the current status of his case is unknown, although the first trial resulted in a hung jury.

Back in about the fall of 1991 or 1992, a story started going around which was very similar to those noted above. Allegedly, a company named "Cosmos" was the wealthiest in the world and had so much money that just the daily interest it earned was enough to save America. Promoters of Cosmos went around trying to gather funds for its secret effort; many wondered why the richest company in the world would ask that broke patriots give it money, especially when Cosmos was promising to step forward with billions to give away. In the end, this proved to be just another scam.

The Cosmos scam was followed or improved upon by Roy Schwassinger, who claimed that via a lawsuit he filed in Colorado, he had been appointed the receiver or trustee for the whole monetary system of the United States. I and several others checked this story out and could not find any proof of its accuracy. The records of the Colorado federal case where this was claimed to have happened failed to show anything that Schwassinger asserted; those same records in fact showed that Schwassinger lost his case. I even saw a part of a transcript of testimony given by Schwassinger wherein he claimed that Treasury Secretary Lloyd Bentsen and Attorney General Janet Reno had authorized him to take over and

control the entire monetary system. This pack of lies was found incredible by the federal judge in that case. After what she did in Waco, how in the world can anybody with a brain contend that Janet “Nero” is a friend of the common American? (Nero is reputed to have played his fiddle while his henchmen burned Rome.)

Schwassinger first started, to my knowledge, appearing before groups out in Colorado and Kansas and he told his audiences this incredible story. These people were told that if they contributed \$300 to the cause and made an application for funding, that they would receive within a short period of time enough money to pay off all of their debts and also pay them damages for everything they had ever lost as a result of the operation of our current monetary system. Lots of innocent people bought this story and paid the \$300; yet it has now been about 2 years since Schwassinger first started and nobody has ever received even a dime. A farmer friend of mine named Gene Schroder, the man who started the American Agriculture Movement back in the late 70s, checked this story out and found it to be nothing but a pack of lies. Schwassinger was later indicted and I have been informed that he is in jail now for operating this scam.

More recently since Schwassinger is no longer on the scene, a man named Scott Hildebrand took up where Schwassinger left off. He went around the country promoting the very same story and he asked people to give him \$300 to become a part of the program, with “damage” payments to be made within a few months. Back this last summer, Hildebrand appeared in the Baltimore area and a friend of mine, John Kotmair, talked with him. A claim was made there that payments would start within 3 months, but it has now been more than 3 months and the people who got involved there have never gotten anything. Why are people told to pay \$300 and then wait a few months to get millions? Why has this same routine been followed for 2 years and nobody has ever gotten anything? The only possible explanation is that this whole program is nothing but a bunch of lies designed to defraud people. Do you remember P.T. Barnum’s statement, “There is a sucker born every minute?” Is Darrell Frech the new Barnum? If he starts making payments of small amounts to certain parties just to keep the restless at bay, can he keep the scam running just a little longer?

The above shows that there is a history of con-men traveling through the patriot movement making tall promises to the gullible for the sole purpose of defrauding many people. In reference to the “Cosmos-Schwassinger-Hildebrand” program, not only are the stories which are told completely improbable, the operators have made the same promise for better than 2 years without any effort being made to fulfill those promises. Empty promises, in my view, are the hallmark of the operation of a con-job, and that is precisely what this program is.

To make matters worse, those who are promoting this lie are now being charged with crimes. Hildebrand was recently arrested for some state crime and is incarcerated. Some people he duped, Russell Landers and Dana Dudley, have been charged in New York with state crimes, and Dana’s story is enough to bring tears to your eyes. If you wish to learn something about this program from one who believed in it, you should contact Dana. Her address is Dana Dudley, Box 215, Coates Road, Four Oaks, North Carolina 27524, phone 919-989-9041. If this scheme was truly legitimate, then why don’t its promoters protect their own members by assisting in the defense of those who have been charged? This was not even done with Roy himself.

America is clearly in trouble, suffering from the ravages of evil monetary and tax collection systems.

Many concerned Americans are taking actions to oppose what is happening in an effort to try to restore good constitutional government here in our country. But we must not be blind to the fact that there are charlatans within our midst who appear to be engaged in efforts to defraud people by claiming to be patriots but who are really servicing their own corrupt interests. In reference to the Schwassinger program, there does exist the possibility that many of the leaders involved with it have been duped; if this is the case, then there is a more sinister force behind them, one of which is doing everything possible to bring ruin and trouble to the cause of the American people. I ask that you avoid this scam. Will you help?

Clearly, the American people need to be awakened to the threats posed to us by the “powers that be”, who wish to subject us to the “New World Order”. However, believing a lie such as this Schwassinger program only gives this system that we oppose grounds to attack, ruin and imprison some of our best soldiers and patriots. Further, we are held to be fools in the eyes of the people we need to reach, the remainder of Americans who wish not to have their “zones of comfort” disturbed by the news we bring.

Sincerely,

Lowell H. Becraft, Jr.

PS: Please feel free to pass copies of this letter around to anyone else who has questions about it.

[END OF QUOTING]

There it is, readers. I’m not sure what is supposed to be included here but we warned you people not to dive off into these “arrangements” and if someone wants money up front—to run as fast as you could in the other direction.

So this could, I presume, be also aimed at something called Green Light and “Treasurygate” Buckley, etc. But I don’t see him or his operation mentioned herein. I will say that regardless of other things which may be amiss about Treasurygate—the (at least some) certificates are REAL. Getting them honored is the incredible problem facing anyone in such circumstances. I do not sanction the way HE ACQUIRED THEM and realize that he is doing it purely for the monetary gain—not to save your nation or YOU, no matter what you may hear otherwise.

As to “Cosmos” I suggest you not jump to conclusions that the current Gold Certificate, etc., and “Grandma” are somehow erroneous. The fact that so many attempts have been made to skive off on the very basis of that certificate causes it to have some visible validity.

“Could it be a scam”? Yes, but you have to look at a lot of things before you pronounce it to be such. Grandma has asked you for nothing save to share in regaining Constitutional Law AND HAS BEEN WILLING TO GIVE TO YOU WHATEVER SHE GETS. THAT IS MORE THAN HONORABLE. What may well be the problem and hard to face is that ones who were actually involved in the offshoot scam originally offered to you-the-public are now turned again to her. She believes the parties to not be the SAME as were involved before. She should reconsider that stance.

She has a corporation which is strange in name, a Nevada corporation, I believe, so that this could not and

would not happen (confusion). So, you have to realize that a deliberate act of taking that corporation (right from the Presidency [Bush's boys]) was pulled off. When caught it was straightened out but included government officials in the state incorporating, as well. That is "Cosmos Seafood Energy Marketing Ltd."

I note that Becraft did not mention either of these two "operations" but I can certainly see how they could be construed as being included. I have no input for I know not the parties involved.

Now, the next assumption being made is that somehow Ronn Jackson is involved. Why is that assumed? He has never done or asked for anything, either. His resources have nothing to do with anything remotely attached to anything here listed. He has contacts high-level enough to have verified the existence and validity of the Gold Certificates and I have no further information. My focus is not on gold, friends, except as my projects, mission, and people are concerned as to "need". I am not here to evaluate "plans" or "scams". We DO NOT in any way participate in such and LET IT BE KNOWN.

If some of our people get caught, even with personally helping one we presented—although certainly not originally, as with Gunther Russbacher, we are pained and will make good, as we can do so, losses. The only involvements, however, even with Gunther, were simply his and Rayelan's promises of return—certainly there was no "investment" to our knowledge.

Please be careful to not lump all within the short-comings of the few for you will lose greatly if you do so. "Grandma" believes 100% in what she is doing and will continue to her dying breath. If I call her a "gutsy broad" it is because she refers to herself in that manner—and I concur—nothing more. She can tell me to get my ass in gear any time she chooses; however, it is disrespectful and certainly does not make our team wish to do very much more FOR her. These people here have given everything they have in resources and their very existence for the goal of salvaging America under the Constitution—AND BRING GOD INTO FOCUS WITH WE OF THE HOSTS—INDEED "ALIENS". Grandma would certainly not be believing that or she would not be quite so disrespectful. I, further, do not concur with her use of such vulgar language as she enjoys for it causes people to think in negative response instead of positive response.

Ronn also likes to tell the politicians to "stick it where the sun don't shine..." etc. It is rather cute and perhaps "daring" but that is not our goal. We are trying to reconcile a country to leadership with God and laws Under God in liberty, JUSTICE and, again, freedom for all citizens.

This is no way to assume discipline of or towards anyone. We often have disagreements in any "organization" or circle. However, in the Cosmic realm, I have "rank" because of position and capability. But I choose not to circulate wherein I am not invited within. I leave instantly when invited to do so—EVERY TIME. BUT THEN, READERS, IT IS WELL KNOWN THAT MAN CAN BE FOOLISH AND DARING WHEN IT IS NOT IN ANY WAY WISE—AND WILL MARCH IGNORANTLY INTO A PLACE "WHERE ANGELS WOULD NOT GO!" THE ASSUMPTION IS THAT THE ANGELS "FEAR" TO GO—NO, THEY ARE WISDOM IN PRESENTATION AND LIGHT.

People "here" at the paper "petition" for relief because they have taken reams of writings and have presented them in perfected form when there is neither the time nor desire to do so—having little financial backup and needing great "space" to cover all. We did very nicely before Grandma graced us with her wisdom (expertise she calls it and I concur); however, we have a mission and it is obviously not the SAME

MISSION except to certain extent. The “paper” is a voice for ALL the people—not just the one or two who take exception to other’s information. This is THE WAY the paper can continue in press—by being journalistically valid and objective.

I am not sure what was expected from this writing but I offer it with whatever value I might have. I just remind you—do not jump to conclusions and you can always gauge a thing best by what the “other party with the program” wants from you! You might also look at WHY YOU BITE!! IS IT FOR GOD’S PURPOSES OR YOUR OWN? It has often been asked of me to help someone (who asks) to set up the lottery and cause them to win—then, they will offer me God’s 10% of the winnings or even up to, once, 50%. Why would I do that?? If I were going to dump money on you in that manner, why would I not do it so I get 100%???? WHAT ARE “YOU” WILLING TO DO FOR GOD? THAT, after all, becomes the point—FOR GOD HAS TO PROVE NOTHING TO YOU!! PONDER IT!!!

FIRE FROM THE SKY
by “One Who Knows”

[QUOTING, PART 8:]

U.S.-JAPAN FEUD

Another mounting crisis was the growing FEUD between the U.S. and Japan. It seemed as if Washington couldn't do anything right toward the Japanese. On the morning of April 10, 1981, the first attempt to launch the space shuttle Columbia took place at Cape Canaveral. It ended in failure due to a computer problem, but it was the top story that day in America. It all but buried the news story that was tops that day in Japan.

The prior day, an American submarine had sunk a small Japanese freighter, supposedly by ramming it. Then the submarine had left the scene without making any attempt to rescue survivors. Worse yet, the U.S. had not even admitted the incident to Japanese authorities until some 36 hours after the incident, the episode raised more and more questions in Japanese minds. **[H: Readers, is THIS the United States of America YOU THOUGHT YOU BELONGED TO???**

NAVY HAS DIFFERENT STORY—AS USUAL

The U.S. Navy issued a report about it which differs drastically from the testimony of the 13 Japanese survivors. The Navy report even put the location of the collision 3-1/2 miles away from where it actually happened. The Japanese wanted to know WHY!

The Japanese began demanding answers to that and many other puzzling questions about the incident. The supposedly “accidental” sinking of the Japanese freighter was only the opening gun in the Washington-Tokyo feud. One shock after another from America rocked Japan. American naval vessels sailed through Japanese fishing fleets, cutting fishing nets to ribbons. Suddenly, there were revelations that American ships with nuclear weapons aboard were using Japanese ports regularly, in secret. Secretary of State Haig cancelled a visit to Japan. Even the visit of Prime Minister Suzuki to Washington recently backfired on him. He agreed to language in a joint communique that led to accusations in Japan that Suzuki was making a secret military alliance with the United States. The irony of it all was that Suzuki's troubles were due to the fact that he was resisting any such military alliance.

The facts, of course, were that an attempt was being made to pressure the Japanese because of the massive amounts of counterfeit money from South America and the Antarctic. In addition, the Bolsheviks

in the U.S. wanted Japan to re-arm, to become the policemen of the Western Pacific. Suzuki's predecessor, Prime Minister Ohira, was ready to go along with America's Bolsheviks despite stern warnings from Russia not to. Then, surprise of surprises, Ohira died suddenly and Suzuki replaced him. Suzuki didn't want to re-arm Japan, and so America's Bolsheviks wanted him out of office. Japan had endured all kinds of shocks in those particular months, but they all had one common denominator: they all involved loss of face for Japan as a whole and especially for Prime Minister Suzuki, and that is most painful for such an Oriental people.

In Asia, loss of face is a very, very serious matter. By using it as a political weapon, America's Bolsheviks believed they could bring down the Suzuki government. Whoever would follow Suzuki would have to talk "peace" for domestic consumption, but he would have to prepare for war if he was to get along with Washington.

OTHER PLACES

Elsewhere in Asia, Red China and Vietnam had recently engaged in very heavy border fighting with many casualties. Meanwhile, the so-called Reagan Administration was preparing to declare openly that it would sell America's most sophisticated weapons to Red China. Might you agree with me that the cancer eating away at America had caused total insanity? Do you think it has improved in the years since? Well, it surely has gotten far worse. You have no idea what kind of a decade the 1980s really was.

In Europe, too, there was turmoil at the hands of Bolshevik agents. The government of Italy had just been brought down in a tremendous scandal involving a massive conspiracy of many of the country's leading citizens. In West Germany, Chancellor Helmut Schmidt was under fire from forces who wanted to undo the balance he had struck between East and West. And in France the Bolsheviks won a tremendous victory in the election. Until then, France had enjoyed a special relationship with Russia as well as with the West. The relationship was one of trust built up laboriously beginning with the former President Charles de Gaulle; but the new French President, Mitterrand, was working as fast as possible to change that. Mitterrand would try to bring France into the anti-Russian camp, headed by the American Bolsheviks. Note his current presence at every open meeting and secret meeting and put your own puzzle pieces in place.

At the time, crises large and small were multiplying and compounding all around us, and by and large they were not accidental. They were part and parcel of the deliberate war build-up strategy of the Bolsheviks in America. By turning the world into a cauldron of crises, they were setting the stage for NUCLEAR WAR NO. ONE. The entire world was filled with unrest just like the uneasy Balkans just prior to World War I. Has the confusion lessened?

World War I was set off, seemingly by accident, by the assassination of Archduke Ferdinand of Austria by terrorists.

When the space shuttle *Columbia* took off on its ill-fated flight on April 12, a fleet of special airplanes were aloft to help track it. The U.S. was depending heavily on its fleet of advanced range-instrumentation aircraft. These were flying radar and communications stations known as "Froop Snoots" for their huge bulbous nose. This special airplane was a modified military Boeing 707, designated *EC-135N*. When

they were not involved in space shots, the *EC-135Ns* also have many other uses, including the tracking of Russian satellites. There were only a few of these *EC-135Ns*, so they were all very important. When the space shuttle *Columbia* took off in April, there were only eight of them.

The Space Shuttle Program was an indispensable key to the underway war plans of the Bolsheviks, and the *EC-135Ns* were crucial to the Shuttle Program. On May 6, 1981, an *EC-135N*, nicknamed the “Boss Hog”, took off from its base in Wright-Patterson Air Force Base, Ohio. It headed east on what was to be a routine training flight. As the modified 707 flew eastward, it was heading for an unexpected rendezvous.

Hovering high over the rolling hills of western Maryland, a lone Cosmosphere was waiting for the Boss Hog. At 10:51 A.M. Eastern Time the pilot of the jet radioed the words “Flight level 29” to controllers on the ground. The plane was at 29,000 feet. Moments later the Cosmosphere fired its Charged Particle Beam weapon downward at the jet plane passing miles below it. The beam blasted a hole through the top of the fuselage and another out through the bottom. Explosive decompression emptied the cabin of its air. The blast also set off a secondary explosion, turning the jet into a ball of flames. At the same time control cables through the tail were destroyed, and the jet turned violently nose down. Instead of gliding to a crash many miles away, the ruined airplane dropped like a rock, almost straight down. Radar traffic controllers were startled to see the plane disappear suddenly from their screens, but it was all documented. It was all over before they even knew anything had happened, however. On the ground, eye witnesses heard a boom-boom-boom, and moments later a giant ball of fire came screaming downward out of the clouds. For at least ten minutes small pieces of debris from the plane kept settling earthward for miles around.

In any air disaster as violent as that one, the investigation usually extends over a period of months—but not this one. On Friday May 29, just over three weeks after the crash, the Air Force quietly announced that its investigation was already over and there had been “some type of pilot error” doing something to the whatchit which engaged the wrong whichit and poo! The Air Force knew what had blown their radar plane out of the air, but they also declared that “for the time being the results would not be made public”.

While the Air Force was still reeling from the crash of the valuable *EC-135N*, it became the Navy’s turn to have some fun. Is any of this beginning to allow you to piece together what “probably” happened to all those naval excursions? How about gun turret blow-outs, etc? The particle beams ARE SO EXACTING THAT THEY CAN BE SHOT RIGHT INTO A JET TURBINE—IN FLIGHT. Once again Russia’s target was a highly sophisticated electronic warfare jet. The plane involved was an EA-6B Prowler based on the nuclear supercarrier, *USS Nimitz*.

On the night of Tuesday, May 26, the *Nimitz* was engaged in night-landing exercises just off the East Coast. Carrier landings are always dangerous, and night landings especially so; but the EA-6B has a special advantage. It is equipped with an Automatic Carrier Landing System to permit safe landings even in conditions of zero visibility. Partly as a result, the Prowlers are known as some of the safest of all carrier aircraft; but on the night of May 26 one of Russia’s new Jumbo Cosmospheres was hovering high above the *Nimitz*. It was one of the two which are armed with a Neutron Particle Beam.

As the EA-6B approached the *Nimitz* to land, the Cosmosphere waited. At a critical moment of the final approach, the Cosmosphere fired. The invisible neutron beam instantly killed the crew of three and

temporarily deranged the airplane's electronic systems. **[H: Still wonder what might have happened in North Korea as the crew of the downed chopper couldn't figure out why they were off course? How about all those nice airplanes going down all over the map—due to “possible icing”—in the South yet, where there is no ice! WAKE UP! Instruments (from your own technology and this WOULD BE FROM YOURSELVES) can be made to read anything or nothing. The right electromagnetic pulse can kill every electronic system aboard ANY plane and one tiny focus of one of these light lasers can permanently BLIND anyone—like the cockpit crew! The point WOULD BE to make you think that either the “enemy” or “aliens” are tampering—the parasitic beast will DO ANYTHING!]** Being suddenly without guidance, the jet veered to the right and crashed into a deck full of airplanes. The toll: 14 dead, 48 injured, and 20 aircraft destroyed or damaged. It was the Navy's worst flight-deck disaster since the early 1950s.

U.S. TAUNTS RUSSIA

During those times there was a lot of hocus pocus about “national security”. What did that mean? Could there be any such thing as National Security without National Survival? Funny thing—our leaders kept telling us that the threat to our security was Russia. Then, while we were not looking, **they turned right around and TAUNTED THE RUSSIANS . Here is an example.**

The supercarrier *Nimitz* entered port only very briefly after the fiery crash of the *EC-6B*. It entered port on May 28 and left again just two days later, May 30. The official story was that it was heading for the Caribbean for continued exercises.

The *Nimitz*, however, was ordered to the north, not to the south. In a drastic departure from normal procedure, an American carrier group was ordered into the Norwegian and Barents Seas, right on the doorstep of Russia. The deployment was expected to be brief, but it was indeed most dangerous to say the very least. It was an insane act of bravado by the American Bolsheviks, like walking up to a bully and throwing salt into an open wound.

The Russians had had their day and felt no need to push their advantage but undoubtedly there would come a time when the push would go too far.

LIES: BIG THEN AND BIG NOW

The lie of National Security was as big a lie then as it is now. The more we pretend to spend on National Security the less security we can achieve. Those who secretly control America's destiny (and thus the world) cannot stand the truth and this is why only the truth can begin to loosen our bonds.

There was so much going on at this time that I do not have time to even begin to mention it all, in Iran, Central America, Israel, etc. In January, 1982, Russia renewed geophysical warfare involving weather modification and artificial earthquakes—something which is going on now more than ever. Parts of Canada suffered such extreme blizzard conditions that a “National Emergency” was declared.

For over four years Russian electrogravitic weapons platforms called Cosmospheres had been hovering high over the U.S. They first announced their presence by creating giant air booms along the coasts. Their number continued to multiply and they patrolled continuously over all types of American strategic

target areas.

Our American Bolshevik planners planned to shoot down as many Cosmospheres as possible using high-power lasers, when war came. Until late 1981, it was all but impossible for us to even detect the presence of the Cosmospheres floating overhead. They were invisible to normal radar, except at very close range, but by late 1981 one crash weapon's program had come up with a system that could sometimes detect the spheres and allow laser aiming. The new technique was called "Computer-Enhanced Infrared". It was an extremely sensitive means of detecting the heat radiation given off by Cosmospheres. It was recognized by the acronym CEIR (pronounced seer).

On the evening of January 12, 1982, a complete operational test was carried out against a Cosmosphere which was patrolling high over central New Jersey. CEIR was used to aim a ground-based high-power laser at the Cosmosphere; then the laser was fired. A section of the Cosmosphere erupted into blue-green flames. As the flames started to spread, the crew accelerated the Cosmosphere toward the coast because all Cosmosphere crews are under very strict orders to make certain that their craft NEVER fall into non-Russian hands, and they were making for the sea post haste. The stricken Cosmosphere, trailing blue-green flames, was seen over a very large area of eastern Pennsylvania and central New Jersey. It had been hovering at an altitude of more than 40 miles, but it came down fast. Its semi-rigid shell started crumpling. It passed over Atlantic City at low altitude and plunged into the water just a few miles off shore. Many witnesses watched as the remains of the Cosmosphere burned, floating on the surface of the water for some ten minutes. The whole incident created a sensation in the local region, but official Government spokesmen treated it all as a usual non-event!

The first downing of a Cosmosphere created shock waves in the Kremlin. It was decided very quickly that a clear message would be sent to the Pentagon that they would pay dearly if the incident should be repeated. The Russians knew that a laser had shot down their Cosmosphere so the very next day (January 13) an Air Florida Boeing 737 jetliner Flight 90 with laser warfare specialists aboard was caused to crash in Washington, D.C. The plane crashed into a crowded bridge, broke into pieces, and sank into the river moments after takeoff from National Airport during a snowstorm. The crash claimed the lives of 74 of the 79 persons on the plane and 4 others in vehicles on the bridge. Perhaps you remember seeing some of the rescue attempts.

Isn't war fun?

FOLLOW-ON CRASHES

Then followed a string of crashes and near-crashes—all of them supposedly unexplainable. All four Air Force Thunderbird demonstration jets were made to crash. A Boeing 737 in California dropped far below its flight path, seemingly without cause, and narrowly missed disaster as it clipped some power lines. And strangest of all, a Japan Air Lines DC-8 crashed into Tokyo Bay on February 9th during the final moments of its landing approach. It was a perfect flying day, clear and sunny. The DC-8 was only 1000 yards from touchdown, flying in a gentle glide. There were no mechanical problems. Suddenly, the pilot acted as if he were dazed. Reportedly he reached over and reversed thrust on two of the four jet engines. The big jet nosed downward; it smashed into light stanchions marking the approach path and crashed into the shallow water; 24 persons were killed and some 150 others were injured. Later, in the hospital, the

pilot said he had blacked out. The co-pilot reportedly said he, too, suddenly felt woozy, but fought it and remained conscious.

Suddenly there was a release of information regarding UFOs and cover-ups of alien visitors and thus and so.

NEUTRON BEAMS

Neutron beams disrupt electronic instruments and also the mental and nervous systems of people. The Russians were saying to the American Bolshevik Pentagon in effect: “If you shoot down any more Cosmospheres, there would be no place to hide.”

In February of 1982, there were three main Power Factions struggling to become king-of-the-hill. One faction was that of the Rockefeller cartel—the multinational complex of Big Oil, Big Banking, and Big Business.

Another faction was the Bolshevik-Zionist Axis with headquarters shared between New York City and Jerusalem.

The third faction was that of the NEW rulers of Russia who had expelled most of the Bolsheviks formerly in power there.

ROCKEFELLER-RUSSIAN CARTEL

A new operational relationship was in the works between Russia’s new rulers and the Rockefeller cartel. The arrangement, however, fell far short of the prior closeness. The new arrangement was one of, basically an agreement not to damage one another as a matter of deliberate policy. The prime objective was to free both of them (the Russians and the Rockefeller cartel) to deal with their now mutual enemy, the American Bolsheviks who had infiltrated key policy-making government positions in Washington. The main area in which the Rockefeller cartel could be helpful to the Russians was in the economic sphere. The American Bolshevik-dominated foreign policy in the U.S. was a policy of economic starvation against Russia and her satellites. The Rockefeller cartel was in a position to partially blunt those policies by cooperating with Russia in the East-West trade.

American Bolshevik economic warfare against the Soviet bloc was most apparent right then in the plight of Poland. The American Bolsheviks were finally succeeding in using the Solidarity Labor Union to push Poland into martial law. Martial Law was being used as an excuse to make the Polish people suffer even more at America’s hands. A thinly disguised food embargo was in place by the U.S. against Poland. Even chicken feed was being held back in order to create disaster for Poland’s own chicken farms. Everything possible was being done to drive the Polish people to such desperation that open revolt would erupt.

The collapse of Poland posed a military threat to Russia and was an economic drain as well. Russia’s new rulers were working with an unwieldy, centralized economy left behind by the expelled Bolsheviks. It

could not be changed overnight so the Russians were vulnerable to economic warfare. In order to avoid economic disaster, the Russians were pushing hard for new ways to raise hard Western currency. One such move was a major coup in U.S. Treasury securities but, for the long term, the Russians wanted to establish more stable and mutually beneficial economic ties with the West.

SIBERIAN GAS PIPELINE

The centerpiece of Russia's economic drive became the Siberian gas pipeline for Western Europe. It was a 25-billion-dollar project, the biggest ever between the Soviet Union and the West. It would be completed in 1984. The Bolsheviks were trying to completely stop the pipe line project, but the Rockefeller oil and business cartel was working diligently to assist the go-ahead of the project. In mid-February the U.S. Chamber of Commerce, a long-time Rockefeller public relations organ, went public about the pipe line. It called the Reagan embargo against pipe line equipment a strategy of economic warfare against Russia. The "Joint Economic Committee" of Congress endorsed the pipe line project and in Europe, American multinational oil companies were lining up in support of the gas pipe line—all of them, that is, except one, Mobil Oil. Unlike the other members of the Rockefeller Big Oil cartel, Mobil Oil in West Germany had been publicly opposing the gas pipe line which, of course, was most interesting in itself.

To the Russians the gas pipe line was a matter of economic survival and, with all-out war on the horizon, the Kremlin had no patience with those who said one thing and did another. The Russians regarded Mobil's position against the pipe line as a double cross, in effect siding with the Bolsheviks in America. Russia's rulers decided to give Mobil Oil strong reasons to rethink their position, and fast.

On Thursday, February 11, the Russian container ship, Mekhanik *Tarasov*, departed from a port in Quebec, Canada, bound for Leningrad. It headed northeast up the St. Lawrence River, then out through the Gulf of St. Lawrence into the Atlantic. After skirting the south coast of Newfoundland, the *Tarasov* set course east by north-east. Its course was chosen to take it very close to the world's largest semisubmersible oil rig, passing it on the south. Guess what?—the rig was the Ocean Ranger, operated by none other than Mobil Oil. It was supposedly unsinkable—just like the *Titanic*.

The *Tarasov*, like many other Russian merchant ships, possessed a military capability that was not admitted. As it neared the giant oil rig in a mounting storm, it launched a homing torpedo with a low-yield nuclear warhead toward the rig. Just before 1:00 A.M. Monday morning, February 15, the torpedo reached its target, one of the giant underwater pontoons. Nuclear explosions under water are far more confined than those in the air, and this one was well hidden by the hurricane-force winds and pounding waves. A hole was blasted in the pontoon, and the Ocean Ranger started settling toward the side. The crew gave a trouble call by radio; half an hour later they reported that they were manning the life-boats. But the Japanese-built *Ocean Ranger* was designed to be the world's most unsinkable oil rig! A corner of the upper platform dipped into the water and then stopped. The rig stayed afloat, listing at a crazy angle. The roughnecks stopped boarding the lifeboats, hoping the boats would not be needed, after all. Then a Cosmosphere hovering above the rig took aim at the corner of the rig which had dipped into the water. A powerful blast from its charged particle beam weapon blew a hole in the partially submerged corner. Immediately, the *Ocean Ranger* heeled over and sank. It went down so fast that it was too late for lifeboats to be launched successfully, and all hands were lost.

The freighter *Mekhanik Tarasov* continued on course after sinking the oil rig. The Russians expected that the freighter would be long gone before anyone figured out what had happened—but they miscalculated! At around 2:00 P.M. that same afternoon, Monday, February 15th, an American attack submarine was closing in on the *Tarasov*. The sub fired a single torpedo at the *Tarasov*, hitting it broadside. Water surged in through a giant hole below the waterline, and the freighter started sinking. Like the crew of the *Cosmosphere* that was shot down over New Jersey, the crew of the *Tarasov* had strict orders to protect the secrets of their ship; and so the Russian captain refused assistance from a nearby Danish freighter as his ship sank with its secrets.

Well, Mobil Oil certainly got the message and, just two days later, Mobil Oil shut down the other two oil rigs which had been nearby and towed them ashore.

I recommend you take a second look at all the “oil spill” accidents that have been happening. **[H: I certainly concur!]**

[END OF QUOTING]

Let us take a break, please.

CHAPTER 6

REC #1 HATONN

SUN., JAN. 8, 1995 11:44 A.M. YEAR 8, DAY 145

SUN., JAN. 8, 1995

DID YOU DO “YOURS” TODAY?

What is it that you WANT? This may well be an offensive message to many of you. It will be a blessing to those who do their job.

I watch my people ready to quit because of the pile of letters—many of them complaints—that pour in upon us. MOST are filled with thanks and more and more and more information to help us bring forth the IMPORTANT and priority things of a given moment, day, week, year, decade and so on. However, what I watch happening is just the opposite in possibility actions.

Most letters petition to “get something”, complain because nobody listens, nobody seems to want to do anything, “I don’t know what to do” and “Tell us what to do” and so many other petitions as to boggle the mind. Then, I get letters and letters and letters complaining of Russbacher, Jackson and thus and ones and “are they for real?”, “can we trust...?”, “...he/she/it hasn’t proven anything,” and, “...so far he hasn’t done anything! and I don’t believe ‘he’ will...” So? I repeat “SO?” WHAT HAVE YOU DONE? No, I MEAN IT—WHAT HAVE **YOU** DONE?

What do I get back? “Well, I meant to write but I didn’t have any stamps,” (except, of course, to send complaint to us). “I did write once and you (Dharma) didn’t respond! So, when you get back on duty, I will get back on duty!” or, “Well, I just don’t think it will help to send letters to Guy Tucker in Arkansas who is probably as bad as all the rest.” He is worse than MOST OF THE REST. We KNOW ones who have been present at his cocaine snorting parties WITH Clinton! Then, “How do we know that Snell isn’t pretty bad and deserves where he is?” He may well be—but how do you have such assumptions? He was not treated fairly. Why do you want any part of us—we haven’t really proved anything to you, personally, either.

Then the big one these days: “Ronn Jackson just couldn’t get the amount of mail he claims!” OH? HOW MUCH HAS HE GOTTEN FROM **YOU**? If you judge by what Dharma (Doris) has sent him—he has gotten no mail AT ALL! How many letters have **YOU** sent to him? How often have you sent in your petition for a whole new government? HOW MANY? How many of your neighbors have sent in the petition? Oh? And don’t **YOU** know how to spell your neighbor’s name and stamp an envelope in his behalf? If everyone had sent one petition a day just one of you would have mailed in eight already this year. And, you would have sent eight “stay” requests to Guy Tucker and that multiplied by just the ones around in our close connections would amount to over 500 to EACH! But, did **YOU** DO IT?

Oh, I see, you were busy doing something else? OH? What could be more important than your nation’s

life or that of your brother? WHAT could be more important? Do you think that because I tell you all to write, write and write to allow us to WIN WITH BALLOTS, THE PEN AND NOT BULLETS—that SOMEHOW that DOES NOT MEAN **YOU**?

A STEP FURTHER

I can go a step further here—Dharma is exhausted but not from work! Work is fulfilling if you are working FOR GOD. It is from the testing, the opinions and the objections that cause her to resign. This week I saw to two things which would tell all we need to know.

I wrote explicit instructions regarding David Overton. EXPLICIT. It was handled in this manner: E.J. had to work on the incredible credit card mess stirred up by Russbachers so he sent it to the CLC for tending. Mitch sent it to Gene who thought it was amusing that an alien from outer space wouldn't know how to handle such an interesting thing and said he would talk about it Sunday. OH? There is a whole bundle of NEW 'Stuff' today and the advantage is lost—LOST! I would like you to think a minute around this place—where do you go, who do you call when your check is due?

Next comes a wonderful letter from Kathleen Stevenson regarding her experiences of a lifetime with Walter Russell. For goodness sakes she was standing as he materialized after transporting invisibly the length of a football field. Dharma sits to thank people for the gifts of love she has received and wrote about this letter which “blew her away”. She offered to continue the struggle with US&P if that is what YOU would wish—for she has NOTHING left to give. The response to her personal writing from E.J.? “Mitch will have a bird when he sees this one...” And then, without even finishing one of the sentences—E.J. about had a bird and shouted, “What are you doing? We are trying to...” I ask all of you: WHAT ARE YOU DOING?

HOW CAN YOU ASSUME THAT RONN JACKSON HAS NOT GOTTEN SO MANY RESPONSES AS YOU WOULD GUESS? BECAUSE YOU HAVE NOT SENT ENOUGH!!! I can tell you without hesitation—the ones who have sent anywhere from one to a hundred or more, who had a “drive” and had public gatherings on the matter, will feel 22 million pieces of mail ARE NOT ENOUGH!

WHAT, FURTHER, DOES RONN JACKSON OWE YOU? THIS NATION? NOT A DAMNED THING! IS IT NOT WONDROUS IF ONE “THINKS” HE CAN DO SOMETHING, TO OFFER, EVEN IF HE CANNOT PERFORM? HE AT LEAST STARTED A PROGRAM FOR EFFECTIVE RESPONSE. HE IS GETTING ATTENTION FOR THE RIGHT REASONS. WHY DO **YOU** REALLY WANT FUNDINGS? IS IT TO SERVE GOD, YOUR NATION, YOUR BROTHER—OR GET RID OF THE BURDEN ON SELF? HOW DARE ANYONE COMPLAIN AND DENY WHEN THEY DO NOTHING BUT PICK AT THAT OF ANOTHER.

HOW IMPORTANT IS IT?

Ah, but the one that is most fascinating is one message that I received: “I want to serve, Sir, any way I can. But I wrote a couple of letters so that doesn't work.” Well, GOD should have “QUIT” when he told you to write and write and write—and you never wrote once much the less more than once—but continued to polish your pistol in case you have to “defend” yourself. “Sorry God,” you say, “but I have to clean my gun

today and I only have twenty minutes before the ball game starts!” followed by, “What has our nation come to?”

So many think when I respond that I couldn’t possibly be speaking to “You” because, after all, you work all day or night or both on the paper or the reading (and those papers are so long that nobody can get through them) and on and on and on—poor babies.

Your world is in the mess it’s in because YOU did not think YOU needed to do anything—after all, YOU believe in God. Well, so does the child in Bosnia that just got blown to kingdom come—over set up murder called WAR!

YOU ARE IN SUCH SERIOUS TROUBLE THAT I PERSONALLY DO NOT SEE THAT YOU WILL ACT TIMELY ENOUGH AND PROPERLY TO PULL OFF A CHANGE—AND I CAN SEE A VERY LONG WAY SO THIS SHOULD DISTURB YOU A BIT. NOW THIS IN ITSELF WILL CAUSE ONES TO SAY, “SEE HE IS NOTHING BUT A FEAR MONGER—AND THERE ISN’T ANY ENERGY THERE—JUST A MIDDLE-AGED WOMAN BLABBERING OVER HER PERCEPTION OF LOVE AND QUALIFIED COMMANDMENTS.” “FEAR MONGERS, THAT’S ALL THEY ARE!” Good grief, do you not see a few things to be FEARFUL of around you?

What if YOU had written Guy Tucker about Richard Snell—every day since we offered this to you? Well, it would be further along than it is and it is already doing its work. Bill Clinton left Washington D.C. at the very worst time he could choose to GO TO ARKANSAS TO MEET WITH TUCKER—OVER RICHARD SNELL. THEY ARE ABOUT TO HAVE A BLOW-OUT. FIRE FROM THE SKY—came THROUGH Snell. Snell knows enough already but, people, THIS IS DEADLY MATERIAL FOR THE POLITICIANS. IT GOES ALL THE WAY TO THE SPILLING OF INFORMATION THROUGH DR. PETER BETER ABOUT THE SPACE PROGRAM, ETC. BETER JUST TOLD WHAT HE WAS TOLD—THESE ARE THE PEOPLE WHO EXPERIENCED IT FIRST HAND!! WE HAVE WRITTEN ABOUT IT UNTIL WE ALMOST GOT DHARMA KILLED OVER IT—BUT THESE ARE THE REAL **PEOPLE** WHO WERE INVOLVED AND **KNOW**!!

The UFO information and Bases information from Norio Hayakawa are incredibly important. Do you not see that we are hooking up the genuine parties with one another so that YOU CAN BE HEARD and the LIES DISCLOSED WITHOUT COVER-UP CAPABILITY.

What will YOU do or say? “Oh, well, I was there and even met that one”...or that one...or, or. Met them? Wrote about them? But what did you DO?

You wait for me to get something finalized or done? Well, I repeat: AM NOT GOING TO DO A THING! IF YOU WANT THINGS CHANGED YOU WILL DO IT—NO MORE AND NO LESS. I will bring the word and see to the Truth—but I am not going to write the letters, shoot the paper bullets or anything else other than KNOWLEDGE and WISDOM OF ACTIONS. If it were MY war it would indeed be short—I would just zap it away and begin again with my perfect creation and, oh yes, “short of God”, I CAN DO THAT!

I not only ask you not to judge someone who may or may not be involved—I PLEAD WITH YOU NOT

TO DO SO! If, say, Ronn Jackson is good enough for GOD in whatever he is doing—IS THAT NOT GOOD ENOUGH FOR YOU? I told you at the outset to not make a guru of some sort of Ronn Jackson. Why? Because it is NOT FAIR TO HIM! You keep looking for MAGIC and when the persons YOU SLOP THE BURDEN OVER ONTO cannot perform as YOU DESIRE—you dump them like hot potatoes. I even find it amusing that a world goes into convulsions of laughter when your (should be) respected Vice President spells potato with an e on the end. Well, if Potatoe is not acceptable then why is Potatoes? When you pay attention to that which MATTERS—then and only then will you be WORTHY of handling a world in freedom. How far would your world of ignorance or goodness get if placed in YOUR HANDS THIS DAY? WELL, RONN JACKSON KNOWS EXACTLY WHAT HE WILL TRY TO DO—DO YOU?

What I really get back from ones who love Dharma is, “What if Ronn is REALLY just out to get rid of Dharma and the paper, and, and, and?? Wouldn’t it just mean we are helping him to do something worse than he has already done?” Oh my goodness, with that statement you have SAID IT ALL! Number one, you have no faith in GOD! Number two, you certainly do not BELIEVE THAT I AM HERE IN FRONT OF MY SECRETARY! And 3—that means that you don’t really have faith, trust or belief in GOD OR ME! And, if you do not have this reverence—you don’t give a damn what happens to Dharma because you are here for the WRONG REASONS.

GOD

Nation is not enough! Goodness is simply not enough! All can work toward these things and in the journey find God! However, when goodness is done to simply serve self or your own intended goals—you have missed the point of your journey. If you claim to serve God but actually only serve Self—the direction is wrong. Why? Because God tells you to focus on HIM first, last and always and ALL THINGS ABUNDANT SHALL BE GIVEN UNTO YOU! Ah—but HE DEMANDS FIRST SLOT! You cannot just sort of think you are sort of headed towards doing something good or something about something. You have to do everything in your intent IN THE INTENT OF GOD. Serve GOD in truth and always FIRST and what is not added unto you will never be missed! HE did not tell you to go sit on your backsides and do nothing—he said a man is JUDGED BY HIS ACTIONS! Ponder these things. **THIS IS NOT A RELIGION! THIS IS YOUR SOUL IN JOURNEY AND TRANSITION—WHERE WILL “YOU” SPEND THE “FUTURE”? WHERE ARE YOU SPENDING THE “NOW”? HOW DO YOU THINK IT WILL WORK IF YOU ONLY READ AND TALK “ABOUT” A THING WHILE COMPLAINING THAT THINGS ARE SO “BAD”? QUIT ASKING ME AND/OR MY SECRETARIES (PLURAL) WHAT WE ARE GOING TO DO. WE ARE NOW ASKING YOU: “WHAT ARE YOU DOING OR GOING TO DO?” WHEN YOU START ACTING SO THAT EVERY ACTION IS DONE BECAUSE IT IS THE “RIGHT” THING TO DO YOU WILL FIND NO HARDSHIP, PAIN AND RESTLESSNESS. DO THAT WHICH IS RIGHT BECAUSE IT IS RIGHT—AND YOU WILL FIND YOUR WORLD CHANGING BECAUSE NO MATTER WHAT YOU THINK MAY BE AN OUTCOME (SAY, YOUR FRIEND TURNS FROM YOU), YOU WILL KNOW WITHIN THAT YOUR ACTIONS WERE RIGHT AND THE FRIEND WAS NO FRIEND. IT IS TRUTH WHICH YOU FEAR TO FACE AND YET IT IS TRUTH WHICH IS THE ONLY AND PERFECT STRENGTH.**

I watch ones EVERY DAY who claim to be and feel all these things that I have just outlaid for your

inspection—only to see them read, agree and then go forth and do the very thing they intended to do all along—and blame the other for the foolishness. You do it TO EACH OTHER. Estranged and divorced parties DO IT CONSTANTLY—AND BRING THE CHILDREN INTO THE HELL OF THE MOMENT—AND THEN WONDER WHAT WENT WRONG WITH THE “DAMNED CHILDREN OF TODAY”. IF YOU HAVE SEVERED THE RELATIONSHIP FOR WHATEVER REASON—LET THE OTHER LIVE THAT YOU MIGHT LIVE! STOP THE PICKING AND INSANITY FOR IT IS TAKING THE TIME YOU COULD BETTER SPEND MAKING SELF TO BE THAT DESIRABLE ONE INSTEAD OF THE HELL ABOUT THE SHOULDERS! IF YOU ARE NOT MATURE ENOUGH TO DO THESE THINGS—HOW DO YOU THINK THE WORLD **SHOULD** BE?

Think about these little things you do and multiply THAT ACTION and THOUGHT by 6 billion doing and thinking the same thing—and what do you have? Well, because these “little things” are THE THINGS which are nabbed onto by the old Satanic Warden—and that is what is produced in your world. Ponder it most carefully for perfection is not expected—but wouldn’t it be nice?

If you are depressed and spend time thinking of SELF—you are not busy enough! EVERY TIME!! When you are working diligently at your task toward goodness—you do not have TIME TO SPEND IN DEPRESSION!! IF YOU CAN’T GET RID OF THE DEPRESSION—GO WRITE TO RONN JACKSON, RICHARD SNELL, MICHAEL MAHOLY, BILL CLINTON—GO **DO SOMETHING POSITIVE TO MOVE YOU TOWARD FREEDOM AND SUCCESS—NOT SELF-PITY AND DIGGING UP EVERY LAST MISERABLE TID-BIT TO INSURE YOUR ABILITY TO STAY IN YOUR MISERY!!** When you stop constantly thinking about nothing save yourself and how everything seems to be out to “get you”, you will start growing beyond your most outrageous dreams and every positive step is rejoiced over again and again, and in that glory more and more steps are made toward change into that glory. When you refuse to use and do the things we offer that you do—YOU HAVE NO RIGHT TO NAG, COMPLAIN OR MOAN AND GROAN OVER ANYTHING THAT HAPPENS TO YOU. DON’T TELL ME, FOR INSTANCE, THAT MY PROGRAM FOR WEIGHT LOSS DOESN’T WORK. “IT” WORKS.—”YOU” DON’T! KNOW THE DIFFERENCE!!

Let us leave this for now as we run short of time. Thank you for your attention. Remember: God does not have to prove a thing to you—YOU HAD BEST START PROVING YOUR GOOD INTENTIONS TO GOD!

CHAPTER 7

REC #2 HATONN

MON., JAN. 9, 1995 12:27 P.M. YEAR 8, DAY 146

MON., JAN. 9, 1995

No matter about people's "druthers", Dharma, let's go right on, please, with *FIRE FROM THE SKY*. Whether or not people "want" to believe—it is upon you; the time is now and the door of opportunity to salvage your nation under God and *Constitution* is slipping away. Ones who come NOW to participate will have been sorted into the truth-bringers and the misinformation touters. The workers MUST recognize our presence and understand our alliance. Thank you, for it means a lot of hours of work to get through this document timely. I need it prior to the coming week-end if at all possible.

We will continue to work at getting Ronn released for I would like him HERE next Sunday if at all possible. The key players MUST get to know one another—now!

FIRE FROM THE SKY
by "One Who Knows"

[QUOTING, PART 9:]

RUSSIAN COMMAND OF SPACE AND THE MOON

On February 5, 1982, Vice President Bush made himself conspicuous by a trip to Cape Canaveral, Florida. He was photographed with astronauts inside the European-orbital science laboratory called "Space Lab". It was planned to place Space Lab into orbit by space shuttle in late 1983. Bush also announced that Space Shuttle flight No. 3 was scheduled for March 22, 1982. It was supposed to be a week in duration.

For public consumption, NASA spokesmen were continuing to pretend that the shuttle was merely carrying out leisurely test flights. We were told that the Space Shuttle Program was basically a peaceful civilian program in spite of the all-military crews flying the shuttles. But the peaceful image of the Space Shuttle Program was a total lie. The fact was that the space shuttle flights under way were a part of a crash, er, sorry about that, program by the U.S. to regain a military toe-hold in space.

The United States had been virtually locked out of the military use of space by the Russians since late 1977. Russia's domination of space for those prior four years and longer had been highlighted by numerous manned space flights. Those included cosmonauts from nine countries other than Russia. Meanwhile, the U.S. went more than five years without admitting to any manned space flight attempts. The Russian, long-duration space spectacles in Earth orbit were sufficient to build Russia's prestige in the public eye but the Soviet Space Program involved far more than was revealed publicly.

Since mid-October 1977, the Moon had been a Russian outpost. There were seven manned long-range particle beam installations on the near side and at least one large base on the far side. In the past, regular missions were flown to and from the Moon in order to resupply the bases and rotate crews, and slowly but surely, the Kremlin was inching its way toward breaking the news about its control of the Moon. They were already beginning to drop hints about it as in the example of a publication circulated in the U.S. called *Soviet Life* in February, 1982. It stated: "Today spaceships shuttle between the Earth and the Moon with greater frequency than did the first voyages to the New World."

At the top of the page was a nighttime photo of a moonship ready to blast off from a Russian Cosmodrome. Below was a picture of the Earth as seen from space, and in between was a statement in bold type designed to give another hint about the moon flights which stated. "From a distance of 70,000 kilometers above the Earth, the planet looks peaceful and even defenseless. The common goal is to protect our blue and green home."

Friends, "satellites" are not used at altitudes of 70,000 kilometers. The highest orbit that is generally useful for Earth satellites is the geosynchronous orbit for stationary satellites over the equator. Seventy-thousand kilometers is almost twice that far from the Earth. The only time when a spacecraft reaches that far from the Earth is when it is on its way to or from the Moon or another planet.

Russia's interest in space extended far beyond military factors. The plans of Russia's new rulers were for the colonization of the solar system. Those plans were moving ahead steadily; in fact, at that time there were two Russian spacecraft approaching the planet Venus and sending back a steady stream of reports from the men aboard.

The Russians settled on Venus first, not Mars. It was the first target beyond the Moon for experimental colonization. Now do you better understand the inability of our government to allow a "Hubble Telescope" into space? The Russians first started landing unmanned craft on Venus in 1975! They learned some key facts that were yet unknown to the U.S. in 1982 when the Shuttle Program was starting up.

In 1978 the Russians began a series of increasing long-duration manned orbital space flights which were widely publicized. Those were gradually extended to six months and more to learn how well crews would stand up to interplanetary space travel. Late in 1981 those long-duration orbital flights were completed. The Russians had learned everything they really needed to know.

On October 30 and November 4, 1981, two Russian spaceships blasted off for Venus. Both ships were manned by Russian cosmonauts, and both were prepared to land on Venus by early February (the first week) of 1982.

The comparison between the space program of the U.S. and Russia was a study in tragic ironies. Americans were being told that the space shuttle was primarily a civilian-oriented project, but it was actually military. We were being told that it was the world's first reusable spacecraft, but a shuttle was actually being lost on every flight. We were being told that the space shuttle had put us years ahead of Russia, but we had actually slipped years behind. We were often told that our Rulers wanted only peaceful activities in space, but they were shutting down almost all of the entire civilian scientific space program. Funding was continuing for one or two peaceful projects which were too visible to cancel without an

uproar, such as the space telescope. The follow-on projects to explore the solar system were being lopped off and discarded because they contributed nothing to our leaders' plans for war.

[H: I should point out here, so that you do not longer misunderstand as we write about a “prepared” show for you people about “space aliens” and need to protect selves in unified coalition. At first the “aliens” in space were and are the Russians, NOT THE SOVIET BOLSHEVIKS for which “Star Wars” was structured. The show and tell of the “aliens” coming is something set forth by your own Elite One World Secret Society to use, through Blue Beam, the ILLUSION of God and Christ and other spiritual leaders being projected for ALL TO SEE IN APPROPRIATE MANNER. This sets you up spiritually to expect a One World God coalesced and expressed FROM ALL THE VARIOUS “ONE” GODS. THEN, WHEN YOU ARE THOROUGHLY MYSTIFIED AND PRAYING TO THIS NEW GOD—THE ALIENS WILL BE PRESENTED IN THE SAME MANNER, BUT AS MONSTERS AND SATANICALLY EVIL BEINGS. I GUARANTEE YOU RIGHT NOW—YOU WILL BE TERRIFIED.

This has NOTHING to do with the Russians who hold supremacy in space, on the various planets, the Cosmospheres, Platforms or otherwise. This is an Earth-Planned, Earth-Bound maneuver to SELL THE LIE IN FINAL HOOK, LINE AND SINKER TOTAL.

IT WILL BE A LIE BUT HOW MANY DO YOU THINK WILL BE ABLE TO SEE THE DIFFERENCE?]

We were told that the Russians had nothing but war and conquest on their minds; but it was the Russians, not the Americans, who at that moment had two teams of spacemen ready to land on Venus. They were going there for reasons which had nothing to do with war. The Russians were exploring the land of Venus. They were going there to explore the solar system simply because it was “out there”. Russia's new rulers believed that it was man's destiny to move into space. The urge to explore that motivated their Viking ancestors of old was alive and well in the Russian Space Program. The only real prayer of equality for the U.S. was to somehow bring Russia to her knees economically and hence the orchestrated civil wars.

[H: Let us stop again and point out some VERY IMPORTANT THINGS. The battle plan is still against space and actually is STILL AGAINST THE RUSSIANS. So you might ask about how it is the Russian leaders are working WITH the U.S., as in Gorbachev, etc. You will have to either remember what we have told you or wait and read on before you jump to conclusions. As the Soviets began to really GO DOWN and the Bolsheviks shifted into the U.S. and took control of your Government, i.e. Kissinger, Scowcroft, Brzezinski, etc, THE ORIGINALS OF SUCH AS THE ROCKEFELLER BROTHERS AND MAJOR LEADERS—RIGHT THROUGH REAGAN, ETC.—WERE REPLACED BY DUPLICATES. SORRY, READERS, I DO NOT JEST. THE RUSSIAN LEADERS WERE TAKEN OUT LIKEWISE, SUCH AS GORBACHEV, ETC. AND THESE REPLICAS INTEGRATED INTO THE NEW WORLD ORDER AS LEADING FORCES FOR THE ONE WORLD GOVERNMENT UNDER THE BOLSHEVIK ANTI-CHRIST. THE LEADERS YOU SEE—ARE NOT THE SAME AS THE ONES ORIGINALLY PRESENTING. MOREOVER, THE RUSSIANS IN SPACE AND IN COMMAND OF THE SPACE PROGRAM, COSMOSPHERES, ETC., ARE CHRIST-RESPECTING RUSSIANS. Relieved? Not YET, good buddies, because the ones who control right now are THE ONES ON

EARTH—DOING EVERYTHING POSSIBLE TO KEEP YOU FROM KNOWING THE TRUTH OF IT. So what you will actually have when they claim it is the “space aliens” who are invading—it will actually be those from the Earth Command of Russia. I will tell you now, however, that the Intergalactic Space Command is in support of these units already OUT HERE. WHY? Because their INTENT is toward a ONE GOD CREATOR—not our enemy, Satan. Did you ever for a moment believe your nation of the United States of America (or any of the Americas), could come to totally serve EVIL and the Evil Empire? Look around you, beloved brothers—and then check your yellow ribbons! Look what you do! Now!! Check it out—a man pilot goes down in enemy (North Korean) territory after he couldn’t even know where he was OR that he was actually on a military mission—and what happens? A fellow pilot is killed dead and he is picked up but well treated while actually being a spy on a mission—and he is hailed as a HERO to end them all. He didn’t DO ANYTHING!! HE GOT A BROTHER KILLED AND HE IS A HERO?? FOR GOODNESS SAKE—WAKE UP. IT IS FINE TO HONOR HIS LIFE AND SAFETY—IT IS INCREDIBLE TO TREAT HIM AS IF HE HAD SAVED THE WORLD.]

I know you will find this hard or impossible to believe. It is time for the truth to come forth. Why don’t you try to prove me WRONG? Or better still, why don’t you decide to seriously find out for yourself what is going on? You might try reading SOMEBODY ELSE IS ON THE MOON by George Leonard, Little Brown & Co. Publishers Weekly said of the book, “Leonard has been clued by a pseudonymous ex-NASA scientist (his book’s Deep Throat), and his photos from the ‘haunted photo tub of NASA’, are truly mind-boggling when one begins to see what he sees: immense ‘rigs’ apparently ‘mining’ the moon; strange ‘geometricities’, markings, symbols; lights, evidences of change and movement.” **[H: Did I say that Russians are the ONLY ones on these places? I certainly DID NOT! They are full of advanced space “aliens” but your kind of “citizens” are NOT WELCOME! Your first astronauts to make it “out there” told you so and it hasn’t changed a bit!]**

Or obtain Richard Hoagland’s tapes and books such as Hoagland’s *Mars*, Vol. 3, *The Moon-Mars Connection* (“...our latest findings on the Moon”). **[H: Or cheaper and much more topic-covering, THE PHOENIX JOURNALS; they are just a GOLD MINE of myriads of topics—INCLUDING THIS ONE!]**

On February 16, 1982, the space shuttle was moved out to the launch pad at Cape Canaveral, five days ahead of schedule. This would be America’s third shuttle that was being used. The first, of course, was the real *Columbia* and was destroyed in the prior April. It was replaced by the training shuttle *Enterprise* which landed at Edwards Air Force Base and was taken to Florida. The *Enterprise* flight in the previous November was simply a stop-gap measure while a third shuttle could be extensively modified.

The new shuttle at Cape Canaveral was one of the three secret shuttles from White Sands. It had undergone extensive modification since the first shuttle disaster ten months prior. It looked the same as the original *Columbia*, at least from a distance, but the shuttle was actually far, far different.

The shuttle sitting on the pad was armed “to the teeth” for battle. The basic mission of the third shuttle was the same as that of the first shuttle almost a year earlier. Its payload was a heavily armored laser-firing robot battle station designed for space reconnaissance over Russia. Russian space weapons finished destroying all of America’s Spy Satellites nearly four years prior. That meant America’s war planners would be shooting almost blind at Russia if they began a war without somehow acquiring new reconnais-

sance data. The space shuttle was trying to solve that problem by getting a new hardened satellite into orbit. That was what the space shuttle flights were all about—attempts at reconnaissance so that nuclear war could be launched.

After each shuttle would take off from Florida it followed a long, swooping curved launch into the north in order to immediately fly over Russia. The American Bolshevik military planners believed that if they could once get their new superspy satellite into orbit, it would do the job. They were confident that it could survive any attacks by Russian space weapons long enough to radio back large amounts of reconnaissance data and once they had that information, the Pentagon would be ready to take America to war.

In the spring of 1981, the *Columbia* was destroyed before the Spy Satellite could be deployed. Likewise, the makeshift *Enterprise* mission in November was a failure, but the military shuttle planners believed it would be a different story with their shuttle No. 3 preparing for launch.

In the cargo bay of this shuttle there was a new robot reconnaissance battle station like the one previously described. There was also an additional laser mounted in the forward end of the cargo bay just behind the crew compartment. It was a hydrogen fluoride gas dynamic laser mounted vertically, aimed upward. It was equipped with a swiveling head consisting of mirrors that could aim the beam around a wide range of angles. The hydrogen fluoride laser in the cargo bay was intended mainly to protect the shuttle while it climbed toward orbit.

The *Columbia* had come under fire shortly prior to reaching orbit. Intelligence analysts in the U.S. had eventually obtained enough information about what happened to decide on installing the cargo bay laser.

As a shuttle climbs, the air grows thinner and thinner, dwindling to almost nothing long before rocket engines shut off. At the earliest possible moment, the modified cargo bay doors which had no hinges on the third shuttle, would be blown off by special explosives. As the cargo bay doors would flutter away from the shuttle, it would leave the upper half of the bay open. The cargo bay laser would be ready to fire from that moment onward. It was equipped with the same system called CEIR as previously described.

Since a laser thusly equipped successfully shot down a Cosmosphere in January, the shuttle planners believed the shuttle would reach orbit safely. Once in orbit planners believed that the main threats to the shuttle would be Russia's orbiting Cosmos Interceptors. Those manned killer satellites were responsible for sweeping the skies clear of American Spy Satellites. In order to deal with that threat, there were truly radical modifications to the third shuttle.

Whenever the space shuttle was discussed, it was always emphasized that shuttle astronauts could work in their shirt sleeves—no need for space suits because riding in a shuttle was almost like riding in an airliner. Not so this time.

When Col. Jack Lousma and Col. C. Gordon Fullerton would lift off in this shuttle, they would be in spacesuits. What's more, they would be depending on their spacesuits because their crew cabin would not be pressurized. The whole lower front portion of their ship below the flight deck had been turned into a weapons bay. As soon as the shuttle would reach orbit, the nose would open up to the vacuum of space, the nose would fold downward and back, somewhat like certain cargo aircraft whose noses fold upward

to load and unload. As soon as the nose opened up, a complex laser system would emerge. The system had five tubular sections aimed up, down, to each side, and straight ahead. Each laser tube had a swiveling mirror-head for beam aiming like that of the cargo bay laser mentioned earlier. Once deployed, the Nose Laser System would be able to fire in almost any direction, the only exception would be a narrow corridor to the rear of the shuttle.

The Nose Laser System was described as a nuclear pumped helium plasma laser with five resonators. The nuclear power pack could fire any one of the five laser tubes at a given time. It was not so powerful as the cargo bay laser but, unlike the cargo bay laser, the Nose Laser System could operate for a long time on an intermittent basis and the shuttle planners believed it would be powerful enough to disable the manned Russian killer satellites.

Under the protection of the Nose Laser System, Lousma and Fullerton were to deploy the robot Spy Satellite. As soon as it was deployed, they were to return to Earth in a small Gemini-type re-entry capsule. That part of the plan was the same as previously pointed out for the first flight. Meanwhile, the shuttle would remain in orbit.

The Nose Laser System was programmed to keep right on zapping any Russian Cosmos Interceptors that would come within range. It would continue doing so until it would be destroyed or the nuclear laser ran down, which could be a very long time. It would constitute a very dangerous nuisance in space, and the Russians would have little choice but to destroy it. The American Bolsheviks hoped the Russians would lose a lot of spaceships and men before they succeeded in doing so.

NUCLEAR WAR NO. ONE

If the military shuttle planners were right in their calculation, the third shuttle mission could turn into a battle royal in space. If they were wrong, they planned to try again. The fourth shuttle mission was already scheduled for the Fourth of July. After that, no matter what happened with the space shuttle, they were planning to go ahead anyway in setting off Nuclear War No. One.

During the holiday season of 1981 from around Thanksgiving into 1982, three major crises had besieged us. First, there were stories about the alleged Libyan “hit men” bent on assassinating top leaders of the U.S. Government; secondly there was the military crackdown in Poland; and thirdly, as soon as world eyes were riveted on Poland, came **ISRAEL’S ILLEGAL ANNEXATION of the Syrian Golan Heights.**

On the surface these three crises might appear to have been unrelated, but they were all closely related indeed, and were certainly not what they appeared to be. Each was a consequence of the complex secret war plan for the joint military junta of the United States and Israel! **[H: But it can’t hold a candle’s light to that which is going on over in those areas of the world NOW—not to mention the Bosnia and other Soviet Bloc nations AS WE WRITE—AND “THOSE” INVOLVE “RUSSIA”!!!! And yes sir, these recent earthquakes around are man-made, Japan had better pay attention and get on the right side.]**

DEATH TO THE TRUTH-BRINGER

WAR-MONGERS!
KILL THE MESSENGER

Ever since early spring of the year 1981 this war plan was reported to us, the public, **but the big cover-up would sweep over us and it would be buried for no one would listen AND THE BRINGERS OF TRUTH WERE INCARCERATED, PUT UP FOR RIDICULE OR SIMPLY KILLED AND NONE OF THE CITIZENS SEEMED TO NOTICE—WORSE, WE DIDN'T CARE IN THE LEAST TO GET RID OF THOSE “WAR-MONGERS”.**

The conflicts were intended to gradually escalate until the time would be ripe. Then an American nuclear first strike would be launched against Russia. Nuclear war would break out in such a way that it would appear to be accidental. America's nuclear forces would not realize that they were firing the first shots of nuclear war. Instead, they would be given false information that would trigger all-out retaliation against a non-existent Russian attack!

The prelude to all-out nuclear war was planned to include war in the Middle East. In the joint war plan of the American Bolsheviks and the Israeli military planners, the Middle East war was the responsibility of Israel. This was making Israel the eye of a growing hurricane of violence.

The crises continued to expand and grow outward without seeming control. Close to Israel, the top priority was to do everything possible to destroy the Camp David Peace Accords, so called. That is why President Sadat of Egypt was assassinated a few weeks prior (Oct. 6).

By early December we were being told that a group of three to six “hit men” were thought to be in the United States. It was claimed that they were gunning for the President and several other top Government officials. The U.S. shot down two Libyan jets and killed a child of Khadafy, trying to program him to behave like a madman. These plans were well laid to try to create situations to push us closer to nuclear war. **[H: In and through the entire fiasco—Carter's brother was in contact and very friendly with Khadafy. Didn't anybody notice later when Carter was President how Billy just got TOO MUCH BILLY BEER and did “stupid” things—and is now QUITE DEAD!]**

The old Bolsheviks from Russia who had gained control of America's military policies had been trying to trigger revolution in Poland. They first attempted to do so by subverting the Roman Catholic Church and already turmoil was stewing in the Vatican. About three years earlier an attempt was made to turn the Catholic Church strongly anti-Russian in its policies. On September 28, 1978, thirty-three days after his election, the newly elected pope, John Paul I, was **murdered by poisoning** and yet we were told he died in his sleep.

In my February, 1979, issue of *Doomsday Club News & Intelligence Report* newsletter, I said that there was evidence that Pope John Paul I had been murdered and that the Pope who took his place was **a KGB agent! Malachi Martin wrote a popular book about the new Pope, THE KEYS OF THIS BLOOD, but what you did not know was that Martin was a Jew using a fake name, and THE NEW POPE WAS NOT WHAT HE SEEMED TO BE, EITHER!** A book called *IN GOD'S NAME* by David Yallop came out in 1984 with proof of the murder of the previous Pope, and Lawrence Patterson in his newsletter revealed the Jew hoaxer using the name **Malachi Martin**.

For those of you who still have a copy of my newsletter, why don't you check up on me: On page 6 of the February 1979 issue I said, "The present Pope (Pope John Paul II) will not last very long. I will go on record and emphasize it—*THE PRESENT POPE WILL LAST PROBABLY LESS THAN FIVE TO SEVEN YEARS*" (emphasis copied). Ah, I goofed, you will say, because he is still there. But let me quote from a book called BLOOD AND ASHES, a Phoenix Journal, copyright 1990 [**H: Let me stop right here and now and TELL ALL OF YOU THAT NONE OF THOSE JOURNALS WERE COPYRIGHTED. BUT RIGHT HERE PROVES THAT THE PUBLISHER AND DISTRIBUTOR OF AMERICA WEST UTILIZED OUR WORK WITH THEIR COPYRIGHTS—THERE ARE NO COPYRIGHTS ON ANYTHING DONE FROM THIS PLACE SAVE A NOVEL BY "Dorushka Maerd" called SIPAPU ODYSSEY.**], published by America West Publishers, which on page 133 says: "The Bolsheviks within the Vatican who engineered his election wanted only his potentially anti-Russian image, not the man himself and so he, too, WAS DONE AWAY WITH BY POISONING AND REPLACED BY A 'DOUBLE' ON NOVEMBER 21, 1978. THE NEW 'ACTOR POPE' THEN BEGAN ISSUING A STEADY STREAM OF STIFF STATEMENTS AGAINST ALLEGED RUSSIAN REPRESSION OF POLAND.

"The American Bolsheviks fully planned to use their power in the Vatican to set off what would be known as the 'Pope's Revolution' in Poland... Russian Intelligence was able to replace the Bolshevik actor Pope with their own 'double'."

Yallop, in his book on page 301, says: "Many millions of words have been written since the election of Karol Wojtyla in attempts to analyze and understand what kind of man he is. As can be seen, he is the kind of man who could allow men like Villot, Cody, Marcinkus, Mennini, de Strobel, de Bonis, and Poletti to remain in office. There can be no defense on the grounds of ignorance. Marcinkus is directly answerable to the Pope, and it is inconceivable that the Pope could be unaware of the degree of guilt that clings to Marcinkus." Marcinkus, my friends, was a member of the Jewish Mafia in Cicero, Illinois, who eventually gained control of the Vatican's BILLIONS (that's dollars) (see book by that name, for instance) and killed the previous pope. Don't you just love religion and preachers?

[END OF QUOTING]

Please let us take a break now. I would like this to soak in a bit before moving on. It is much harder to deny NOW than when we first wrote about these things, is it not? I promise you that my job is to present TRUTH—and so it shall come to pass and with your ability to prove it for yourselves if you but look and see! Salu.

CHAPTER 8

REC #1 HATONN

TUE., JAN. 10, 1995 9:38 A.M. YEAR 8, DAY 147

TUE., JAN. 10, 1995

WHY'S AND WHATFOR'S

I must get on with the writings in progress but I must also allow you readers to take note of things which might well otherwise be lost in the shuffle.

In one instance—WATCH THE LITTLE THINGS and pay particular attention to what happens on Tuesdays and Wednesdays. Many of the papers you subscribe to as “patriots” or “informed” parties—are printed early in the week or at such time that early week happenings are often missed if they be small.

I have asked staff to utilize further information about “derivatives” and what REALLY happened—because, mainly in the municipal to Federal levels of government investments, of the rapidly increasing interest rates (6 times last year) and a PLAN TO RAISE THEM ON TO 11% TO 12% BY YEAR'S END. THE **CONSEQUENCES** OF THAT MOVE WERE TOO MUCH AND THEY HAD TO BACK OFF—BUT IT IS STILL PLANNED. The trial balloon went up and worked in Mexico—now comes the U.S. Feds (but really the Parasitic World Bank and IMF) are sending MONEY to shore up the Peso (now that the attention is a bit off the stage). When the iron is finally hot enough to handle the collapse—the interest rates will rise (probably, if they can get away with it) and with the whole government so overextended—the house of cards WILL FALL! I have to depend on others to see to it that these things are called to your attention for we simply cannot work the hours required for “me” to do it.

WHAT ELSE?

So many other things, seemingly nothings, are so incredibly important that you MUST NOT MISS THEM.

CHRISTINE JEFFREY

Never heard of her? No, and neither has almost everyone else. She was appointed a week ago to be “House Historian”. Sounds simple enough doesn't it? Newt, the new lizard, appointed her but fired her yesterday under pressure of Congressmen up in arms. It seems the lady was working back in 1986, or so, on some educational matters (committee) who received documents REQUIRING that 8th and 9th grade students have the “Holocaust” and “Jewish mistreatment” as part of the MANDATORY curriculum for the school system. There was an objection by the committee in that it was felt that, number one, this was not a particularly appropriate subject to focus on at that grade level. Secondly, Ms. Jeffrey made a bad blunder and said that in all due respect to the subject that it was totally unobjective as presented for mandatory historical presentation, that it didn't express any view of the opposing parties involved such as

the Nazis or the Ku Klux Klan (or any other people at all). She also expressed very, very briefly that even if there is great objection to these people that they are valid and they must Constitutionally have their opinions expressed. Now, that cost her the job—but, what does CNN and the Parasitic press do? They insist she not only lose her job but be disciplined for such atrocious and bigoted, anti-Semitic statements and must NEVER hold any public office or any position in ANY school system. THEY continued to say that, among a dozen different other blasts, America has no place for racism, bigotry against the Jews, claims against the Holocaust as expressed, AND, no room for revisionism. Revisionism? THEY ARE THE ONES WHO REVISED HISTORY FROM TRUTH TO THE LIES—BUT NOW THEY WANT LAWS AND INCARCERATION FOR ONES WHO THINK OTHERWISE AND DISALLOW ANY FURTHER INVESTIGATION INTO THE MATTER. IF THERE IS ONLY TRUTH IN “THEIR” PRESENTATION—WHAT COULD POSSIBLY BE FOUND IN HISTORICAL RESEARCH TO BE OTHERWISE? GET MY POINT?

This is one of the MOST IMPORTANT topics today—but it will probably be lost if we do not point it out for it seems so innocuous. It is DANGEROUS AND IT TELLS YOU ALL ABOUT THIS NEW PARTY OF REPUBLICANS YOU HAVE ELECTED. They are totally, 100% controlled by the Parasites and your new SPEAKER has already bowed and bent and BROKEN under the focus. How far do you REALLY THINK you can get in freedom with ANY of the garbage left on the heap?

REAGAN

The other, and possibly the most important, is the statement by the JEWISH biographer, Morris, about Ronald Reagan. He is DOING the biography of Reagan WITH Reagan. He announces today, and a big deal is made about it, that Mr. Reagan has NOW deteriorated (in a month) to the point he does not even recognize OLD FRIENDS. Come on, the replica is being phased OUT because the fear is that ones like Ronn Jackson are going to get free by THE HAND OF YOU-THE-PEOPLE. The truth about this “good old communicator” is so terrible that it must not be allowed any hearing. The man was involved in child molestation through the international Monarch Project. There are worse things but I can’t think of any. He also has AIDS and is, for a fact, deteriorating rapidly—because it is part of the expeditious PLAN.

It is these kind of topics which will be dropped by the end of the day—IF YOU DON’T KEEP THEM ALIVE and the hope is that by the time of the next *CONTACT* and *SPOTLIGHT* printings that it will be bogged and lost by other distractions.

Well, I can annoy you and ask you to write to Newt Gingrich and pound him to the floor. Will it help? YES INDEED! However, I am also telling you to write daily to Gov. Tucker about Richard Snell and to the Governor of Nevada about Ronn Jackson, and now the new oppression because of TRUTH—upon Maholy. The point is to bury you, increase mail costs and silence you ANY WAY THEY CAN. [See ***CONTACT* Jan. 17, 1995, page 32 & 33**]

I am sorry, citizens, you can have ALL THE CONSTITUTIONAL complaints against these people in Washington and the Seats of your local governments that you wish—it will actually make no difference if you keep only the two parties in power and try to build from the rotten foundation. You have no foundation here with which to build upon. There is NO DIFFERENCE in either place or party—they are ALL CORRUPT AND DEPEND UPON THESE TWO PARTIES TO FINALLY ENSLAVE YOU. YOU

MUST BUILD ON A NEW FOUNDATION UNDER THE CONSTITUTION WHICH ONCE LAID THAT FOUNDATION.

IF YOU DO THIS YOU DO NOT HAVE TO “ACT UP” IN ANY WAY. THE OLD WILL FALL APART WHEN THE BLOOD SUPPLY IS CUT—THAT IS “WHEN NO FUNDS GO TO THE PARASITES”. YOU MUST BUILD A NEW STRUCTURE AND THEN DECLARE IT YOUR ALLEGIANCE ONCE MORE UNDER GOD, INDIVISIBLE, WITH LIBERTY AND JUSTICE **FOR ALL!** I would suggest, further, that no man who has served with huge salary or speaking fees be so much as allowed into the NEW “OLD” GOVERNMENT AND IF HE BE A MEMBER OF THE “BAR CLUB” HE BE REJECTED FOR SERVICE. He MUST be rejected for service for he is no longer a Constitutional citizen if he belongs to that private foreign club of titles and nobility. This is just the way it IS. I can’t cause you to do anything but I shall point out these things as long as possible. Sometimes it is worthy in lessons to simply know what WENT WRONG and to lay down history in TRUTH—beyond the lies of revised presenters for their own purposes. We only present the facts and truth of history—from the coverings of those secret societies and handlers who have brought the LIES AND FORCED YOU TO ACCEPT THEM.

WHY IS HATONN NOT ACCEPTED?

Why is CONTACT, AND HATONN, not often even mentioned in publications? Because I bring things forth in such a way that when a paper, say, like *SPOTLIGHT* publishes—they have the news already and if they need more they can go to our resources freely. Believe me, readers, I AM THE MOST DANGEROUS AND CONTROVERSIAL FIGURE IN YOUR WORLD TODAY!! AND, I AM NOT YET “ON” YOUR WORLD FULL TIME. Why need they focus on something so controversial when they have got to confront every Adversarial League and Club in the world with garbage like the above. The Anti-Defamation-League (ADL), World Zionist Organization, American Jewish League (none of them “Jewish” as you think of “Jewish”) are behind it all!! I am anti-Anti-Christ and who do you think THAT MIGHT BE? I most certainly am not anti-Semitic because I am a Semite—most of you ARE! Further, the Talmudic Religion rejects Christ—by their own stance and statement. The ADL is a branch of BRITISH INTELLIGENCE—so what have you? I am the enemy of the Parasites feasting upon the HOSTS of GOD (YOU). I do not DO anything to “THEM”. I simply do not allow them longer to FEED UPON MY PERSON! AND THAT IS ALL YOU ACTUALLY HAVE TO DO—WHEN THE HOST IS GONE, THE FOOD IS GONE AND THE PARASITE HAS TO BECOME AN HONORABLE WORKER OR PERISH. IT IS SIMPLE—AND YOU HAVE A SYSTEM TO TRANSFER YOUR NATION INTO GOOD GOVERNMENT AND BACK INTO A REPUBLIC. BUT NOT FOR VERY MUCH LONGER DO YOU HAVE THE WINDOW OF OPPORTUNITY—WHEN THEY TOTALLY DESTROY YOUR CONSTITUTION AND BEAT YOU DOWN INTO SLAVERY—IT IS OVER. So be it.

It is up to you as to what you allow to happen to these examples of what goes on, between this Tuesday and next when the press rolls again! You have ones who want to lead—back them!! Stop the picking over such as Ronn Jackson—HE IS WILLING TO LEAD AND BUILD A NEW NATION. COMPLAINING AND SPECULATION WASTES TIME AND ENERGY—GET ORGANIZED AND GET IT

DONE!! OTHERS WILL JOIN YOU, OF HIGH INFLUENCE AND RANK, WHEN THEY SEE IT CAN BE DONE AND THEN THE TERRIBLE BURDEN OF TRYING TO DO IT ALONE WILL LESSEN.

When, for instance, ROSS PEROT FINALLY REALIZES THAT EVEN THE ROCKEFELLERS HE “THINKS” HE KNOWS ARE SIMPLY RESTRUCTURED REPLICAS—HE WILL CHANGE HIS DIRECTIONS AS WELL. I only use this for example for I have no opinion about Ross Perot as such. Do not confuse the two—truth and possible opinion.

Ronn is now under way with a newsletter. I hope you ones will support him until such time as our work can be merged and become a single voice for freedom. You see, he knows me—but I am a problem to those who would listen if it were not for my input. He is shrewd—and that is what God expects of ALL of you—not “druthers” and “I wish it were different”—and capable of putting aside the drivel and get on with the work the best way possible. But believe me, it is better that “I” and other recognized writers continue the truth about Parasites, etc. Anyone can get away with carrying information in independent press—FOR A WHILE—if it is not presented as PERSONAL presentation. YOU may have problems with Ronn Jackson—I DO NOT! AND, EXCEPT FOR CONVENIENCE—IT DOESN’T REALLY MATTER WHETHER OR NOT HE IS “FREE”. HOWEVER, WE COULD MOVE EVER SO MUCH FASTER IF HE WERE. WE LEARN, HOWEVER, TO WORK WITH THAT WHICH “IS” AND NOT “IF” AS OUR CONSTANT GUIDEWORD.

GRANDMA?

I don’t have comment. I take note of the information she is sending and it is stuff we printed so long ago as to be nothing of newness and the editors of *CONTACT* do not wish to run it again and again when much of it does not fit in any manner whatsoever with what will actually SAVE YOUR NATION IN FREEDOM AND REPUBLICANISM (THAT MEANS REPUBLIC—NOT PARTY).

She told-me-off which is OK with me—but it rather distressed the crew here who owe nothing to this lady except a harder load of making her work presentable in form. I do not run the paper and I do not send papers. I understand that she has not received the last couple of editions of the paper and the complaint is made back to “me”. I am told that she has no subscription and that she “kissed us off” before Christmas. I am further told that we “are so short of funds as to be unable to continue to carry ALL of the free mailings”. I don’t think there is any animosity involved but the promise of \$40 million to the paper does not make the running of a paper in the interim. The last contact I was offered was her letter and writing before the holidays which stated “THIS IS MY LAST...” AND A NICE SUGGESTION TO GET MY ASS OFF THE DASHBOARD OF THE SHIP AND GET BACK TO THE CONTROL DESK. OK!! I did, I have and I am! Do I have a “bad” relationship with Grandma? I have no relationship at all with Grandma—she made that quite clear—I may be alien but I speak and understand quite well even if the language expressed is quite crude. If she has expertise as I am informed, by her, then I have to back off and allow her to express it elsewhere—because I have covered all the stuff she presents which is valid—and if you are to regain your Constitutional Government(s) and Sovereignty—her way starts a long way behind the needs. This does not lessen her value or the value of that which is offered—it simply means that there is not space, I am told, to put it all in the paper AGAIN.

Until further notification I have the last word as being her last word. I repeat, I DO NOT RUN *CONTACT*! Do I have “pull” at *CONTACT*? Yes, but it is because I bring truth and order, not to get into print with my expertise or add more chaos into the already present circumstances.

And with that note we will return to our ongoing presentation of *FIRE IN THE SKY*.

WEATHER CONTROL

This is such an old subject that I hesitate to even bring it up—however, I am continually brought up short in that MOST of the people have not only no idea of these things—but deny them when presented. How can this be? Because YOU ARE PEOPLE OF THE LIE(S)!

To be succinct about weather control just allow me to say that it was a perfected art so many years ago that two generations have come since its early testings. I will just offer an “update”, if that be a reasonable statement, and allow it to lay. You are experiencing weather patterns as we write, however, that are so exemplary of this subject in presentation as to not allow it to totally pass. “They” can also offer earthquakes on cue or all at once if desirable. The point is to make you think GOD has done something TO YOU. Nope, the old parasitic ongoing strategies are doing something TO YOU—like enslaving you from mind through SOUL.

SPACE SHUTTLE WEATHER-ENGINEERING AND MIND ZAPPIN’

YOUTH ACTION NEWS: (P.O. Box 312, Alexandria, Virginia 22313). I believe this is the best source of information on ongoing psychotronic tyranny available. Is it the most accurate? Probably not, but 99.9&1/2 percent of the readers don’t want TECHNICAL breakdown but, rather, “what in the hell is happening to us?” information. My suggestion is that you who can’t seem to get interest in “my” writings—go for extra copies of this issue of *Youth Action News*. I ask that a copy of the ordering information for these extra copies be printed herein. We have offered the weather-engineering subject so many times before that I can’t go into much old reprinting of our own information for it had its beginning of our offerings back with the dark ages. Well, I guess you are still in the “Dark Ages” but we irritate regular readers with repeating too much.

[QUOTING:]

In addition to the electromagnetic weather-engineering created by the Russian Woodpecker, U.S. HAARP-like ionospheric-heating ELF transmitters, and the GWEN tower network of VLF transmitters, the U.S. Government is NOW utilizing space vehicles to help fine-tune current weather-engineering methods. **[H: I am interrupted by a question as to, if the Russians are so advanced, why do they allow these vehicles into space and satellites to remain which can do these things? Why not? has to be my response. If you have taken out warheads of nuclear variety (not laser, because “that” can be handled easily enough) and YOU CAN TAKE CONTROL OF THE VEHICLES AND SAT-**

ELLITES ANY TIME YOU WISH WHY WOULD YOU BOTHER TO DO ANYTHING ABOUT THEM? They become your own arsenal when the time is ripe! You must understand that the ongoing confrontations are among the would-be-World Rulers ON YOUR PLANET! Why not let YOU work it out and then when you are so beaten down—the clean-up becomes easy and the taking of the planet is easy. If you turn to GOD, you will be left completely alone for the Earth-Experienced players will simply return and you will have peace and progress. If not, the final confrontation will come over souls, between God and Satan, and that is an entirely different subject. No one from OUTER SPACE is ALLOWED to interfere in the QUARRELS! That includes, in many, many areas, the Cosmospheres and Platforms—YOU DO NOT BRING ACTIVE PHASER, LASER OR NUCLEAR WAR INTO SPACE, AS SUCH! WHEN YOUR IDIOTS GET BEYOND THE LIMITS OF YOUR SOLAR SYSTEM—YOU HAVE NO SAY WHATSOEVER IF YOU WISH TO BRING EVIL INTO PLAY. EVIL IS RELEGATED TO THIRD DIMENSIONAL PHYSICAL EXPRESSION!! WE WILL, IF WE EVER HAVE TIME—GET TO THOSE LESSONS OF HOW IT IS!]

The Sept. 26-Oct. 2, 1994 DEFENSE NEWS reported that the U.S. Air Force has a master space plan for “weather control”. “Advances in technology” have resulted in weather modification being made a part of the Air Force’s planning. DEFENSE NEWS reported that details on the weather-control plan “are classified and will not be released, Air Force officials said.”

U.S. space shuttles are already being utilized for space-based weather-engineering and mind control actions against the American population. An Associated Press report carried in the 9/11/94 EVANSVILLE COURIER stated that on Sept. 10, **1994** the space shuttle Discovery utilized a powerful green laser directed at key sections of North America and other parts of the globe. Pulses from the shuttle’s laser “bounced off thick, high clouds over a tropical storm in the first atmospheric study of its kind. Ground controllers directed the lasers at tropical storm Debby in the Caribbean as the shuttle soared 160 miles overhead.”

“The \$25 million laser machine is flying for the first time in space. Similar devices have flown for years on planes.” Proof that the space shuttle laser was utilized for weather-engineering and mind-zapping came from the specific frequency employed by the laser.

DEFENSE NEWS stated: “During a checkout of the laser machine, **PULSES BEGAN EMANATING FROM DISCOVERY AT A RATE OF TEN PER SECOND** as the Shuttle flew over Manitoba, Canada. The lasers continued firing as *Discovery* cut across Wisconsin, Michigan, and the Northeast, heading out over the Atlantic Ocean near Maryland, and down toward the Caribbean, and passed over eastern Brazil and the South Atlantic. Each pulse was just the width of a finger when leaving *Discovery*, but **COVERED THE AREA EQUIVALENT TO THREE FOOT-BALL FIELDS BY THE TIME IT REACHED EARTH.**”

The 10/3/94 AVIATION WEEK & SPACE TECHNOLOGY magazine reported that the *Discovery* mission also involved two Lockheed Electra aircraft which, during the period Sept. 16-17, flew over part of *Discovery*’s orbit, each firing its own on-board laser at the Earth, “**pulsed at 10 hertz**, through quartz windows” on the aircraft. *Discovery* and the two aircraft operated “simultaneously from different altitudes over the same spot on Earth”. **[H: Now perhaps you readers can see why our people are nervous every time that shuttle is supposed to go up and attend the rocket launches going on at the same**

time with more attention than the Shuttle itself. Oh, they told you they were “mapping stuff”—no, and how can we know they were NOT? By the frequency of the lasers!! You are this day, around the U.S., able to WATCH as the storms are built and then maneuvered into place and exactly the disasters desired are dumped on you. Tornadoes, even, are NO LONGER AT RANDOM—EVERY TORNADO IS CREATED BY MAN-TECHNOLOGY AND PINPOINTED AS TO TOUCHDOWN, SIZE AND DAMAGE DESIRED TO MAKE A POINT. IT IS INCREDIBLE FOR US OUT HERE TO WATCH THE ATROCITIES. DENY ALL YOU WISH—BUT YOU ARE IN IT!!]

The 10 pulses per second (10 hertz—cycles per second) is in the EXACT same primary ELF frequency that has been transmitted for many years by the Soviet Woodpecker Tesla-Magnifying-transmitters. The ten pulses per second ELF waves have been utilized for weather war attacks against America since July 4, 1976. Further, the space shuttle’s and aircrafts’ 10 cycles per second ELF frequency is in the HUMAN BRAIN’S ALPHA WAVE RANGE AND HAS BEEN SPECIFICALLY UTILIZED FOR MIND-ZAPPING FOR MANY YEARS. [H: This is the reason you feel so depressed and have such racket in your ears with storms these days—it is put there and has nothing to do with the low pressure of stormy weather except that the low-pressure areas are also artificially manipulated.]

In July, 1972, President Lyndon Johnson’s former science adviser, Dr. Gordon J.F. MacDonald testified before the House Subcommittee on Oceans and International Environment. Commenting on the discoveries in low-frequency research, Dr. MacDonald stated:

“...The basic notion there, was to create within the cavity between the electrically charged ionosphere in the higher part of the atmosphere and conducting layers of the surface of the Earth, this neutral cavity, to create waves, electrical waves, THAT WOULD BE TUNED TO THE BRAINWAVES. The natural electrical rhythm of most mammalian brains, including man, IS ABOUT 10 CYCLES (HERTZ) PER SECOND, and there are indications that if you tune in at this frequency, that is, these low frequencies of about 10 cycles per second, YOU CAN PRODUCE CHANGES IN BEHAVIORAL PATTERNS OR IN RESPONSES.” [H: These parasites are having a field day today watching you “suckers” in California—not to mention the ones getting hit in the Eastern sector from the last West Coast storm. And the fun of all fun for them is coming from shaking Japan! FEEL THAT? WELL, WHEN ARE YOU GOING TO TAKE YOUR NATIONS BACK? WHEN YOU DO “THAT” THEN “WE” CAN SEE TO SPACE!!]

The book, *THE BODY ELECTRIC*, by Robert O. Becker, M.D. and Gary Selden contained important research discoveries that related to the simultaneous space shuttle-aircraft use of three lasers firing at a 10 hertz frequency:

“Hypnotists often use a STROBE LIGHT, flashing at alpha-wave frequencies to ease the glide into trance. It seems that for over thirty years, the Communist bloc nations have been using an ELF wave form to do the same thing undetectably and perhaps more effectively.” In 1983, leading expert on biomagnetic research Ross Adey “organized a public meeting at the Loma Linda VA hospital and released photos and information concerning a Russian Lida machine. This was a small transmitter that emitted 10 hertz waves for tranquilization and enhancement of suggestibility.”

The space shuttle 10 hertz laser zapping of America fulfills part of **END TIMES BIBLICAL PROPHECY**. [H: And since the parasites **WROTE THE PROPHECIES, THEY SHOULD KNOW!**] *Revelations 13* states: “And I beheld another beast coming UP OUT OF THE EARTH” (like a rocket), and it had two horns (the two accompanying aircraft, each firing their own lasers) like a lamb and he spake like a dragon.... And he doeth great wonders, so that he **maketh fire come down from heaven on Earth in the sight of men.**” (the ELF laser zapping).

[END OF QUOTING]

I do not wish to quarrel with a thing this man has offered—I both respect and honor him for where else are you going to get this compiled information—certainly not even from me for I can’t through these “physical hands” cover everything. I use these hands even for things which could be scanned and passed on—BUT I MEASURE WHAT YOU CAN INPUT BY WHAT SHE CAN “OUTPUT”—MORE THAN THAT IS LOST, MOST ESPECIALLY IN ITS FIRST PRESENTATION. WE LOSE READERS GATHERING OF INFORMATION WHEN OUR PAPER EXCEEDS 30 PAGES. THIS IS NOT ANYTHING SAVE OBSERVATION—BUT CHECK OUT YOUR OWN ATTENTION SPAN. MORE THAN THAT WHEN PRESENTED TO “OUTSIDERS” IS TOO MUCH AND IS SIMPLY TOSSED WITH PRAYERS FOR THE GIFTER’S SANITY.

What I would point out in the last paragraph above is just another “EXAMPLE” of mis-, dis-information—of the most innocent variety. This is presented by SO MANY MILLIONS OF PEOPLE as to have become accepted and I bet you don’t even recognize, unless a *Bible* student, to what I refer. Is it as written above “*Revelations*”? or is it, once at least, correctly written *REVELATION*? Or is it with the *Living Bible*, *THE REVELATION*? Does it matter? YES—because it indicates how easily things are overlooked, changed, revised, mistranslated and thus and so. You can no longer “judge” by historical fact because historical “facts” have been changed to suit the PARASITES. YOU HAVE TO JUDGE ONLY BY WHAT IS—RIGHT NOW!

Let us now return to:

FIRE FROM THE SKY
by “One Who Knows”

[QUOTING, PART 10:]

THE FAKE POPE

The fake pope was scheduled to visit Poland to set off a revolution, but Russian Intelligence was able to stop it. Having had their Vatican intrigue spoiled for the moment, the Bolshevik planners in America started down a different route. Their agents within Poland started agitation for an independent labor union to be known as Solidarity. Solidarity was created solely for the purpose of making conditions steadily worse in Poland until an unavoidable confrontation would be created with the government. Eventually they were successful and martial law was declared.

The news of martial law in Poland reached the West early Sunday, December 13th. The very next day

the Begin government in Israel launched the third Christmas crisis. On that day the Israeli government announced its surprise decision to annex the Golan Heights.

The Golan Heights is along the northeast corner of Israel's border with Syria, and is Syrian territory. They have been occupied by Israeli troops ever since the 1967 war and then by Israeli civilian settlements, but under every rule of international law the Golan Heights belongs to Syria. **[H: Note how current this information really IS because this same area is a distractor for you TODAY. By the way, you can judge the timing of actions expected by watching how the O.J. SIMPSON trial goes—massive plans are set to be unleashed with that trial happenings. Have you noticed that even though O.J. is innocent—NOBODY SO MUCH AS SEEKS THE CULPRIT? THAT TELLS YOU ALL—THAT THE PLAN IS IN PLACE, RECOGNIZED AND BEING WORKED.]**

As always, the Begin government defended its actions in arrogantly self-righteous terms as it made a mockery of the rule of law!

World-wide, the reaction was universal condemnation of Israel, and within Israel itself there was also bitter criticism. The U.S. was in a most difficult position of what face to show publicly. Time slipped by while urgent secret decisions were made about how to handle the situation publicly.

Then, on December 18, the United States half-heartedly announced that it would suspend “indefinitely” the allegedly new strategic cooperation agreement with Israel. In response Israel cancelled altogether the new agreement with America. **BY MUTUAL AGREEMENT BEHIND CLOSED DOORS, THE U.S. AND ISRAEL STRUCK AN ARM'S-LENGTH POSE FOR PUBLIC CONSUMPTION.** This was specifically for the purpose of freeing Israel's hands to act without restraint later on.

Israel Prime Minister Rabin summed it up with the words, quote: “Annexing the Golan Heights is the beginning of the end of ‘Camp David’.”

Well, at that time all the plans of the American Bolsheviks and the Zionists **[H: FLUKES AND OTHER PARASITES.]** in Israel were still on track. They were shooting for Middle East war to break out before the end of the summer of 1982. From there, step by step, they planned to make the conflict escalate with other crises continuing to multiply world-wide. **[H: WHO IS PRIME MINISTER OF ISRAEL TODAY?]**

On July 6, 1982, the “ISRAELI” government announced that American troops would be sent to Lebanon, if necessary. Hours later, Reagan announced that, “Yes, in principle, he was prepared to send in the Marines as part of a ‘truce agreement’.” **[H: Don't miss these things, readers, and what shape is Reagan in today? Unable to even remember his own name! By the way, what ever happened to that cute “LITTLE GRAY” ALIEN CALLED SHAMIR?? AND, BY THE WAY, how many of YOU know who is HEAD OF STATE in Israel?? No, not Prime Minister—HEAD OF STATE AND HAS AND CONTINUES TO BE HEAD OF STATE? WELL, IT IS PRES. CHAIM HERZOG. The Prime Minister only wears the CROWN as Head of Government! Isn't history wonderful? Well, like it or not—that little gray lizard, Shamir is a cross between lesser human and “little gray” alien. I do NOT JOSH! He was a product of engineering put forth to see if any of you sleeping robots would NOTICE!]**

For public consumption, assurances were given that this would be done under certain comforting conditions. Supposedly, if the Marines are sent in it will only be temporary to police a truce, not fight, and only if all sides agree to their presence. Doesn't it sound like a rerun—"We are just there to insure Iraq doesn't invade our little brother, Saudi Arabia," and, "We are in Haiti only to preserve Democracy." Iraq had no intention of invading Saudi Arabia—then or later. Saddam Hussein was 'called in' to Kuwait to protect the interests of the Kuwaites from being absorbed by the U.S. interests and a collapse brought on by a calling of notes following default by the Kuwaites, to the bankers. Dirty pool. **[H: Dirty pool? It happens EVERY DAY! THE BANKERS DON'T ARRANGE THINGS—TO LOSE!!]**

The following day a letter of warning against sending in the Marines was delivered to Reagan from Soviet President Brezhnev. It was a cryptic warning containing no specific threats. In diplomatic language it simply said, "Don't do it."

Anti-war warnings from Moscow were becoming increasingly urgent and frequent. On July 7 the Brezhnev warning against sending U.S. Marines into Lebanon was issued, and only six days later the Ustinov warning against an American nuclear first strike was issued. Does this surprise you? Don't you remember that little tid-bit of news?

Russia's anti-war warnings included not only words but also deeds, my friends. The Kremlin was run by men who knew that words without deeds were useless against the American Bolsheviks. That is why we were given warnings a month prior to this that Russian preemptive measures must be expected to start taking place. Those pre-preemptive measures got under way promptly, in the form of warning strikes to send a clear, clean message.

The first of those warning strikes took place on Sunday morning, June 27. Millions of American watched the launch of Space Shuttle No. 4 that morning on television. You watched until the two solid rocket boosters separated and fell away from the shuttle. Moments later a Jumbo Cosmosphere, which was pacing the shuttle from a distance, fired two quick blasts at the falling boosters which were no longer visible on television. The Cosmosphere's beam weapon blew a hole in the side of each \$18,000,000 booster shell. An Air Force C-130 airplane was tracking the boosters and saw their parachutes open, but when the spent boosters hit the water they just kept right on sinking. Thanks to the holes which had been neatly blown into their sides—they certainly didn't float. Recovery teams watched helplessly as \$36,000,000 worth of space hardware sank in several thousand feet of water.

Embarrassed NASA officials tried to explain away the loss of the two shuttle boosters with the lie that the parachutes did not open (on both of them?). The odds are astronomical against the parachutes failing that way on TWO BOOSTERS, but they had no other excuse that they dared make public.

WARNINGS!

The Encyclopedia Britannica Book of the Year says of this incident: "*Colombia's* fourth launch from Kennedy Space Center was on June 27, with astronauts Thomas K. Mattingly and Henry W. Hartsfield, Jr. Fittingly enough, it landed on July 4 at Edwards Air Force Base in California, greeted by Pres. Ronald Reagan and an estimated 500,000 fellow citizens. A major problem occurred when the two booster rockets plunged into the Atlantic, apparently because of parachute failures. There was no danger to the

Colombia, however. Experiments included the first one to be developed by a private company. It was designed to produce certain pharmaceuticals continuously with high purity. The astronauts also helped save the first 'getaway special' when a defective circuit prevented power from reaching the canister."

Meanwhile, the Russian message was indeed clear. Had they cared to, the Russians could have destroyed the shuttle itself on nation-wide television, no less, instead of only the boosters. They were saving our government's "face" to use more advantageously during the ensuing years. They certainly have managed to do that very nicely, at our expense.

Next came the Aeroflot crash in Moscow followed by the reprisal on July 9 against the Pan Am jet in New Orleans (A Pan American World Airways Boeing 747 jet carrying 145 persons crashed in Kenner, La., shortly after taking off from New Orleans, exploded, and plowed through four residential streets; the accident, which killed 153 persons including 8 on the ground, was the second worst air disaster in U.S. History involving a single plane.) Both events were acts of war—the secret war which both sides were beginning to mention openly in public. The Russian message to the American Bolsheviks here was: "You are not as secure as you pretend you are."

Six days later the Russians reminded the Bolsheviks in the U.S. of their combined capabilities in geophysical warfare, a widespread sabotage here. As far back as 1977 we had been warned that the Russians were on a campaign of planting nuclear mines where they could destroy countless dams around the United States. Those devices are still there, waiting for use at the press of a button from a detonator trigger well out of our reach or ability to control. How could subversive workers get within our boundaries without our knowing? They can't. There are as many Russian KGB agents in our CIA as Americans. Our government thought, at the time, the mines were a big bluff because it was the Russians themselves who announced their presence to our government.

On July 15, 1982, the Kremlin said, "Think again" to the Bolshevik pentagon. That day northern Colorado was reeling from incredible rainstorms, the product of Russian weather modification. Dams in the area were straining to hold back the onslaught of water. Then a low-yield underwater mine was detonated at the base of the Lawn Lake Dam. The dam blew open, and the flood waters rampaged down the canyon and through the resort town of Estes Park. The government frantically tried to cover its tracks by saying they had been worried about that dam, but the disaster actually came with absolutely no warning because the dam was ruined instantly by the explosion.

MORE WARNINGS

The very next day there was still another Russian warning shot. This time it was couched in the centuries-old language of naval warfare, updated to the Space Age. When confrontations take place at sea there are times when a warship will fire a shot across the bow of another ship. The shot is aimed to barely miss the ship, whistling past just in front of it. A shot across the bow is perhaps the most unmistakable military message on the face of the Earth. It means: "Halt immediately or you will be destroyed."

On July 16 a United Air Lines DC-10 took off from Boston bound for Los Angeles. Among the passengers of the big jet were certain key members of the Bolshevik ruling group here in America. For a while the flight progressed without incident but as the jet flew westward at 39,000 feet a Russian

Cosmosphere was stationing itself to intercept it. The Cosmosphere hovered several miles off to one side of the jet's flight path and a few hundred feet above it. The charged particle beam weapon of the Cosmosphere was aimed horizontally to fire a shot across the bow of the speeding DC-10. As the jet approached, the Cosmosphere crew charged up the beam weapon for a maximum energy blast in a defocused mode. This produces a violent air blast like those heard that winter along America's East Coast and elsewhere. AT precisely the right instant the Cosmosphere fired its shot across the bow of the oncoming DC-10. The tremendous air blast just above the DC-10's altitude created a huge shock wave of downward-racing air. An instant later the DC-10 flew into it. Passengers later told reporters that they had heard a big bang, then the whole plane shook as it was squashed downward as if by a giant hand. Everyone not wearing a seat belt was thrown to the ceiling, which is a long way on a DC-10. Many people were hurt, several seriously; then the episode was over as quickly as it had started. The jet flew on to Los Angeles without further incident—but to certain individuals on the plane, the air-borne shot across the bow was meant as a clear warning! It certainly meant something to the military and government personnel because they had been warned it would happen. It clearly said, "Halt now in your war plans or you will be destroyed."

The next warning shots took place on July 22. This was aimed squarely at the weapons specialists among the American Bolsheviks in the U.S. That day the first full-range test flight of the Army's new Pershing-2 missile took place at Cape Canaveral. The Pershing-2 is the nuclear missile which the Reagan Administration wanted to place in Europe where it could attack Russia. Europe would be used as a launching pad. A few seconds after the Pershing-2 lifted off from Cape Canaveral it was bathed in neutron radiation from a Russian Cosmosphere high above. Remember, neutron radiation totally deranges all kinds of electronic equipment. As a result, the Pershing-2's guiding system went crazy. The climbing missile flopped over on its side, then started cartwheeling through the lovely Florida skies. Seventeen seconds after lift-off, the Range Safety Officer pushed the self-destruct button and the missile blew up. The Russian message to the Bolsheviks in the U.S. was very plain indeed. The plans to use missiles to help destroy Russia would not succeed. The attempt to do so would only rain destruction on America itself.

[END OF QUOTING]

I am asked if "we" have ever had occasion to do anything like this? Indeed—to protect our own people when they, Dharma, et al., were targeted—actually on several occasions but one or two ALL will remember. We did, in October of 1987 and again a few days later in November—have encounters with Vandenberg armed missiles. We also were ASKED to intervene in shutting down a "runaway" beam experiment which about blew away the Western U.S. at Lawrence Livermore Labs. With the rocket incidents we were fully visible and seen by all the Western U.S. for a full half hour—AS YOU SHOT MISSILES AT US AND PLAYED OTHER WORD GAMES. I BELIEVE YOUR PEOPLE SAID THEY WOULD "SHOOT OUR ASS OUT OF THE SKY"! We had been in full communications for over two days and this was verified by the Communications Officer on Duty. The Big Boy parasitic tools were just going to rearrange his brain patterns a bit after that to insure he wasn't around to prove his statements. We have him and we get along really well; a lot of those "old buddies" the big boys THOUGHT were gone are not—they are nice and safe with us—and totally out of your reach!! They now have some plans of their own.

We need a break, please.

TUE., JAN. 10, 1995

CAN YOU SEE?

This day has moved on and what do you have? Increasing disaster along the Western Coast of the U.S. and elsewhere in the world (but the latter hardly noted). But the interesting focus is STILL on a historian who made the error a decade ago of suggesting that both sides of “an” issue needs to be presented—no matter what the topic, for you cannot have historical honesty without a scenario. This afternoon the confrontation worsens—for obviously the person in point, after being fired, could NOT BE **THE FOCUS**. This stupid story has now enlarged to the point of the ADL Flukes saying that Gingrich advocates having NAZIS IN THE CLASSROOMS. ARE YOU ALL TOTALLY INSANE OR IS IT PERHAPS ONLY “ME”??

I also note that your new Treasury Secretary (remember he is paid by the International Monetary Fund, not the U.S.) is going to be a JEW by the name of Ruben. No controversy or opposition is expected it is said. No, it is very definitely NOT “ME” WHO IS INSANE!

I would suggest that the Ruling Committees of power brokers had better take a good hard look—for some of you are about to be washed down the river! Owning the world is simply not going to ever be “enough”!

FIRE FROM THE SKY
by “One Who Knows”

[QUOTING, PART 11:]

NUCLEAR WAR ONE

The Reagan-Begin Axis of Bolsheviks and Zionists intended to manipulate those crises, and more to come, to pave the way for war. Suddenly, certain crises would combine to trigger a chain of events leading to Nuclear War One. The joint military junta of the United States Pentagon and Israel were working on a fast timetable for all of this. They were aiming for deadline time of mid-summer 1982 for the final war sequence to begin; fulfillment of the plan was set for September.

This would involve regional conflicts in the Middle East and elsewhere which gradually would escalate to engulf the superpowers. The whole thing was being set up to make nuclear war appear unavoidable. At last all-out nuclear war itself would break out between the United States and Russia. It would be made to appear accidental, but as we have detailed in the past, Nuclear War One would actually begin with an **AMERICAN FIRST STRIKE AGAINST RUSSIA.**

Up to that point, the secret war-planners in the U.S. had been expecting that it would take many months for the final war build-up to run its course. For example, a Mideast war might be triggered by the summer of 1982, but it could take until the spring of 1983 for the resulting nuclear war to actually erupt. That plan had actually been changed and by winter 1982 drastic changes took place in the secret war planning under way in America.

The timetable for Nuclear War One was speeded up by many months in order to render the oncoming winter an ally. This was when the target date was set for mid-September 1982. That was little more than six months from the third shuttle launch and thus the desperate need for intelligence surveillance information regarding the Soviet Union. Well, then a major intelligence coup was scored by the American Bolsheviks which would allow for fairly accurate targeting.

Two high-ranking Soviet generals were spirited out of Russia and brought to Washington. Those two men were Bolsheviks whom Russia's new non-Bolshevik rulers failed to detect and weed out. In Intelligence parlance, they remained as "moles" in Russia's military apparatus. Now they had been brought to America, and they brought with them a wealth of data about Russia's current military posture. Thanks to those two former Bolshevik Soviet generals the secret war planners in the U.S. now had enough information. If they could get more data from space shuttle flights Nos. 3 and 4, so much the better, but if neither of those two flights was successful, the war planners intended to wait no longer and go with ground intelligence. They wanted to make use of the intelligence obtained from the Soviet generals while it was still fresh and changes could not be made in the Soviet Union who would suspect treason. Therefore, the deadline to attack the Russians was rescheduled.

If the U.S. had realized and listened, we would have all realized that the fourth launch was a crossing line to countdown to war.

COUNTDOWN TO NUCLEAR WAR I

In early 1982 there was a tremendous hidden struggle for power that was dividing the U.S. Government. On one side were the American Bolsheviks whose chief Government operative was Secretary of Defense Caspar Weinberger. On the other side was the Rockefeller cartel whose chief Government spokesman was Secretary of State Alexander Haig. Weinberger and Haig were constantly at each other's throats in the news, and worse, in private. Caught in the middle was the puppet, President Reagan.

Reagan was installed by the Rockefeller cartel but came to be largely under Bolshevik control after the assassination "attempt" in March of 1981. By February of 1982 the American military was dominated by the Bolsheviks, but that had not always been so.

By 1982 a plan for a Rockefeller cartel-backed military coup was being set in motion (again) and this

time it was a crash program. The Rockefeller cartel could not afford to let their Bolshevik enemies succeed in setting off nuclear war; therefore, the military coup must take place before the American Bolshevik surprise attack against Russia. If possible, the coup would be carried out before the fourth space shuttle flight planned for the summer of 1982, because the war was scheduled immediately following that flight.

The man who was in charge of the military coup preparations was a four-star Army General who was also Secretary of State—General Alexander Haig. If you remember, the Falkland Islands War occurred about this time and the Bolsheviks foiled the coup. Haig was fired and Bolshevik George P. Shultz took his place, on June 25th. **[H: Please look up the journals wherein I wrote at great length about this, the Falklands, the Antarctic and the SECRET BASES, and offer that ordering information for the people have to have background for this.]**

FALKLANDS WAR

You need to know the facts behind the Falkland Islands War, the shooting of the *U.S.S. Liberty* by the Israelis, the turmoil in Central America, developments towards the Iran-Iraq war, Libya's Kadhafi, Afghanistan, Poland, etc. Things were and are not as you think they are, friends!

I have mentioned about doubles. For example, on March 6 the BBC quoted a London Times article questioning whether or not Khomeini was still alive. The article expressed suspicions that fake pictures were being used showing the “double” for Khomeini.

HOW MANY FINGERS DO YOU SEE?

I remember, I believe, the article was in Reader's Digest, an article that said that when Khomeini went into exile to Paris, he was missing a finger. When he later returned to Iran, Khomeini was not missing any fingers. Khomeini was quite a miracle worker, don't you think? Or could somebody be pulling a fast one?

The Reagan-Begin Axis, in cahoots with their Zionist partners in Israel, were going all out to try to start a nuclear war.

The Manhattan Project went from a decision to make the bomb (on the day before Pearl Harbor in December 1941), to a working bomb exploded on Hiroshima in August, 1945 **[H: While the “Jew” Einstein misled everybody with scientific misinformation but produced a deadly nuclear bomb.]** And this was before computers. In 1982, a new program was started similar to the Manhattan Project. It was called the “Stealth” program, and, surprise, surprise, it succeeded the same year! It succeeded because of the immense computing power of the Control Data Corporation Star 100 and Cray computers (an offshoot of Control Data). The most secret branch of the Stealth Program was developing aircraft that would be invisible to more than just radar. They must be invisible even to the eye. These invisible “Phantom” war planes would carry special electromagnetic gear. You see, there was already the capability, for Russia had the know-how to cause the Cosmos Interceptors and Cosmospheres to be invisible. All that was really needed was to get defectors and most defectors had a “price” under which they will bargain.

The equipment included superconducting magnets which were maintained at temperatures close to absolute zero. The cryogenic equipment creates an enormously powerful electromagnetic field around the aircraft. The field is designed according to the principles of Einstein's "Unified Field Theory". **[H: Wrong "relativity" wasn't enough? You had to push further didn't you? Well his field theory is incorrect ALSO! He should have just stuck with Marilyn Monroe.]**

Einstein never completely finished his Field Theory, but it was studied by numerical techniques using the Star 100 and Cray computers and others and integration became a simple game. By this method, enough could be learned, coupled with stolen information, to apply the Unified Field Theory to the new "Phantom" war planes.

Think of the magnificent possibilities. Time is a function of the measurement of movement of "things"—atoms, matter, and stuff. At absolute zero, atoms stop moving. Time stops. When atoms speed up in relation to surroundings, time speeds up. Frequency is everything. When you understand the rules, wondrous things are possible. For hints of the possibilities, study the Philadelphia Experiment, and the Montauk Project. Read *A BRIEF HISTORY OF TIME* by Stephen Hawking, or *HYPERSPACE, A SCIENTIFIC ODYSSEY THROUGH PARALLEL UNIVERSE, TIME WARPS*, and *THE 10TH DIMENSION* by Michio Kaku.

[H: Forget it. Those are interesting speculations—they have absolutely NO ACCURACY AS A WHOLE. WHY? BECAUSE YOU DO NOT SPEED OR SLOW TIME—YOU HAVE THE PERCEPTION OF SAME. WORSE AND MOREOVER—THERE IS NO SUCH THING AS "TIME" AND THERE IS NO SUCH THING AS "SPACE" AS YOU PERCEIVE IT—SO NONE OF THE "CALCULATIONS" CAN BE CORRECT. THERE IS ONLY IS-NESS. DON'T CONFUSE SELVES—EVERYTHING IS A PERCEPTION AND A MANIFEST THOUGHT OF CREATOR GOD. You are playing around in a full-blown illusion and when you start tampering with the absolutes of those FACTS you screw up the working ORDER of everything you touch—including your own mind-perceptions of EVERYTHING. Nikola Tesla, a REAL scientist, KNEW THIS—and could work with the LIGHT PRESENTATION and CREATE—on many dimensional planes—with that LIGHT. If you are going to a mountain, say, which is to your left but you take a map and you turn right—you will not get to that mountain until you go AROUND THE WORLD! Is that not stupid?? If you begin with the right information—you do not present, later, wrong assumptions and malfunctioning apparatus. Whether you assume such information as valid on your own or it is pushed into you by the parasites—it doesn't matter FOR IT IS STILL INCORRECT! I think it is called "Bad data in—bad data out!"

Am I going to give YOU the correct information? Why would I? Who are YOU? What are your purposes? The ones entrusted with the actual facts handled it very well and didn't give it to you—why would I botch the universal order further by giving it into more ignorant hands? Because I somehow "owe" it to you? You don't even believe I exist—why do I "owe" something to ones who denounce my very presence—is that feasible or wise? What would you do with that information if I gave it to you? PONDER IT AND THEN TELL ME ABOUT IT! YOU DON'T EVEN KNOW THAT YOUR TWO-PARTY POLITICAL SYSTEM IS ONE AND THE SAME—WHY WOULD I ENTRUST THE UNIVERSAL ORDER INTO YOUR HANDS?]

This is why the Government must keep the Stealth aircraft a "national security" secret. They have

revealed the part of the secret telling that the shape of the surfaces affects the radar signature, to explain the strikes in Iraq and so on, but they don't want you to know the rest of the secrets. By revealing this much, they kept the Stealth program from being scuttled by Congress.

Under this program, they can send 22 planes into battle, and 22 planes return. Mission accomplished! You do not see all the others that also went into battle, and those that are lost are made up for so that you see the same number return. **[H: Well, it isn't quite like that—but it is worse! Your boys in the Gulf were treated to a deadly holographic war in a lot of instances—and given deadly diseases to boot. Boy, you sure do live in a nice world perfected by the Parasites on humanity!]**

When the invisibility field would be turned on, a "Phantom" war plane would be encased in a sort of electromagnetic bubble. Light that strikes the field from any direction divides, passes around the plane, comes together again on the other side, and goes on. The effect is like a boulder in a stream—water flowing toward the boulder divides, goes around it and then comes together again on the other side. **[H: The new "tests" are quite innovative and what you will be hearing and have heard from, say, Norio Hayakawa, is interesting but has a much more simple answer than what is "seen". The powers that be WANT you nice people to see "just enough". First you see a "craft" rise and then suddenly it "jumps" and appears in a different location. NO—there is simply a testing of the cover systems and as one system is turned "off" it is turned "on" in another location around another vehicle. Actually it works just the opposite as to "on" and "off" but you get the point. You are continually overflown by silent craft with no visible evidence at all. This is purely an electromagnetic frequency LIGHT field and see how easy it will be to fool you ALL—all the time, pretty soon now!]**

When you "see" something, light bounces off the object and strikes your eyes. Your eyes then recognize the pattern. If something comes between you and the object, you can no longer see it. But if the light from the object goes around the obstruction, you see the original object, but not the obstruction. This is how Phantom planes work, although up close they can be dimly detected, while farther away they are totally invisible. Do you now understand why so many "UFO" sightings are blurry? **[H: It is worse than that, readers; it is why the watchers are kept at least 10 miles from area 51 and the tests are mostly at night—to hide the visibility of that faint image. UFOs as you know them are only YOUR OWN CRAFT being tested on you—the scientists can't do a cotton-picking thing about OUR craft except deny them. And, more silly than that, we sit right out in plain sight strobing nice rainbow lights and they tell you the stars are doing something through the atmosphere. Oh well.]**

Radar behaves the same way as light, it just has a different wavelength, so Phantom planes are invisible to both light and radar, unless they turn off their fields. This explains some of the reported sonic booms where there was no visible airplane. **[H: Don't getcher hopes up too high though—the systems on those Platforms and Cosmospheres SEE BETTER THROUGH THE FIELDS.]**

[H: Ah, sorry to have jumped the gun, "One Who Knows".] The Russians, however, can see through these fields using sophisticated infra-red beam detectors. **[H: If you have the right visual equipment—nighttime skies can be wondrous indeed when you least expect it.]**

Phantom war planes are totally immune to lasers because a laser is just a beam of intense light. An invisibility field also would give protection against the Russian Particle Beam system in tracking ability but the plan backfired because the Russians had already developed anti-invisible shield technology. Ordinarily, charged particles are far easier to deflect than light, so the charged particle beam is no match for the light-deflecting shield. Ah, but when you get into pulsed neutron beams—you have a real handful of troubles. **[H: Indeed you do!]**

And so that leaves only neutron beam weapons. **[H: No, that is not so either. But that is another story.]** Russia's neutron beam would penetrate the invisibility shield, but ways were thought to have been found to shield against neutron radiation well enough to make neutron beams ineffective in stopping a Phantom war plane. This was conceived as true because extremely effective shielding would be part of the basic design of the Phantom war plane whereby the plane would have to first be "located" in order to be fired upon. The basic design would require such sophisticated shielding in order to prevent derangement of the electronic instruments as well as the crew, if it were a manned craft.

So the result of the program would be craft which would be undetectable by conventional means, and it was believed to be invulnerable to all of Russia's beam weapons. Those beam weapons had been the key to Russia's military superiority since late 1977, so the Phantom war plane was the hoped-for weapon to attack Russia in the upcoming planned nuclear strike.

The Phantom war plane had one recognized major drawback. In a way, its greatest strength would also be its greatest weakness. When the invisibility field would be turned on, incoming light waves would not strike the plane; instead, the light flows around the plane. That is what makes the plane invisible to observers at a distance but, at the same time, the field prevents light waves from the outside world from reaching the cockpit of the plane. In other words, the pilot cannot see anything outside the invisibility field. He is required by physical law to fly blind.

There was only one technique known in the West by which a Phantom war plane could be navigated. It is called "Inertial Guidance", a technique used for ICBMs. In Inertial Guidance, a computerized system keeps track of all the forces and maneuvers experienced by the vehicle. By adding these up over time, the system calculates where it is without reference to the outside world. For a Phantom war plane, the Inertial Guidance problem is very difficult. The guidance system must operate for as long as several hours while the plane flies to its target. That gives lots of time for errors to build up which would send the plane off course, but the problem was thought to be solved sufficiently to utilize the Phantom planes in the attack.

New Inertial Guidance technology had been developed using lasers in place of the old mechanical gyros used in ICBMs, and so the supersecret Phantom war plane project had basically succeeded in concept—and, for all intents and purposes, we now had a new superweapon. It was revolutionary, prototypes were flying and a rush production program was already underway by the early 1980s. The secret war-planners expected to have an operational fleet ready by summer, 1982. This was the "pacing item" in the short war timetable.

Because of inertial guidance, absolutely accurate reconnaissance data on Russian targets was totally critical to the war planning. When Phantom war planes would take off to attack Russia, they would have to know ahead of time exactly where the target would be. Therefore, for a year the Space Shuttle had

been making a desperate attempt to obtain the needed target information from space. It would be the first new data since Russia destroyed our Spy Satellites in 1978. The first two Shuttle flights were NOT successful in their secret military mission, but in February, 1982, Shuttle No. 3 was more successful. The war planners now obtained the most crucial target data needed for a Phantom war plane attack against Russia. As a result, a whole new war plan was being prepared for the coming planned nuclear war.

America's war strategists were eager for war because they believed they could achieve victory over Russia—the concept of victory, however, DID NOT INCLUDE THE AMERICAN PEOPLE. THE SECRET WAR STRATEGISTS WERE PREPARING TO SACRIFICE AMERICA AND MOST OF HER PEOPLE ON THE ALTAR OF WORLD DOMINATION—AND ONLY THE TIME AND PLACE HAS CHANGED.

[END OF QUOTING]

So much is going on that needs our attention that we will close here and hopefully can take up again tomorrow. We have breaking audacity coming out of the trial next week in Carson City, Nevada. This means a lot of wasted time from our work while once again the “illegal” system goes into session. Interestingly enough, however, funny things are going on. It has not been enough that George Green has done everything possible to set-up Ekkers even to the original Resolution Trust Corporation property theft BUT, he continues to give information to that opposing attorney FROM DEPOSITIONS FROM A LEGAL DISPUTE OVER FEES IN THE US&P CASE—AND STEVEN HORN IS USING IT AS IF IT HAS ANY VALIDITY WHATSOEVER.

HOWEVER, THAT IS NOT WHAT IS IN POINT HERE AND NOW. DAVID HORTON, GREEN'S ATTORNEY, ACTUALLY CALLED THE JUDGE'S COURT IN CARSON CITY AND—TO SHUT DOWN THE CASE FOR NEXT WEEK—SAID THAT **THE PHOENIX INSTITUTE HAD FILED FOR BANKRUPTCY!! FOR ALL READERS EVERYWHERE—THIS IS AN OUTRIGHT LIE AND THE JUDGE WAS SO INCENSED THAT HE PERSONALLY CALLED THE COURTS TO CHECK ON IT. THERE IS NO FILING OF SUCH A THING. WHEN WILL THE COURTS BECOME FILLED WITH THIS GARBAGE? WE UNDERSTAND THAT DAVE OVERTON HAS PERSONALLY PETITIONED THE OTHER JUDGE AND THE SUPREME COURT FOR RETURN, TO HIMSELF, OF HIS FUNDS—LET US SEE! IN ADDITION, HOWEVER, HORTON HAS INDICATED THAT EARLY IN THE WEEK AMERICA WEST PUBLISHERS PLANS ON FILING BANKRUPTCY AND THIS IS A DIRECT STATEMENT FROM THAT HORSE'S A..Ah..MOUTH.**

AMERICA—YOU ARE IN TROUBLE. PLEASE HEAR ME—YOU ARE IN TROUBLE!! David Horton is described as THE “*Constitutional Attorney*” and serves on THE BOARD of at least ONE major Patriot Constitutional Group. The man should be disbarred from even the “legal nobility club”. May God have mercy.

[QUOTING, PART 12:]

WAR STRATEGY

The radically new Phantom war plane caused an equally radical revision of the master war strategy of the U.S. Elements of several past strategies were being blended together to create a new and grander plan. It was the new grand master strategy which America’s war planners were counting on to bring them victory in Nuclear War One, and they planned to use the war plan very quickly—by autumn of 1982, with or without the proper surveillance hoped for by Shuttle flight No. 3.

Strategic nuclear war planning in Washington was being carried out under the code name “Project Z”. The letter “Z” was chosen because it is the final letter of the alphabet. The war planners were confident that this would be the last war plan they would need against Russia. War planning under Project Z was so secret that it was not being done at the Pentagon itself; instead, an elite group of war strategists were assembled at a special war room in downtown Washington. The war room was hidden away in a building which would never be suspected for the purpose. It was practically within the shadow of the White House.

The elite war planners for Nuclear War One were a very small group. Their job was to think in terms of the big over-all picture. They had at their finger tips computer terminals with which they could access any information they needed from other Government computers (using PROMIS software stolen from Inslaw, for instance). This included not only Pentagon data banks but also the computer files of all other Government agencies.

By May the Project Z planners had already arrived at the broad outlines for their master war plan. Countless details and refinements still lay ahead, but the basic strategy was already decided. That strategy bears looking at herein.

The Project Z strategy for Nuclear War One was a three-phase plan—that is, the war planners intended for the war to proceed in three distinct phases known as: Phase 1—Initiation; Phase 2—Attrition, and Phase 3—Domination.

The major process was based on ever-increasing world crises, like those that led up to World War I.

We were seeing that process in full swing all around us. It was planned that these crises escalate for about six additional months and finally the spark would be set off. The Project Z war planners were concerned with the military acts from that initial spark onward.

Phase Number One: In their plan, the Initiation Phase would begin with an American surprise attack against Russia. The surprise attack would use the new Phantom war planes. They would be the key to the outcome of the rest of the war.

In the summer of 1978 America had begun major shifting to a first-strike nuclear strategy against Russia. It would be a first strike. It would be to knock out the Earth bases for Russia's space triad of strategic weapons. If that could be done, Russia's overwhelming military power in space would soon wither and perish. That would leave the U.S. and Russia on more equal terms for the rest of the war. The plan was to use a combination of Subcraft and Unmanned Aircraft called RPVs for the initial attack. That plan was actually attempted some two years prior but ended in total failure because Subcraft or RPVs were no match for Russia's Cosmospheres with their beam weapons, but the new Phantom war planes were almost ready and the plan was being revived in updated form.

Phantom war planes were intended to be based in at least three countries on Russia's doorstep. These basing areas were: northern Norway; eastern Turkey; and most critical of all, Sinkiang Province in north-western China. Now you know why Reagan and others became so cozy with China! Already, high-powered lasers were being moved into those areas. They were equipped with the new aiming device called CEIR (see-er). Those lasers had the proven ability to shoot down Cosmospheres. They would be used to protect the Phantom war planes from destruction on the ground by Cosmospheres.

The Phantom war planes which would be used were unmanned. They were equipped with robot pilots which would be programmed for a one-way trip. The invisible robot pilot and aircraft would fly through Russian air space, invulnerable to any beam-weapon attacks. Anti-aircraft missiles fired at them would be unable to home in on them, and so the Project Z planners believed that the robot Phantom planes would reach their targets.

Those targets were Russia's four Cosmodromes for rockets plus several Cosmosphere installations in central Siberia. The invisible robot planes would crash like kamikazes into their targets. Seemingly out of the clear blue sky, all of Russia's Space bases would suddenly vanish in thermonuclear fireballs. In addition to Russia's space bases, the Phantom war plane assault would also be directed at one other category of prime targets. These were the bases for Russia's flying Anti-missile System. the system consisted of a fleet of TU-144 Supersonic Transports equipped with particle-beam weapons. They were supposed to provide Russia's final line of defense against incoming missile warheads. American Phantom war planes would be programmed to destroy the TU-144 bases.

Phase #1 was continuing on a very tight timetable by May, 1982. If the invisible war plane attack would succeed, a furious counterattack by Russia was guaranteed. Project Z called for the U.S. to beat Russia to the punch. The entire U.S. nuclear arsenal was to be fired at Russia. It would be done by creating a false indication that America was under nuclear attack. The method which would be employed was known as Electromagnetic Pulse or EMP. EMP is a phenomenon associated with nuclear blasts at the fringes of space. The Strategic forces were programmed to consider an EMP episode to be positive proof

of a Russian attack. Under those circumstances, they were instructed to counterattack against Russia without waiting for any further orders.

In the Project Z timetable, the Phantom war plane explosions in Russia would be followed moments later by nuclear detonations over North America. These would be the warheads of American high-speed missiles called ACMs. They would be launched into the sky from various locations around the U.S. to create a violent EMP episode. The Strategic Nuclear Forces, obeying orders, would launch what they would believe to be a retaliation against Russia. As the American ACMs would be launched into the sky over our heads, still another event was to be underway. Keep in mind the episode of January, 1982, whereby a Russian Cosmosphere had been shot down for the first time—over New Jersey. In the same way, high-power lasers located in many places around the U.S. would be shooting down as many Cosmospheres as possible. By the time our ICBMs were launched a few minutes later, it could be expected that many of the threatening Cosmospheres overhead would have been destroyed. They would be unable to blast all of our missiles as they were launched, and many would survive to be on their way to Russia. Thanks to the initial Phantom war plane attack, Russia's flying ABM System would also be out of action. Stripped of all her defenses against missile attack, the Soviet Union would soon be aflame with a sea of nuclear firestorms.

In the Project Z war plan, the arrival of American ICBMs on Russian targets would mark the end of Phase #1, the Initiation Phase.

PHASE TWO: THE ATTRITION PHASE

Phase Number Two: This is the Attrition Phase. During Phase #2 the war planners envisioned extreme damage to both the U.S. and to Russia, with the war gradually running down. First there would be a rain of Russian missile warheads on the U.S. There would also be missile attacks on certain other targets around the world where American Military Forces were located, but the real destruction would be right in the U.S. itself.

The Project Z war planners did not expect America, as you know it, **to survive a nuclear exchange**. Unlike Russia, the U.S. has no Civil Defense worthy of the name, let alone hardened blast shelters and, because of the need for total surprise in the attack against Russia's Space bases, the ensuing nuclear exchanges would come without warning. Vacationers would be on beaches, businessmen would be making deals, housewives would be in supermarkets, children would be at play, etc. In my July 1978 newsletter I warned that it was the policy of the U.S. to NOT warn its population. Suddenly air raid sirens might start to blare, as they would do so on a summer day in Hiroshima years ago, but it would be too late. The America you know and love **would die in a thousand Hiroshimas. The war schemers have planned for all that and have only updated the plans to suit changes in happenings TODAY**. While you and your children vanish from the face of the Earth, they fully intended and still intend to be riding out any attack they have caused, inside Government war bunkers built with your taxpayer money, at Camp David, Mount Weather, Pine Gap, China Lake and DOZENS of other locations. Do you have your passes to these places? I thought not.

4 OF 5 AMERICANS TO DIE

Gradually, over a period of many months, they fully expected the conflict between Russia and the U.S. to sputter out. Both sides would be exhausted and ruined; both would lose the capacity to carry the war any further. In Russia, the wound would be grievous—up to 50 million dead and millions more injured and dying, **BUT IN THE U.S. THE WOUND WOULD BE MORTAL**. The Project Z war planners had figured it out on their computers. If we were lucky, from 40 to 50 million Americans might survive at the end of the war. All the rest would have been killed outright in the nuclear attacks or would have died of injuries and disease. Nuclear War One would leave medical care virtually non-existent in what would be left of America.

The American Bolsheviks intended to ride out the war after setting it off. They would wait until the stalemate point would be reached with both sides unable to fight any longer. That would mark the end of Phase #2, the Attrition Phase.

PHASE THREE: FINAL

Phase Number Three: Finally, the Project Z war plan would move into the third and final phase. That phase, of course, would be world domination by the **SATANIC BOLSHEVIKS/ZIONISTS (PARASITES)** who already controlled and control the U.S. Military.

In the final phase as planned for 1982, the Bolsheviks/Zionists in America would be taking advantage of secret preparations which began long, long prior.

One arm of the prior plan had been strategy which required the U.S. to give the impression that it was growing steadily weaker, disarming unilaterally, closing military bases, and so on, but that was only for public consumption. The secret side of the strategy involved an actual buildup of armaments, in secret. This necessitated a secret government, which was set up by Jimmy Carter, Oliver North, George Bush, et al., under the smokescreen of FEMA—the Federal Emergency Management Agency, etc.

When the Bolsheviks/Zionists in the U.S. seized power from the Rockefellers, they continued the stockpiling of secret reserves of armaments world-wide, and especially in Israel. It was well planned that, as the war began to sputter, all these armaments would be brought into the open. Even if the entire populations of the U.S. and Russia were destroyed, that would still leave 95% of the world's population alive, and under total domination of the "Elite". Both the Bolsheviks and the Zionists despise and loathe both the Russians and the Americans and world domination could only come to the bankers and Global cartel through massive damage and/or destruction to both major powers.

Where does all this leave our ally Great Britain? Could it be they plan to survive free and clear in domination of the world?

On March 30, 1982, one day behind schedule, we got to see a shuttle landing at the White Sands Missile Range, New Mexico. White Sands is the true nerve center of the Space Shuttle Program, regardless of what the media tells you otherwise.

The third shuttle flight, regardless of which shuttle did what, represented another "first" and that one was not visible on television. For the first time a space shuttle had succeeded in its secret military mission.

By so doing, another barrier was removed in the path to nuclear war.

The third shuttle mission took place nearly a year after the first flight of April, 1981. A comparison between the first and third flights is a study in ironies. In the April fiasco, publicity about the first flight was designed to give the impression that it was unnaturally perfect. Meanwhile, the secret military mission—which you did not see—was a disaster. With the third flight, it was the other way around. From start to finish the publicity emanating from NASA gave the impression that the shuttle was plagued with problems. NASA wanted to be able to explain it away if disaster should strike again but, as it turned out, the military mission in space, hidden from our eyes, was a success and the loss of one more shuttle was not so detrimental to the program as a whole.

TROUBLES

Space Shuttle No. 3 was supposed to orbit a special new Spy Satellite. It was hardened against attack from Russia's space weapons and armed with a robot-controlled laser that could shoot back. In addition, the shuttle itself was armed with lasers on this third try.

The public image of a troubled, plagued shuttle flight actually got underway several days prior to launch, thanks to the weather. Drenching rainstorms turned Edwards Air Force Base in California, used for the prior two landings, into a wet bog. The tight military schedule of the Shuttle Program required that the flight take off on schedule anyway, so for public consumption a 23-car railroad train loaded with equipment was sent from California to New Mexico.

Ostensibly, NASA was setting up a spur-of-the-moment landing sight at the White Sands Missile Range. This was done so that the central role of White Sands missile Range in the Shuttle Program would not be suspected by the public and would also delete the need for substitute shuttles in the landing itself because it is publicly closed.

Space Shuttle No. 3 lifted off from Cape Canaveral only an hour behind schedule on Monday morning, March 22nd. Beginning at the moment of liftoff, NASA started laying the basis for a cover-up story should the military mission fail. First you heard the pre-recorded voice of Shuttle Commander Jack Lousma saying unexplained white flakes were flying past the windshield. Later, after the shuttle was out of sight, we were told that one of the power packs called an APU was not functioning. These initial hints of possible trouble had been pre-recorded for broadcast during the launch—for a reason. There was fear that the shuttle might be destroyed by Russian space weapons before reaching orbit altitude. Had that happened, the shuttle managers wanted to be able to initiate a cover-up which would not reveal the military situation; but as it turned out, the preparations paid off and, through the radical new maneuver already discussed, the shuttle did at least reach proper altitude.

When the Shuttle No. 3 took off, it headed into the northeast. Long-distance cameras followed it until the two solid rockets separated and fell away. Then, as the shuttle disappeared from sight, it started its long sweeping turn into the north. It was heading toward a near-polar orbit so that it would pass over Russia. This much of the flight plan was the same as in the past, but this time a critical new feature was added.

Less than 30 seconds after the shuttle disappeared from TV cameras, the cargo-bay doors were blasted completely off. This opened up a field of fire for the defensive laser at the front of the cargo-bay. Then the shuttle and its giant external tanks started rotating slowly in a space-age version of a barrel roll.

In World War II, fighter pilots made use of the barrel roll to avoid bullets from enemy airplanes. Likewise, the space shuttle used a barrel roll to protect itself against probable attack from Russian Cosmospheres. By rotating like a corkscrew, the shuttle made it impossible for a Cosmosphere to approach safely from any direction. The barrel roll maneuver was a very risky one, however, for the shuttle. The shuttle and tank were not designed with “aerobatics” in mind but calculations showed that it should survive a slow roll, and somehow it did.

One of the biggest questions about the barrel roll stunt was what it would do to the astronauts Lousma and Fullerton. They were required to withstand these dizzying gyrations for about six minutes. At the same time, the shuttle was still accelerating with up to three times the force of gravity; and because of the peculiar design of the shuttle and fuel tank, the gyrations were sickening indeed. Military space doctors knew that at best Lousma and Fullerton would be very sick for some time after reaching this low orbit. Their wild, bruising, spinning ride would end abruptly in weightlessness. That is a combination guaranteed to derange the equilibrium of even the toughest astronaut. Nothing remotely like it has ever been done. Doctors were rightly worried that even if the two survived the mission and returned to Earth, there could be permanent damage to their equilibrium.

When orbit was reached, they did indeed become violently ill. That is why you heard those reports about nausea striking both men. NASA wanted to pave the way for a plausible public explanation if they should not appear well when they returned to Earth. At the same time, the shuttle planners knew perfectly well why they were sick. That is why NASA spokesmen acted so unconcerned when discussing the space sickness with reporters. When they called it “motion sickness”, they were making a gross understatement.

Lousma and Fullerton were to begin work immediately upon reaching proper orbit—sick or not. Their extensively modified crew compartment was to be depressurized already—automatically—with the two men depending upon their space suits. This plan had to be modified slightly when the barrel roll was added to the flight plan.

HARD ON THE CREW

When the shuttle reached orbit the astronauts were in space suits, but the cabin was still pressurized. They were allowed several minutes to get from the flight deck to the Gemini-type escape capsule stored below. Once inside the escape capsule they then depressurized the cabin; then the Nose Laser System deployed automatically to protect the shuttle against any attacks by Russian space weapons. This allowed Lousma and Fullerton to recover from space sickness while inside the capsule.

For the ensuing two days or so, getting well was their main task. It was a period of total vulnerability, of depending on the untried Automatic Laser System for protection. The shuttle planners wanted to have the excuse ready later should the shuttle be attacked and destroyed. So the day after the launch you were shown TV pictures of missing tiles on the nose of the shuttle. According to those pictures at least a dozen tiles in the black area were lost.

If that had really happened, it would have been cause for extreme alarm. Later a NASA spokesman downplayed it, saying the tiles were noncritical. But there is no such thing as a noncritical black tile. The black tiles supposedly lost are to withstand temperatures above 1500-degrees Fahrenheit. Under the tile there is nothing but a piece of felt called a “strain isolation pad” which would not last five seconds in those temperatures, and under the felt is the metal skin of the shuttle. It is made of aluminum, which loses its strength above 350 degrees. If exposed to 1500-degree heat by a few missing black tiles, the shuttle could not possibly avoid very severe, crippling damage or destruction by rupturing.

PRE-RECORDED HOAX

The nice NASA space movies we saw on TV were a pre-recorded hoax to provide an excuse if something went wrong, but it didn't. The astronauts recovered, went to work, and deployed the new military satellite. Meanwhile, NASA spokesmen waved aside the alleged tile problem as minor. It had served its purpose and was no longer needed.

Throughout the remainder of the week we heard about one problem after another. Supposedly the cargo-bay doors would not close and I guess not, since they were blown completely away, the toilet would not work, three out of four communications channels went out, one of the three crucial data display screens in the cockpit failed, etc. None of these stories was true; all were devised to provide blather material and cover story for possible problems with the secret military mission, but in the end none of them was needed and so NASA spokesman just waved them aside as unimportant.

The secret military mission was a success, so the pretended mission which was cooked up for TV was declared an overwhelming success, also.

[END OF QUOTING]

This is a good place to break the writing so that it is not too lengthy and unwieldy. I am getting a lot of complaints from the ground crew about bombardment of pulse waves in the low frequencies. I'm sorry, kids, but the Parasites have turned on everything they have to test it in the weather control project. You are going to have to get control of selves because you are going to find everyone around you ill and cross, depressed and basically angry. You know what to do to counter this—SO DO IT. Don't be concerned with headaches—take ASPIRIN as a FIRST choice because of its ability to reduce swelling in joints. This is “nothing” compared to a nuclear war so let us be grateful for these small blessings. The Nuclear Strike described so well above was not the only one—nor have the Elite ever stopped planning.

You are being set up again in a different direction and you had better look again at the articles in the paper regarding Jason Brent, Esq. and the Mensa bunch. They MEAN IT, the only thing they find wrong with Hitler, according to Brent (not his name—he was born something like Berkowitz), was that Hitler blew it for the “Master Race”. This man (Brent) CLAIMS to be a Jewish leader with over 150 of his people killed in the Holocaust. Boy has he stuck his foot firmly into his mouth this time. This is the same man who ruled against Ekkers while working with the S&L and Governor of California. He and Steven Horn, his friendly cohort (still), both were given information from George Green AND THE UNIVERSITY OF SCIENCE AND PHILOSOPHY to prevent getting the “property” case settled. I warned you local friends, in the beginning, that it was going all the way to the White House—and so it has gone even further.

Brent is a part of the Zionist One Worlders who fully plan to HAVE EVERYTHING OF PROPERTY—AND KILL OFF THE ELDERLY, INFIRM AND COMPROMISED—THAT MEANS EVEN THE HOMELESS!! AND, WORSE, IT HAS HIT THE PAPERS!! Well, perhaps it is “better”. It is hard to continue to blame E.J. and Doris for ALL HIS PROBLEMS today, is it not?

We will cover this at another time—I do suggest that this information from Mensa with cover-letter be gotten to all the legal counsel in EVERY case—it will reflect right back into Green’s lap. Remember that everything is hooked to everything else—that is the attorney, Jason Brent, that George sent Leon and Eleanor to, to “getcha”. With morals such as described in the paper and a history of removal of documents and tapes from case files and personal threats with many witnesses, while representing a case HE STARTED with the lot owner and then the subsequent arrest fiasco—is good background to consider for ammunition now. The fact they are making amends FOR HIM by saying that he handles some cases free—is pure B.S. Jason Brent committed a crime by trying to force Ekkers to pay his legal fees in a case he brought through the county in which the taxpayers paid for his client’s legal encounter. This is where it is, readers, you have to hit it at home or you can’t change a nation when these are the types of men you have on the benches of your courts across this nation. I ask that the articles be run as are from the papers—all, prior to next press day—I am tired of the criminals winning! I also hope you ones who now KNOW THE ASSOCIATED PRESS PERSONNEL WILL ACT WISELY AND SWIFTLY. Thank you.

NEWSLETTER ARTICLES STIR
FUROR IN HIGH-IQ GROUP

* Opinion: Writers in Mensa publication spark outrage by advocating killing the old, infirm and homeless. Board backs the editor and the authors’ right to express their views.

by Nora Zamichow
Times Staff Writer

In what sort of publication would you expect to read:

“Those people who are so mentally defective that they cannot live in society should, as soon as they are identified as defective, be humanely dispatched.”

Or that Adolf Hitler’s greatest offense was not the killing of 6 million Jews in the Holocaust but “the fact that his actions prevent a rational discussion of the creation of the master race.”

These articles recently ran in the monthly newsletter of the Los Angeles chapter of the high IQ society, Mensa. The publication circulates to a readership that claims IQ in the top 2% of the public.

In defending her decision to publish the article—which appeared to propose extermination of the homeless, the mentally retarded, the old and the infirm—newsletter editor and Mensa member Nikki Frey was unapologetic and surprised that anybody would be offended.

“I would not print anything I thought was truly harmful or offensive,” she said. “I didn’t think it was harmful; I don’t think it’s even that offensive—nobody wants to have a deformed child.

“I personally wouldn’t hurt a fly. Well, maybe a fly. I am the most sensitive person.”

Not everybody thinks so. The articles in the November edition of the Mensa newsletter caused considerable outrage among the chapter's 2,000 members. Some wrote irate letters, others called to complain. And several attended a board meeting to protest.

"We have these Nazi ideas being published in the publication that goes everywhere," said Mensa member Betty Schneider. "This is fascism carried to the *nth* degree. I don't want to be identified with an organization that condones this type of thing."

Alan Stillson, puzzle editor of the newsletter, wrote a letter threatening to quit unless an apology was printed.

"As a Mensa member who enjoys the organization and most of the members and as a stepfather of a Down's Syndrome child who loves him and is incensed at the thought of advocacy of his extermination, I insist on an immediate written apology and a retraction of the policy of printing hate articles," Stillson wrote in his letter, printed in the December newsletter.

In the previous issue, one of the writers, Jason G. Brent, a Tehachapi lawyer, wrote that "society must face the concept that we kill off the old, weak, the stupid and the inefficient." He concluded that the true travesty wrought by Hitler was that he forever spoiled the concept of a master race.

The other writer, Jon Evans, put forth equally shocking views.

"It is not clear to me just exactly why anyone would expend time and effort and money on the homeless. What good are they? The vast majority are too stupid, too lazy, too crazy, or too anti-social to earn a living," Evans wrote. "Granted, there are a few people who have fallen beneath the blows of circumstances and are unable to afford any place to live, but they are few and far between. The rest of the homeless should be humanely done away with, like abandoned kittens."

Nor did Evans show much mercy for the infirm.

"A piece of meat in the shape of a man but without a mind is not a human being, whether the body be deathly ill, damaged by accident, mentally blank because of brain deficiency, or criminally insane."

Brent said he was merely writing about a crucial reality—the urgent need for population control—that much of the world has ignored. "I'm not a fascist," he said. "I just have a problem that we better face."

Evans was unavailable for comment.

This is the second time in little more than a year that the Los Angeles chapter of Mensa, which admits only those with IQs above 132, has been caught in an embarrassing spotlight. In late 1993, Mensa board members were rattled by a string of anonymous letters, including death threats that appeared linked to a personal feud.

Newsletter editor Frey, who works as a legal secretary, and some Mensa board members are quick to point out that the monthly newsletter, called *LAMENT*, endorses no official point of view. A disclaimer beneath the masthead reads: "Opinions expressed in Lament are those of the individual contributors."

"Besides," said Frey, "Nobody actually *reads* the newsletter." (Well, they do in St. Louis; the newsletter's circulation was wide enough to attract the attention of a newspaper columnist in that city, who recently wrote an enraged piece.)

Frey also felt the criticism was overblown because it was merely about words. "I don't know what people are so excited about; it's not like Evens or Brent have any influence over any law," she said.

Nor was it as if Frey had great respect for the opinions of the writers. Evans had published dozens of similar articles in the newsletter before she took over almost two years ago, she said.

"Evans used to have these articles month after month, 'Kill this group, kill that group,'" Frey said.

Bruce Kent, publications officer and board member with the national parent organization, American Mensa Ltd., said the group has guidelines for the newsletters that are issued by almost 150 chapters. Those guidelines call for material to be in "good taste" and suggest that editors "avoid publishing material

that reflects negatively on Mensa.”

“We officially deplore hate material,” Kent said.

Did Evans’ and Brent’s pieces violate the guidelines? Apparently not.

“I hadn’t seen them as hate articles,” said the chairman of the Greater Los Angeles Area Mensa chapter, a woman who goes only by the name of Gowen. While one board member dissented, seven agreed with Gowen during their Dec. 3 meeting. Members rallied around Frey, giving her a unanimous vote of confidence and telling others that the flap over the articles was a waste of the best and brightest’s brain energy.

Gowen said the newsletter and its articles were appropriate for its high-IQ readership.

“It depends on whom the publication is for,” she said. “If you are writing for just anyone, you write it one way. But if you write it to get people to think, you write it a different way.”

Author Brent, who wrote about population control, said, “I don’t want to be portrayed as some weirdo person, though nobody else agrees with me.

“We cannot continue to have population explosion. Growth has to stop. We better face that we have to kill people. There are not unlimited amount of resources.”

The way to trim the population, according to Brent, is to force people to purchase the right to reproduce. In his world view, children would not be allowed to inherit wealth, so everyone would start on a level playing field when it came to buying their reproductive rights.

Many Mensa members say they don’t begrudge anyone the right to express an opinion. But they said the official newsletter was not the correct spot to air views advocating exterminations.

“While I agree with free press, I also believe there’s a certain responsibility,” said member Martin Elkort. “This indicates to me that having a high IQ does not necessarily translate to common sense or wisdom.”

[And then, from the 1/11/95 issue of *The Bakersfield Californian*:]

MENSAN MADE A DUMB MOVE,
HIGH-IQ SET SAYS
by Tamara Koehler

It is the last thing you’d expect to hear from a Jewish man who says he lost 190 relatives in the Holocaust.

“Hitler’s greatest crime was not that he killed millions of Jews, but that his actions prevent discussion about population control and a master race,” says Tehachapi attorney and former East Kern Municipal Court Judge Jason G. Brent.

Well, OK, it’s a free country where people can say what they think. But when Brent put his thoughts to paper in the November newsletter of Mensa, the high-IQ society, it touched off a furor of criticism that he knows he hasn’t heard the last of.

Hate material, dangerous talk, get rid of the bum. That was the reaction of many members of the elite group that boasts IQs in the top 2 percent nationwide. Others wrote letters threatening to quit the organization unless Brent wrote an apology.

“As a stepfather of a Down syndrome child who loves him and is incensed at the thought of advocacy of his extermination, I insist on an immediate written apology and retraction of the policy of printing hate articles,” wrote Alan Stillson of Lancaster.

But reactions among Brent's fellow Mensa members in Bakersfield are more tolerant, in part because they know him as a lawyer who takes in poor clients and has served on the county's Human Relations Commission.

They say Brent's article was at worst "politically incorrect" and at best an honest expression of well-thought-out ideas.

"First of all, this is an in-house publication; it's not pitched and promoted on the newsstands," said Peggy Noland, an attorney in Kern and proctor of the local Mensa chapter. "I encourage the forum and the opportunity where people can express a position that may be a little unpopular in the mainstream."

Don Silvius, a retired Bakersfield City School District supervisor and Mensa member, said the newsletter often is filled with non-mainstream types of opinion pieces.

"Political correctness is not one of the strong suits of this group of minds," Silvius said. "One of the things that makes Mensa interesting is that any topic is up for discussion."

The article in question is called "Like It Or Not," a one-page discussion on the need for enforced birth control and euthanasia to bring the world's population under control. It appeared in *Lament*, the monthly newsletter of the Southern California chapters of Mensa, which includes about 2,000 members in Kern and points south.

At the center of the article is a picture of Pope John Paul II, a man Brent says is "one of the two greatest criminals who ever lived." (The other, Brent says, is Hitler.)

The greatest crime anyone can commit in this age of exploding population growth is to have more than two children, Brent argues.

Grim facts are woven through Brent's arguments. Every 30 years, the world's population doubles. At present, there are more than 5.6 billion people on the globe, with roughly two-thirds living in Asia.

Brent argues that society eventually will play God and decide who is to live and who should die. On the debit side are "the old, the weak, the stupid and those unable to survive in a highly technological society."

Brent admits his words inspire strong reactions. But that's what he wants.

Despite his strong rhetoric, Brent is a man of contrasts—a Democrat turned Republican, a man who says the poor are bound to be on society's to-do-in list yet takes on many of his clients for little or no payment.

Brent was appointed to the East Kern Municipal Court judgeship by Gov. George Deukmejian in 1988 and served in the Mojave, Tehachapi and Boron branches until 1990.

FIRE FROM THE SKY
by “One Who Knows”

[H: Keep in mind as we move along here that this particular document came to us through Richard Snell and with that in mind—go write another letter to Gov. Guy Tucker. By the way, others have been in the presence of Tucker AND Clinton while snorting cocaine IN THEIR PERSONAL LITTLE OL’ DUCK BLINDS!]

WAR PLANS AND SPACE SHUTTLES

Late Friday night, March 26th, Lousma and Fullerton finished deploying the new Superspy Satellite. It had taken longer than planned, but it was done. The shuttle was left in orbit. The astronauts re-entered their Gemini-type escape capsule, fired its retrorockets, and dropped out of orbit to an Indian Ocean splashdown. From there they were flown nonstop to the White Sands Missile Range, New Mexico.

The shuttle directors took advantage of a sandstorm at White Sands to delay the public landing for an extra day while the astronauts recuperated. Then the next morning they boarded one of the two remaining secret shuttles at White Sands. The shuttle took off from the north end of the immense White Sands Range, using small solid rockets. Just moments before 11:00 A.M. it made its appearance on TV. They swooped in from the north, dropped down over the mountains, and touched down in a cloud of white dust. Finally, after a respectable wait, out stepped Lousma and Fullerton all rested and refreshed.

On Memorial Day, May 30, 1982, Richard Halloran leaked the existence of Project Z in an article in *New York Times*. The article said: “**PENTAGON DRAWS UP FIRST STRATEGY FOR FIGHTING A LONG NUCLEAR WAR. Defense Department policymakers in a new five-year defense plan have accepted the premise that nuclear conflict with the Soviet Union could be protracted, and have drawn up their first strategy for fighting such a war.**” It did not say, however, that the plans were to launch the war in three months. The article went on to mention that the plan was laid out in an unpublished document of 125 pages. It was drafted for approval by a man who served Satan directly, Secretary of Defense, Caspar Weinberger.

Caspar Weinberger is a most interesting guy, but his story is so mind-boggling that I will have to save it for some other time. The U.S. Pentagon was controlled by the Bolsheviks who formerly controlled Russia. Weinberger was the highest *visible* agent of the Bolsheviks in the U.S. government at that time.

BITTER RIVALS
WHY ROCKEFELLERS HAD TO BE TAKEN-OUT

[H: I'm sorry, readers, but you face it, right now, the FACT that all of the Rockefeller brothers were MURDERED. The ones you see now, David, who works with another replica, Kissinger—are replacements. Kissinger was killed in an accident with his wife Nancy over the ocean on a trip (honeymoon of some kind) and it about threw the plan. You will recall that at the time of Nelson's death Kissinger was missing for weeks. The fact is, however, that the "trip" in point was immediately following Kissinger's eulogy at Rockefeller's funeral. There is no honor among them! The Rockefellers had to be taken out because they had begun to act apart from the cartel of death.]

The nuclear war plan of the Bolsheviks was moving most quickly, but the U.S. Government was a house divided. The Bolsheviks were opposed by their bitter rivals, the Rockefeller cartel. Their top visible operative in the federal government at the time was Secretary of State Alexander Haig. The often visible feuding between Haig and Weinberger was only a pale shadow of that deadly power struggle behind the scenes. Unlike the Bolsheviks, the Rockefeller faction did not want nuclear war. In a word, they couldn't "afford" it. They would lose everything, and so the Rockefeller faction was working feverishly to head off the Bolshevik nuclear war plan.

The new anti-Bolshevik rulers of Russia were also against nuclear war. The anti-Bolshevik, anti-nuclear war attitudes of the Rockefeller cartel and the Kremlin led to a limited coalition between them. The most spectacular result from this Rockefeller-Russian coalition was the Falklands War raging between Argentina and Britain.

The Falklands was the visible aftermath to cover warfare which took place during April, 1982. The Rockefeller cartel and the Russians joined forces to destroy certain major military installations and weapons reserves. These were key ingredients in the final phase of the Project Z war plan.

The whole operation began at South Georgia Island on April 3. With the help of Argentina a joint Rockefeller-Russian commando team was able to knock out the giant hidden naval base there. The base, built during the 1960s, was originally controlled through the U.S. Government by the Rockefeller cartel but the Bolsheviks acquired control of the bases in the late 1970s when they also seized control of the American Pentagon.

The major base was contained within a giant man-made cavern hollowed out inside a mountain near the water. With the camouflaged ship entrances sealed, the base was bombproof, but the joint Rockefeller-Russian commando team succeeded in attacking the base by drilling a shaft through the mountain. Then a compact Russian neutron bomb was inserted through the shaft and detonated inside the cavernous naval base. The process took several weeks. The Thatcher government which—like the U.S. Pentagon—was Bolshevik controlled, dispatched the Royal Navy.

First, it was supposed to dislodge the heavily-armed Rockefeller-Russian military force before it could destroy the naval base, then it was to move on to the Falklands for the publicly-admitted fighting. The Royal Navy arrived several days too late to save the secret base on South Georgia Island. But by that time

the panicking Thatcher government had already committed some two-thirds of the Royal Navy to the South Atlantic. On top of that, at least one British ship had already been sunk by Russia in connection with the secret South Georgia operation. That left the Thatcher government with no choice but to engage Argentina in battle, otherwise it would have been impossible to explain away Britain's huge deployment to the South Atlantic, much less the heavy losses which had been sustained.

On April 30 the British blockade of the Falklands was just beginning. Later that day President Reagan announced that the U.S. was actively siding with Britain. The announcement was a victory for the Pentagon war faction. Right away warfare around the Falklands started heating up quickly. On May 1, the British launched bombing raids against the airport at Port Stanley, and on May 2 a British submarine torpedoed Argentina's second largest ship, the cruiser *General Belgrano*. It sank within 24 hours, leaving a death toll of more than 300 Argentine sailors. The sinking of the *Belgrano* was expected to demoralize the Argentines, but instead it enraged them. The *Belgrano* had been sunk at a time when it was not threatening the British forces. The Argentines decided it was time to start playing their ace-in-the-hole against the British.

Argentina had been given certain promises in return for making the secret South Georgia operation possible. One of these was the promise of covert military assistance by Russia against Britain. Specifically, it was pledged that the Russians would intervene in parallel with Argentine air and naval operations in ways designed to even the odds. In this way Argentina's military leaders could take full credit for both their own and covert Russian attacks on the British. At the same time, the procedure was designed to keep Russia's role in the fighting quite obscure.

I simply do not have time to go into what the real truth was about the Falklands War, just suffice it to say that what you were told was worlds away from the truth.

On August 24, 1982, another Cosmosphere was blasted out of the sky over the New York City vicinity, to be sure the New Jersey shot event could be duplicated. It created a high-speed fireball, described in the *New York Times* as a possible asteroid burning up. **[H: Do you ever notice how incredibly many ASTEROIDS YOU HAVE IN YOUR SKIES?]**

When the American Phantom warplane would be launched into Russia on Z-Day, they would be swarming toward only six primary and about a dozen secondary targets. The six primary targets were the Russian Space bases, four Cosmodromes at Baikonur, Tyuratam, Plesetsk, and Kapustin Yar, and two Cosmosphere facilities at Semipalatinsk and Novosibirsk.

As for the dozen or so secondary targets, those were the complex of Russian flying ABM bases. The system consisted of anti-missile particle beam weapons carried aboard converted TU-144 Supersonic Transports. The Transports were mysteriously removed from service in June 1978 for conversion to anti-missile defense but by September 1982 the system was fully operational. The intent was to knock them all out, if possible, to make the American follow-up attack more devastating.

Some other "stuff" came down about then, also. It was determined that if the strike against those bases failed, the war plan was doomed. There was only one satisfactory geographic location from which to launch a strike against the Russian Cosmosphere areas and that location was Sinkiang Province, China.

The Bolsheviks must have access to Sinkiang Province at all costs it was decided—so—the Carter Administration unexpectedly dumped Taiwan on December 15, 1978, and suddenly announced full diplomatic relations with Peking.

END OF THE WORLD
PLANNED FOR—

THE “END OF THE WORLD” WAS SET FOR 3:00 P.M. E.D.T., FRIDAY, SEPTEMBER 17, 1982. This was the second date set to launch Nuclear War One (the first in late January of 1980 had been postponed). This date, by the way, **WAS THE “FEAST OF TRUMPETS”**.

At EXACTLY 3:01 P.M. E.D.T. all of Russia would be in darkness. When the Indian Ocean Satellite signal would arrive confirming the attack, it would be followed within a minute or so by the EMP episode described above.

If you were watching TV or listening to the radio, there would suddenly be horrendous static and possibly permanent damage to the receivers. There would have been a total power blackout and the telephones would have gone dead. Russian short-range underwater launched missiles were planted along OUR shores and in the Great Lakes in 1976 and 1977 (and are still there). **[H: We told you all of THIS information way back in 1989 and early '90s. I can't help it if you didn't see it but I suggest you go back and get those journals because so much more than is offered here, went on. That, alone, should cause you to see the extent that the enemy will go to, to keep information from you—there has been such attack against our paper and journals as to boggle your minds. You WERE TOLD BACK IN 1981 AND 1982, AS A MATTER OF FACT, AS IT WAS UNDERWAY, BY ME AND THROUGH DR. PETER BETER—AS IT WAS UNFOLDING. BETER IS THE ONLY REASON THE END OF YOUR WORLD DID NOT HAPPEN. THE RECOGNITION FOR SUCH HEROIC ACTIONS? “THEY” MURDERED HIM AND THREATENED HIS FAMILY. AFTER HE CEASED SPEAKING OUT THEY KILLED HIM WITH HEART ARREST. THERE HAVE BEEN MANY BRAVE ONES WHO HAVE BEEN TAKEN OUT TRYING TO INFORM YOU-THE-PUBLIC. SO, PLEASE DON'T JUST WHINE ABOUT IT—GO GET THE INFORMATION, KNOW AND THEN YOU CAN ACT IN WISDOM. Your GOVERNMENT watched and did nothing while those bombs were planted.]** We would have had from 24 to 10 minutes to live depending on how far from the launchers we would be.

In addition, Russia had Moon bases and Cosmospheres overhead, both armed with their charged particle beam weapons.

So what happened? The Superspy Satellite launched in March 1982 by the third Shuttle had detected something most puzzling in Russia. The puzzle consisted of large numbers of small domed installations arranged in rings around strategic Russian targets. There was a ring of those domes around each Cosmodrome and around each Cosmosphere Base in particular. They were obviously defensive weapons of some sort. There were heated discussions about what they might be. Actually, they were Rail Guns. I shall not spend more time on them, if you want to know more, do your own research. The information is available to the public. For now, I will just say that Rail Guns cannot be deflected by electronic defenses. **[H: Indeed we wrote about all of this also—and, it becomes more and more obvious WHY GEORGE GREEN TIED UP ALL THOSE EARLY JOURNALS, DOES IT NOT?]**

Because of the arguments over the uncertainty of success, the attack was called off five hours before launch time. It was rescheduled.

IT WAS RESCHEDULED FOR FEAST OF TRUMPETS, ROSH HASHANAH, THURSDAY, SEPTEMBER 20, 1990.

This last one was also rescheduled and that date also passed. The time was again reset for a later date for the launch of Nuclear War One.

Guess for when the new date was set?

Please review the first paragraph of this paper. I will copy it for you here:

“As I begin writing this report, the news is telling about a strange USAIR airplane crash in Pennsylvania. Next day a plane crashed in Moscow. CNN told about a fireball that was reported from Bakersfield, California, to Medford, Oregon. They said it occurred about 6 or 6:15 in the morning on **SATURDAY, SEPTEMBER 10 (1994)** and was so bright that the light shining through windows woke up some people. They showed a house in San Rafael with a hole in the roof from a piece of something falling from the sky. An Ariane rocket was launched from French Guyana and was LOST, a day before. **[H: I have told you continually watch those rockets from French Guyana—which always come a day after a shuttle launch and sometimes without shuttle launching.]** Several earthquakes have occurred in California, including one that CNN showed on a map, southwest of Lake Tahoe. About 15 minutes later, CNN began telling about the Space Shuttle firing lasers at Earth and showed a view of Earth, with Lake Tahoe in the upper right corner of the screen. **[H: Indeed, you readers of *CONTACT* DO know all about these things AS THEY HAPPEN.]** If you put the two together, then you can see that the *Columbia* Space Shuttle is firing laser beams at Earth ‘for environmental purposes’, precisely where the earthquakes are occurring. The President went to Camp David **[H: Always does when he needs up-tweaking or to be in a place of total security.]**, then when the President returned (?), a plane crashed into the White House. Later he gave a speech in a room of the White House, then just after he left a fire broke out in the room. Rosh Hashanah is recently passed, and Yom Kippur is coming up. The President has ordered 8,300 Navy, 1,800 Marine and 4,000 Army personnel along with 15 or 20 warships to *[prepare to]* invade Haiti.”

Now, as I finish this article, as I am typing this the TV is telling that Carter and Colin Powell have arranged for the invasion of Haiti to be called off.

The payload launched from Guyana was a relay mirror satellite for the weapon carried on *Columbia*. It was to be fired into earthquake lines in Southern California to trigger bombs that have been placed there, to set off earthquakes. The resulting destruction would allow the government to bring in FEMA and declare martial law. There are presently thousands of Russian troops **across the border in Mexico and Baja California**. The headline of the August 1994 *Criminal Politics* newsletter says, “**International Zionism Planning War in Mexico, 300 Tons of Soviet Hardware Landed in Veracruz.**” Recent articles in *SPOTLIGHT* newspaper and several other newspapers across the country, including the *San Francisco Chronicle*, have reported on thousands of Russian troops and military equipment presently seen inside the U.S. Clinton called two aircraft carriers into the Caribbean and called up the Reserves

(usually, you call up the reserves when you are losing the battle!). The relay satellite for the shuttle was shot out of the sky by a “**FLYING SAUCER**” [H: RIGHT ON!]. **The USAIR flight that was shot down, probably by a Russian beam weapon (the pilot said “traffic”, and the cockpit recorder recorded what is described as a “WHOOMP, WHOOMP” sound) WAS CARRYING PAUL OLSON, WHO HAD JUST TESTIFIED CONCERNING AN UPCOMING DRUG TRIAL.**

CNN is talking about the shuttle in orbit firing lasers at Earth. The President just happened to be sleeping across the street when an airplane crashed into the White House, and later he gave a speech in a room in the White House and walked out and a fire broke out where he had just been. **September 6 was Rosh Hashanah and September 15 was YOM KIPPUR. Today as I finish this article it is September 18. I had to work, today, at a trade show. One of my customers was a Russian. I have a man (whose boss is Secretary of State Warren Christopher) speaking on audio cassette tape saying he PLANTED A NUCLEAR BOMB UNDER THE UNIVERSITY OF TEXAS IN AUSTIN.**

Friends, there is much more that I could say, but I am tired. It is time you started doing YOUR OWN HOMEWORK. That is, if you care. DO YOU?

MAY YOU LIVE TO HAVE ANOTHER DAY!!

[END OF QUOTING]

There is a bit more, Part II, to this which we will take up in the next writing. Readers, I do not know HOW to cause you enough alarm to pay attention. The Parasites are taking the Host and you continue to sleep, sleep, sleep. GOD IS NOT GOING TO DO THIS **FOR** YOU—SO FORGET IT. WE CAN SHOOT DOWN THAT WHICH IS GOING TO CAUSE MASSIVE DAMAGE AND DISORDER OUT IN OUR SPACES. BUT IF YOU WANT SOMETHING DONE ABOUT THIS ONGOING GAME—**YOU WILL DO AS SUGGESTED, GET INFORMED NOW, PAY ATTENTION TO THAT SHUTTLE, ROCKET LAUNCHES AND OTHER GARBAGE AND ACT ACCORDINGLY. YOU TREAD ON THE BRINK OF TOTAL ANNIHILATION AND ACT AS IF IT IS ANNOYING THAT WE USE SOME KIND OF “FEAR” TACTICS. I DON’T FIND ANYTHING WHICH CAN EVEN MEASURE UP TO THE “FEAR” YOU SHOULD HAVE! WHAT DOES IT TAKE??**

Thank you, Dharma, and I am pleased to see that you understand WHY I had to ask you to go through all this work—AGAIN. It has to be done, scribe, or we can’t expect man to have any way of getting this information. However, two things must be attended—1) The parasitic stranglers are frantic and in that mode they do stupid things. And 2) you can see that the activities of all kinds of manipulations from weather to quakes are taking place. Truth bringers are BRINGING FORTH TRUTH—AND THE PARASITES CANNOT SURVIVE IN THE LIGHT OF TRUTH!! AHO.

REC #3 HATONN

THU., JAN. 12, 1995 11:45 A.M. YEAR 8, DAY 149

THU., JAN. 12, 1995

This next portion which the author refers to as PART II is worthy of special attention. It is as with all things—the expectation and the “call-off” is hardening the ability to believe the TRUTH. We have to continue to tell you about things when they are “expected” and to feel your wrath and blame when nothing happens which can be seen or heard through your press and media. This is the full intent and purpose of YOUR ENEMY. I am continually astounded and saddened that you ones so unrelentingly desire the total disaster to happen. Of course, I further realize that you want it to be BIG and happen TO SOMEONE ELSE to prove your own direction. You are not “just caught in the battle of good and evil”, YOU HAVE PRECIPITATED THAT BATTLE. I so honor this man and ones working with him and with all the information so carefully sorted and researched—that ONCE AGAIN it can be offered to you. GOD CANNOT EVEN COME AND GET YOU INTO SECURITY AS LONG AS YOU **DON’T KNOW WHAT AND WHO TO EXPECT**. My people are so very weary and constantly pounded by the assaults but we will hang in here a bit longer and pray our work will find recognition IN TIME! SO BE IT.

FIRE FROM THE SKY

[QUOTING, PART 14:]

THE REST OF THE STORY

God did not say, “Righteousness will make you free.” He did not say, “Obedience shall make you free.” Obedience to a preacher, pope, pastor or guru WILL NOT DO IT. Neither will counting beads, ringing gongs, sitting cross-legged or chanting mantras. HE SAID THAT “THE TRUTH SHALL MAKE YOU FREE.” (Jn. 8:2)

We have lost a great deal of our freedoms, (and what is so appalling, most people are not even aware of it!) and are fast losing the rest. This must mean there is not much truth known and being taught! It is time we search for real truth!

I have been asked for the rest of the story about what happened with the American Space Shuttle Program, so I will try to add more information as I have a chance. Now to continue the story.

In my previous writing, I said that the “End of the World” was set for 3:00 PM E.D.T., Rosh Hashanah (Feast of Trumpets), Friday, September 17, 1982.

At exactly 3:01 P.M.E.D.T. all of Russia would be in darkness. When the Indian Ocean Satellite signal would arrive confirming the American Phantom aircraft attack, it would be followed within a minute or so by the EMP episode described previously. This would signal all U.S. military forces to launch a full scale “retaliatory” nuclear attack against Russia.

Obviously this did not happen, and I did not go into detail at the time about what actually happened.

A syndicated article published by *NEWSDAY* said that on June 10, 1982: “President Reagan stunned allies at the NATO summit by telling them that as far as he is concerned the Soviet Union is at war with the United States, European officials said last week. The statement, which came as the President was summing up his views on the two-day meeting in Bonn, so surprised the other heads of state that they remained silent, and NATO Secretary General Joseph Luns immediately adjourned the session, according to these officials who were present at the summit a month ago.” **[H: I would suggest you think on this a minute. And, CONSIDER THE SHAPE OF RONALD REAGAN THIS DAY. You DO NOT know if the tales being presented by his Parasitic Fluke biographer are accurate or not. REAGAN MUST BE SILENCED AND WHERE IS RUSH LIMBAUGH WHILE THEY DO THIS TO HIS FRIEND? AND JUST WHAT DO YOU THINK RUSH WOULD DO WITH THIS INFORMATION? SO FAR HE HAS IGNORED ALL OF OUR COMMUNICATIONS AS IF THEY WERE HIS PRIVATE “HOT POTATO(E?)” No, citizens—you are in this alone, without those “false protectors”—and YOU will fix it or go down with the intended ship.]**

For several years prior the war had raged between the U.S. and the Soviet Union. There was just no public admission of the fact that the war was already under way between the superpowers.

On July 13, *Pravda* published a speech by Soviet Defense Minister Marshal Ustinov which said that the U.S. was orchestrating a trade, credit, and technological war against the Soviet Union. He also gave a blunt warning to Washington that a: “...pre-emptive first-strike use of nuclear weapons could not insure an American victory.” **[H: And boy, is he ever CORRECT!! Zhirinovski came all the way to the U.S. to tell you citizens the same thing and other things—but he couldn’t make it even past the pre-structured and chosen interrogators or talk-hosts—WHO SERVE THE PARASITIC CAUSE ALL THE TIME, ANYWHERE!]**

This indicated that Russia’s new leaders knew about the Reagan Administration plan to launch nuclear war soon and they were prepared to defeat the Bolshevik-triggered American first strike if it was carried out. The Satanic Bolshevik-Zionist (Reagan/Begin) axis did not listen. They plunged right ahead with plans for all-out nuclear war.

They had a 5-part plan.

Part 1 was to stir up as much internal turmoil in Russia and her satellites as possible. This included sabotaging an Aeroflot jet which crashed in Moscow on July 6 (are any of you watching what is currently going on over there?).

Part 2 called for conditioning the American people for war (anything like that going on now?).

Part 3 of the plan involved the Space Shuttle Program. *Columbia STS-1* was launched April 12, 1981, on the 20th anniversary of the first orbital space flight of Russian Yuri Gagarin (and about two weeks after the “attempted assassination” of President Reagan). It was shot down by two Russian Cosmo-spheres. Astronauts John Young and Robert Crippen were burned up when it crashed 85 miles south of Kazan in central Russia. A fake landing was staged at Edwards Air Force Base using the shuttle *Enterprise* and actors.

Columbia STS-2 was launched November 12, 1981. It supposedly carried Astronauts Joseph Engle and Richard Truly. In fact there were no human pilots aboard. It was shot down by Russian TU-144 jet airplanes using beam weapons, over the White Sea (near Finland on your map).

Columbia STS-3 was launched March 22, 1982. It was supposed to orbit a special new Spy Satellite. It was hardened against attack from Russia’s space weapons and armed with a robot-controlled laser that could shoot back. In addition, the shuttle itself was armed with lasers on this third try. It landed one day behind schedule on March 30, 1982 at White Sands. That is, something landed. Astronauts Lousma and Fullerton successfully deployed a new laser-armed spy satellite then abandoned ship and entered an escape capsule and returned to Earth splashdown in the Indian ocean. From there they were flown to White Sands Missile Range, where they later faked another shuttle landing.

The “End of the World” was set for 3:00 PM E.D.T., Friday, Rosh Hashanah, Feast of Trumpets, September 17, 1982. However, what the Superspy Satellite found scared them into waiting, and the new launch date for Nuclear War One was eventually rescheduled for Feast of Trumpets, Thursday, September 20, 1990. This is where I left off in the previous article.

STS-4 was launched June 24, 1982, with Astronauts Thomas Mattingly and Henry Hartsfield (STS is Space Transportation System). Its purpose was to deploy a satellite that would be used to confirm the Phantom aircraft attack which was then the go-ahead for launching the nuclear missiles upon Russian targets. The Attack Confirmation Sensor was placed in geostationary orbit over the Indian Ocean by an auxiliary rocket. It was a cryogenic satellite—that is, it was maintained at super-cold temperatures close to absolute zero. This cold state was intended to protect the satellite from detection by Russian space weapons which would be partially based on “heat” (infra-red) sensors.

For several years prior to 1982 the American scientific Intelligence analysts knew that the Russians had a new technology for target acquisition. The Russian technique was not radar nor was it any other conventional means of detecting and tracking targets. The technique was deadly accurate, reliable, and, unlike radar, impossible to jam. Analysts were convinced they had figured out what the Russian technique was. They believed it was a Russian version of computer-enhanced infra-red detection. This was then developed in the U.S. and was called CEIR (see-er).

Shortly after development, a CEIR-equipped American laser was used to shoot down a Russian Cosmosphere. All objects warmer than absolute zero emit infra-red radiation. The warmer the object is, the more infra-red it emits and the easier it is for computer-enhanced infra-red sensors to detect it. The only way to hide from CEIR is, therefore, to reduce the temperature as low as possible. That is why the Air Force Attack Confirmation Sensor was a cryogenic satellite. **[H: These things are also WHY you have so many Russians within your secret halls of science and so many military units from**

Russia running around in the U.S.—it is not to do with the United Nations—in most instances it is to prevent the U.S. from making that fatal blunder!! Better stop being so hostile to the Russians because of their presence and begin to pay attention to WHY they are here.]

When our government tells us that the shuttle payloads are carrying equipment to peer through clouds and electronic shields around planets and so on, don't you believe it. They are trying to develop a weapon they feel will give them the advantage when they launch all-out nuclear war, which they have tried to do several times. What do you think is really going on now with Korea, Haiti, Bosnia, Iraq, etc.? **[H: Why do you think spy AMES was so treated by his very U.S. friends? He had valuable information which he fed to Russia on this very subject. You see, if you start a nuclear war—the WORLD GOES DOWN—NOT JUST THE LITTLE INDIVIDUAL BATTLERS!]**

Back to shuttle mission #4, a liquid helium cooling system was originally used to keep the satellite only a few degrees above absolute zero, reducing infra-red emissions to nearly nothing.

The cryogenic design of the Air Force satellite was what gave the Bolshevik war planners so much confidence that it would succeed. They were sure that the Russians would be unable to find it in time to destroy it before it was used in war. WRONG! The Pentagon Bolsheviks were wrong about the new Russian target-tracking technique. It was not an infra-red technique at all; instead, it was a revolutionary system which detects the atomic vibrations of matter. The Russians call it Psychoenergetic Range Finding, or PRF. The Russians regarded it as their master secret weapon. The longer it remained a mystery to the American Bolsheviks, the better it would be for Russia and so, when space shuttle #4 launched the Attack Confirmation Sensor in June, the Russians began the game playing. **[H: Never underestimate the intelligence capabilities, either; the Russians KNEW YOU WERE COMING.]**

GAME PLAYING

Instead of destroying the satellite right away, they allowed it to be orbited successfully. The Russians knew that the Attack Confirmation Satellite could do them no harm until war itself was about to begin, so they allowed it to stay there untouched for as long as possible. The result was exactly as expected: The long term survival of the Air Force Sensor convinced the Bolsheviks that they were right about Russia using CEIR. The Pentagon had walked into a major intelligence blunder and the Russians were encouraging them to keep it up.

Throughout the summer Rockefeller cartel operatives within the CIA fed updates about the Pentagon war plan to the Russians. Those reports continued to say that the war timetable was remaining unchanged, targeted for mid-September, so the Russian Space Command let the Air Force Sensor alone for the interim time.

Meanwhile, the Russians began preparing in a totally unsuspected way for the moment when they would destroy the satellite. Those preparations had to do with Russia's international telephone service.

MEN IN OUR COUNTRY WERE PLANNING AN ALL-OUT FIRST-STRIKE HYDROGEN BOMB WAR WITH RUSSIA! Our government, friends. THEY HAD A BACKUP PLAN. If some-

thing happened to the Attack Confirmation Sensor, they could still tell whether or not the Phantom planes took out the Russian space bases, because the attack would shut down the Soviet telephone system!

Or so they thought.

In order to keep our Intelligence analysts from guessing what was afoot, the Russians resorted to a little disinformation in the right places. They created falsified leaks that there were unsettled conditions in the Kremlin, a power struggle (just like what is said to be going on over there right now). The Bolsheviks in the U.S., who are always struggling for power, swallowed the bait completely. First, in June of 1982 the Soviet Union drastically reduced the number of telephone links to the West. They also made clouded threats to reduce service still further at a later date.

The next major step was to suddenly cut off all automatic dialing service to and from the West. The U.S. Bolsheviks were startled but still did not suspect what it really meant. They were too preoccupied with rumblings of trouble in China to worry for long about Russia's telephones.

On April 21 the Rockefeller faction scored a major gain, while all eyes were on the Falklands crisis. The Bolshevik Admiral Bobbie Inman was forced out as Deputy Director of the CIA and replaced by the Rockefeller man John McMahon. On June 24 the shuttle was launched, and next day a coup occurred when Rockefeller operative Alexander Haig was forced TO RESIGN and Bolshevik/Zionist (BZ) GEORGE SHULTZ took over as Secretary of State.

The World War III (Nuclear War I) date was set for September 17 (Feast of Trumpets), but on September 1 Communist Party Chairman Hu Yaobang dropped a bombshell at the Party Congress in Peking. He declared that China should no longer ally itself with the U.S. against Russia; instead Hu said China should regard both superpowers as equal threats but at the same time he included some conciliatory language toward Russia and said high Russian officials would come to China to begin talks around mid-month at China's invitation! By disowning the Sino-American alliance, Hu Yaobang made it clear that the secret American Stealth attack-base IN CHINA WAS IN SERIOUS JEOPARDY.

That base, located in Red China's western Sinkiang Province, was essential for the intended attack on Russia's two Cosmosphere bases in Siberia. That war base was the reason for the joint communique of August 17 by the U.S. and Red China concerning Taiwan. The communique committed the U.S. to discontinue arms delivery to Taiwan at some future date in violation of Reagan's past pledges. The communique was agreed to in order to head off a threatened shutdown of the Stealth base by the Chinese, but it was not enough to satisfy the Chinese.

On September 6 former President Richard Nixon arrived in Peking, adding further to the troubles of the Pentagon war-planners (think about what has happened recently with Clinton-Carter, Korea-Haiti and such. THINK!) Nixon had long been cooperating with the Rockefeller cartel.

Nixon went to Peking as a Rockefeller envoy and one with far more credibility for the Chinese than anyone the Bolsheviks had. Nixon shocked the Chinese by confirming what Russian sources had already told them—that the Stealth base was about to be used in war. Nixon then counseled them not to shut

down the base outright at that time for fear of undesirable reactions by the trigger-happy Pentagon Bolsheviks. Instead, he urged the Chinese to start interfering with operations of the Stealth base by bureaucratic devices. That is one thing the Chinese are very, very good at, and they accepted Nixon's advice.

By September 9 the American Stealth base in Sinkiang Province was effectively put out of action. Critical base personnel were tangled up in Chinese "red" tape, preventing them from reporting for duty. The Chinese were giving hints to Washington that all this was due to continued dissatisfaction over Taiwan but the real reason was that they wanted no part of a nuclear war with Russia and Russia would have taken that base right off the map.

The Kremlin received word through Rockefeller channels on September 9 that the Sinkiang Province Stealth base had been effectively neutralized. At that point the Russians could rest assured that even if the Pentagon went through with its nuclear attack plan, Russia's Cosmospheres would survive quite nicely. Russia's critical space triad of strategic weapons **COULD NOT BE DESTROYED**.

The next Friday, September 10, there was a sudden total shutdown of most International Telephone service to and from Russia but, in order to send a message to America's Bolshevik war planners, a few selected circuits were kept open. Those included Leningrad, Kiev, Minsk, and Tallinn. Their significance lay in the fact that none were targets planned for the initial Stealth attack.

The phone lines were cut off at 7:10 AM E.D.T, or 2:10 PM Moscow time. Moments later the Russian Space Command went to work. A Russian Jumbo Cosmosphere was parked in a pseudo-orbit about two miles above the Air Force Attack Confirmation satellite. It had been there for well over two months—from the moment the satellite was launched into orbit from space shuttle #4. By using its electromagnetic propulsion system at low power the Cosmosphere had remained on station instead of slowly drifting away as a normal satellite would and, parked as it was above the downward looking Air Force satellite, the presence of the Cosmosphere was never detected.

The time had come! The Cosmosphere aimed its beam weapon and fired. Shortly after 7:10 AM E.D.T. on Friday, September 10, there was very bad news for the Bolsheviks. At the newly operational Air Force Space Command in Colorado Springs (which used Control Data Corporation computers) there was a sudden loss of signal from their Indian Ocean satellite. At first they could not believe that their critical Attack Confirmation Satellite had been attacked. All sorts of things were tried in an effort to re-establish contact with the satellite—all to no avail. The satellite no longer existed!

However, their attitude was, it really didn't matter. America was going to be sucked into a totally annihilating war at any rate. We are speaking about reactions and actions regarding the planned war—not what was or was not actually possible.

As that Friday morning of September 10 wore on, the "Project Z" war planners were convened in crisis conference. The question was: What do we do now?

Someone suggested falling back to the back-up plan based on the telephones. "We can still go with the back-up plan—every target in Russia that is attacked by our birds will be obliterated. If international telephone service to Russian target areas is suddenly cut off at zero hour, we can assume that our birds

made it.” There is always someone who didn’t get the word. **Nearly everyone yelled at him, “The Russian phones are already shut down!!”**

For a while there was an atmosphere of near panic. Some were sure that a first strike by Russia was sure to follow and that the Pentagon should push the Nuclear Button without delay. Others argued that if that were the Kremlin’s intention, it was already too late—Russia’s missiles would be on the way already. Someone suggested that the whole Project Z war plan be aborted and rescheduled for later on.

Everyone agreed on one thing: without the Attack Confirmation Sensor, any attack on Russia had become far more risky. After launching the Stealth planes from Norway and Turkey, it would just have to be assumed that they had destroyed their targets. But, you see, THEY WOULD NOT HAVE! With the Attack Confirmation Satellite gone there would be no way to confirm that, so the all-out follow-up attack by America’s nuclear forces might run into a lot more than just the trouble which might have been expected. Not much has changed, friends, we are still ruled by snakes! The Russians kept the International phone lines shut down for seven hours that day. They wanted to make sure that if the Pentagon Bolsheviks pushed the Panic Button, they would obtain absolutely no intelligence at all by monitoring telephone circuits. After the first two hours or so of the blackout, Secretary of State George Shultz was asked by reporters about it. Shultz told them, “It is very significant,” but would say no more.

The idiots still planned to go through with it, and the go-ahead was set for Rosh Hashanah. Project Z would continue on schedule. Meanwhile, every effort would be made to cut through the Chinese red tape that was restricting use of the critical base in Sinkiang Province. At the same time, it was decided to set other plans in motion, too, just in case Project Z should finally fall through.

The countdown continued until Z-Day, Friday morning on September 17. At about 8:30 AM in Washington, a well-known national newspaper reporter was interviewed on the Washington NBC radio station, *WRC*. The reporter of the *Washington Post* called attention to the war warning he had learned about as set forth herein. He outlined the plan briefly for everyone listening in the Washington metropolitan area, and he added that, “If the Pentagon did have such a plan, public exposure through information brought forth had probably reduced the chances that it would be carried out!” **[H: Do you see how one little light (voice) of truth followed-through can SAVE A CIVILIZATION? DON’T EVER THINK THAT YOUR “LITTLE-BIT”, YOUR ONE LETTER, HAS NO PURPOSE—FOR IT DOES!]**

SATAN CANNOT FUNCTION IN LIGHT!

The countdown was called off with less than five hours to go. It has been rescheduled and aborted at least four times since then, including, as well as I can figure it out, the last time was Rosh Hashanah (Feast of Trumpets) this past month (September 1994). **[H: Indeed, and it was a frantic time because as man awakens into truth it becomes impossible to have an “unknown” strike. It is also why there is such a thrust now to guilt-you over the false Holocaust and other major areas of focus so that you will stay asleep a little bit longer—NO, WAKE UP, WORLD! GOD IS SHOUTING AT YOU TO WAKE UP—WHO WILL HEAR? Now the plan is to continue with the Blue Beam Project which will give you the ILLUSION of a returned God with holographic pictures projected throughout the world in the sky. Then, when you are full of rapture, the evil little bastards will lay a cornball trip on you about “space aliens” so that whatever happens it will be blamed on**

“them”. Then, while no one is watching, the strike will be made and no one surviving will know—except the cheats and Satanic playmates. AND “THAT” IS ALL PLANNED IN DETAIL FOR SPRING (MARCH) AND EARLY FALL (SEPTEMBER) TO COINCIDE WITH THE EVIL ADULTEROUS PARASITES’ HOLIDAYS!]

When ancient Israel was warned about Nebuchadnezzar, they said, **“We are God’s people, God will protect us.”** The survivors were marched naked into captivity in Babylon. In 70 AD the Jews in Jerusalem said, “We are God’s people, God will save us.” They all died. I continually hear good people today saying, “I can not do anything about it; I leave it up to God; it is HIS will.” **BUT GOD SAYS, I GIVE YOU FREE WILL, NOT PROPHECIES. PROPHECIES SHALL FAIL, UNLESS YOU CHOOSE THEM (*I Cor. 13:8*).** If you sit and do nothing, while your enemy works to destroy you, then you will be destroyed. Free Will is God’s Will. So be it.

Have a nice day.

[END OF QUOTING]

Dharma, when we come back we will offer a bit of insight from another source which sort of lumps the facts together about where you stand. I guess I have to agree: Have a Nice Day (a Jewish business-person’s original statement to get people into the mood for buying—advertisement gimmick). You just go have a nice day—IT MIGHT WELL BE YOUR LAST!

CHAPTER 14

REC #5 HATONN

THU., JAN. 12, 1995 4:00 P.M. YEAR 8, DAY 149

THU., JAN. 12, 1995

I am going to take up the subject of the Parasites and your evolved circumstances. It seems that no matter what I say—it is better HEARD from printed or spoken word as “confirmation”. Fine, in this instance it makes our work much more easily accomplished.

I have been given something, a small fold-over brochure entitled *AN URGENT MESSAGE!* I don’t need to offer more than just the notations and some of the item discussions. Then I suggest you attend Rick Martin’s suggestions for service [**See Appendix 1 at end of book**] and/or contact others who are underway with their actions.

[QUOTING:]

DEAR FELLOW AMERICAN,

YOU, ME AND ALL AMERICANS ARE FACING A TERRIBLE DANGER IN 1995.

[H: There is nothing “different” about this information but it is well outlined. It comes from The American Freedom Network, 42015 Ford Road, #260, Canton, Michigan 48187.]

We’re already into a fast developing police state! Over a million foreign troops are already here to back up a tyrannical dictatorship being imposed upon us by the New World Order—a secret global government of the super rich of America and Europe.

We’re already largely under the control of over a million Americans who have been secretly trained as traitors, liars and our new slavemasters!

The United States of America (the 50 states) are slated for oblivion in 1995! A ten-region government administered by FEMA (the Federal Emergency Management Agency) under the secret direction of the [*British Zionist*] Royal Institute for International Affairs is set to take over.

Of course, you probably aren’t aware of this—most Americans aren’t.

Worst of all, you probably won’t believe it—most Americans are victims of the “It can’t happen here” syndrome. Indeed, truth is stranger than fiction! And the truth is unbelievably weird in this case!

I know it is my duty to inform you of our sad state of affairs, to tell you what is really going on in America—to tell you what is coming down and what we can do about it!

FOR INSTANCE:

1. DID YOU KNOW: There are four massive crematoriums in the United States of America NOW complete with gas chambers and guillotines? That they can handle more than three thousand cremations EACH day? That the chief one is the old Amtrak repair station in Indianapolis, Indiana? That other huge crematoriums are in or near Oklahoma City (it's five stories above ground and five stories underground on a prior airport facility) and Kansas City, Missouri? That the NEW WORLD ORDER symbol, the allseeing Satanic eye above a pyramid, appears above each of the steel entrance gates? That the blue and red highway markers on the backs of highway signs lead to these crematoriums? That these markers are for the guidance of foreign troops who cannot read English? (Pay no attention to the misleading neon sign over the Amtrak crematorium in Indianapolis saying it is an Amtrak repair facility—railroad repair facilities don't use neon signs!)
2. DO YOU KNOW: There are more than 130 concentration camps already set up from Florida to Alaska? And that more than two million of us are already on computer lists for “detention” and “liquidation”? That the people of Ft. Smith, Arkansas are up in arms about the 10,000 plus foreign troops in nearby Fort Chaffee and their preparations to receive 20,000 “detainees”. They know that these troops are there to help conduct house-to-house searches and seize guns and other “contraband” in the hands of Arkansas inhabitants! To “detain” those who object and to put them into the nearby Fort Chaffee concentration camp? That they regard President Clinton, their native son, as a puppet and traitor who secretly connived to bring this deadly force to bear upon them? That a similar situation exists with Oklahoma and Alabama inhabitants, where even legislators are objecting to such blatant illegal rapacity?
3. ARE YOU AWARE: That more than 2,000 Russian tanks, military trucks and chemical warfare vehicles have landed in Gulfport, Mississippi since December, 1993? That many of them can still be seen along Highway 49 in the De Soto International Biosphere (it was a U.S. National Park) near Saucier, Mississippi? That deadly Russian helicopters are stationed near Gulfport—helicopters that have been identified as Russian Mil-24 Hind-D and the Ka-27?
4. ARE YOU AWARE: That Fort Polk, Louisiana is a Russian military base flying under the United Nations flag? That over 30 foreign military bases under the United Nations flag are already set up in America? That these bases have been surreptitiously manned with over one million troops from Russia, Poland, East Germany, Belgium, Turkey, Great Britain, Nicaragua and Asian countries? That former Russian dictator Mikhail Gorbachev and former California senator Alan Cranston, working together in Monterey, California, are in charge of bringing foreign troops into America while American servicemen are sent to foreign countries under the United Nations flag? The idea is that troops will not obey orders to shoot their fellow countrymen but will kill “foreigners”. Don't expect to read this in newspapers or hear it on TV—their owners are part of the monstrous New World Order conspiracy!
5. HAVE YOU NOTICED: That your dollar bills already have the New World Order symbol appearing on the back? Isn't it horrifying to know this symbol, a pyramid with an all-seeing Satanic eye, is truly a symbol for Big Brother? That the Latin phrase on this symbol, *novus ordo seclorum*, means New World Order? That this very same symbol appears above the gates of the four huge crematoriums already built?
6. ARE YOU AWARE: That America is already largely run by over a million traitorous Americans who belong to secret societies like the Council on Foreign Relations, the Trilateral Commission, the Skull and Bones, the million-plus strong Illuminati (a secret society that has secretly taken over another secret soci-

ety, the Freemasons, and are the top four degrees of Freemasonry), the Royal Institute for International Affairs (RIIA) of Chatham House in London, England, the Tavistock Institute of England, the Brookings Institute, the Institute for Policy Studies, the Stanford Institute, the Aspen Institute, the Rockefeller Foundation and over a hundred others? That virtually every court in this land has an illuminized Freemason sitting on the bench? That BOTH political parties are controlled by these same secret societies? That virtually ALL candidates for office from the county level up through the U.S. Presidency are illuminized Freemasons? That most sheriffs, attorneys, bankers, judges, legislators and top government officials are actually illuminized Freemasons? That these sadistic power-hungry traitors are implementing the repressive and murderous policies of the New World Order in order to “have a piece of the action”?

7. DID YOU KNOW: That President Clinton is a Freemason belonging to the order of Jacques de Molay (an illuminized Freemason and notorious homosexual who was guillotined for treason in France)? That President Clinton belongs to several top secret societies including the most powerful of them all, the Bilderbergers? That he is merely a puppet who takes his orders from the Royal Institute for International Affairs, which is the master coordinator for implementing the New World Order worldwide?

8. ARE YOU AWARE: That Presidential Executive Orders for declaring martial law or a criminal emergency are already in place? That the latest Presidential Executive Order, number 11929, published in the Federal Register in early June, 1994, sets the stage for the Federal Emergency Management Agency (FEMA) to take over and rule what will then be a ten-region New World Order government? That these regions are numbered from one to ten? That region numbers can be determined in most of this country by adding one to the first number in your postal zip code? For instance, Region ONE now had the prefix 0 in its zip code. But Illinois is in Region 5, along with Indiana, Ohio Wisconsin, Minnesota and Michigan, even though it has six as a prefix number.

9. HAVE YOU NOTICED: That courtrooms, legislatures, U.S. Post Office interiors, most public libraries, and most country and city councils fly the GOLD-FRINGED FLAG? That this means martial/admiralty law is really in effect, as this is the MILITARY FLAG? That all who took the oath to support our *Constitution* and go along with this are outright traitors?

10. DID YOU KNOW: That Christianity is presently under attack and is slated to be outlawed just as it was in Russia? That older people are looked upon by the New World Order as “useless eaters” and a needless drain upon world resources? That, in fact, the world’s population is to be reduced by about 50% per decisions made in the Cairo conference in May? **[H: We will be covering the articles written in Mensa’s newsletter by a local ex-Judge and attorney by the name of Jason Brent (changed from Berkowitz) who said it ALL and we will share but not right here. {See chap. 11} You must understand that Jason Brent is a “JEW” and moans and groans about the Holocaust—but advocates the annihilation of all elderly, infirm and deformed. He says that Hitler’s true atrocity was that “he ruined the possibility and concept of a Master Race.” This is the SAME MAN WHO TOOK EKKER’S PROPERTY AND HAS BEEN AS CORRUPT AS ANY JUDGE CAN BE WHILE HE SAT ON THE BENCH APPOINTED BY THE GOVERNOR OF THE STATE OF CALIFORNIA. HE WORKED WITH GEORGE GREEN, STEVEN HORN AND, CONSEQUENTLY, FOR HORTON, ABBOTT, FORT AND OTHERS YOU HAVE HEARD AN AWFUL LOT ABOUT. HE HAS DONE IT TO HIMSELF THROUGH HIS INCREDIBLE EGO NEED TO BE “SUPERIOR” AND THE PRESS HAS PRINTED THIS INFORMATION FAR**

AND WIDE. NO, WE HAD NOTHING TO DO WITH THIS—HE DID IT HIMSELF. MORE-OVER, HE EVEN IS BEING TALKED ABOUT ON RUSH LIMBAUGH AND THAT SHOULD GET SOMEONE’S ATTENTION. THIS IS PARASITIC KHAZARIAN ACTION—NOT GOODLY LITTLE JEWISH TORAHISM. THIS IS TALMUDIC/PROTOCOL NEW WORLD ORDER!]

11. DID YOU KNOW: That the “Health Security Act” now before Congress and the Senate has nothing to do with health? That its “universal coverage” is a monstrous fraud? That it really is a “universal people control” measure? That it is a step to saddle us all with microchipped and bar coded cards that will become “an everything smart card”? That these cards will be called “Health Security Cards” or “U.S. Cards”? That, later, these cards are destined to be replaced by microchips in our right hands or foreheads? That both the cards and computerized microchips will be our New World Order identification cards and that we can’t work, buy anything, travel or do much else without it? That they’ll have your electronic photo and fingerprints along with your Social Security number and up to 20,000 pages of other data? That new driver’s licenses now being issued in several states are really bar coded smart cards holding up to 1,600 pages of your background information, even electronically holding your Social Security Number, fingerprints and picture? That these cards/chips will be constantly monitored by scanners around the country and relayed through satellites to giant Cray computers already set up in Pine Gap, Australia and Brussels, Belgium?

12. DID YOU KNOW: That the biggest deterrent to the new World Order right now are the some 200 million guns in the hands of Americans? **[H: This is pure B.S. for you can realize by the prior writings that your guns are NOTHING compared to that which the rulers have. This is just one more excuse to get you people to do something really stupid. You change the rules when you get back your government—VIA THE PEN AND BALLOT! All these other “excuses” are to get away with murdering the multitudes.]**

13. DID YOU KNOW: That it takes no genius to see it is obvious that this massive influx of foreign troops, vehicles, the creation of concentration camps, huge crematoriums, the gift of the U.S. Air Force to the United Nations, etc., are steps to subjugate and enslave us all? That this took place with the knowledge and connivance of our federal and state government including the President, his cabinet, the Senators, Congressmen, the state Governors, many state legislators, the American military and most other officials? That most are a part of the evil conspiracy? That most belong to secret societies bent upon destroying America as a nation and enslaving its people—us?

14. DID YOU KNOW: That there is no more U.S. Air Force? That it has been turned over lock, stock and barrel to the United Nations, the secret front organization for the New World Order? That the planes and helicopters have been painted black or white?

15. DID YOU KNOW: That over 10 million small American businessmen and businesswomen, the very backbone of America’s doers, are being driven to the wall and will be displaced or replaced? That independent thinking and operating persons will not be tolerated in the New World Order?

16. DID YOU KNOW: That every phone conversation and fax sent for the past several years has been recorded by the National Security Agency (NSA)? **THAT EVERYTHING THAT GOES BY RADIO,**

TV, PHONE, MODEM OR FAX IS AUTOMATICALLY RECORDED AND STORED FOR RETRIEVAL IN GIANT CRAY COMPUTERS IN VIRGINIA AND GREAT BRITAIN?

Does all this sound ominous to you?

You can be assured that this is but the tip of the iceberg!

[END OF QUOTING]

WAKE UP, AMERICA!!

CHAPTER 15

REC #1 HATONN

FRI., JAN. 13, 1995 11:45 A.M. YEAR 8, DAY 150

FRI., JAN. 13, 1995

Can you possibly be concerned about Friday, 13th? Well, perhaps not YET. As things are unfolding with your would-be Kings you have to be prepared for “anything”.

DON'T MISS THE SHOW WITH GREEN, ET AL.

While all of you are watching the Jason Brent (Berkowitz) “kill the old folks” review—you might well miss what is happening with this ongoing saggy with Green, books, loans and thus and so—AND, YOUR “CONSTITUTIONAL ATTORNEY” IN NEVADA!

If you wish to consider misuse and abuse of the judicial system as a valid problem then consider today's cute little antics.

There was to be the Carson City “journal and LOAN” (to Green) JURY TRIAL beginning next Tuesday. Things were coming right down to the wire and the arrangements were made for the trip which was expected to last at least a week. Well, not really—because things were seeping back and it could be obvious something would take place—other than any trial in which George Green would have to again perjure and lie. But it happened in a most amusing manner:

A couple or so days ago the calls started coming from Carson City. It seems DAVID HORTON (our Constitutional Attorney for Green[berg??]) called the JUDGE'S COURT CLERK AND TOLD HER THAT THE PHOENIX INSTITUTE HAD FILED FOR BANKRUPTCY AND TO CANCEL THE TRIAL. The clerk called “your” attorney's office to make sure that was correct. “Kim” called all over to check it out and then returned the Clerk's call and said no there was certainly NOT any such thing. The JUDGE was so incensed that he called the bankruptcy court himself to counter-check on this action—NOTHING, and he was steaming at such misuse of the court. Ah but, when the final day for changes arrived—HORTON DID FILE BANKRUPTCY FOR AMERICA WEST PUBLISHERS!! Yes indeed, this DID stop the trial but it sure is obvious to all, including that Judge, WHAT SORT OF GARBAGE IS TAKING PLACE. WHY? Because Green is “Personally named”, as is America West Distributors, besides Publishers—AND, MR. GREEN HAD JUST TOLD JUDGE GAMBLE IN THE OVERTON TRIAL—THAT HE HAS AROUND 5 MILLION (DOLLARS). This is the same man that says: How can you tell when the Ekkers are lying? When they move their mouths! This man is a living LIE aided and abetted by everyone attached to him.

He was the one, if you remember, who suggested involved parties or simply interested parties should contact Jason Brent in Tehachapi—that “he knew all about those terrible Ekkers!” Well, Jason Brent is now in such hot water through his Zionist One World Mensa Organization as to baffle the mind that he

could be so stu—foolish. Brent and Green had a going operation of false information and actually had arrest papers served on Ekkers—”for being seen on the adjacent lot to where they were staying.” This warrant was served in public in the parking lot where “we” were having a meeting and everybody witnessed it. They went through months and months of continuances, thousands of dollars and finally the punch line came when they (the District Attorney) would drop the criminal charges IF THE EKKERS WOULD PAY THE “DEFENDANT’S” LEGAL FEES. This was supposedly a “county” “criminal case”—but Mrs. Goldsmith refused to pay JASON BRENT (BECAUSE HE HAD SET HER UP IN THE FIRST PLACE) AND NOW BRENT WAS TRYING TO GET THE COURT TO REQUIRE THAT EKKERS PAY HIS BILL! Let us just remember, readers, that Evil goes around and certainly comes around!

This is the SAME Jason Brent (Berkowitz) who claims to be a cause-carrying Jew and after we said he was, after all, not a “S(h)emite”—he blasted it all over the news that he certainly IS. He even advertises for members for his JEWISH GROUPIE in town. What would happen if you allowed and only advertised for “white” members??? Well, Dharma was going to go anyway—but was “not acceptable”. Ah, but this doesn’t now stop here. Brent has PERSONALLY blamed (and told the courts and the attorneys around) that ONLY the Ekkers were responsible for his loss of his municipal court judge’s election. Interesting!—the Ekkers didn’t even vote in that election but are happy to take the accolades. The facts are that Mrs. Brent, if anyone, cost him the election—that is, other than himself.

I ask that the information be run in the paper so we don’t have to repeat all this nonsense—but, readers, stay tuned because all of the CONNECTIONS *ARE IMPORTANT*.

Brent actually wrote an article for the High-Q Mensa society which was published. He said, “...society must face the concept that we kill off the old, weak, the stupid and the inefficient.” But NOW he claims he meant to say, “get rid of”. He went on to say that they should be “humanely dispatched”.

Oh by the way—this is the same “Your Honor” that has continued to be completely involved in the theft of Ekkers’ property, taken tapes and documents from the court files, worked hand in hand with one Steven Horn who has represented the opposition in everything from the Santa Barbara Savings/Financial, Resolution Trust Corporation—all the way through the auctioneer who DIDN’T HOLD A SALE. The property was taken and sold by the RTC and still there is no way, it seems, to get the parties to court. Just as with GREEN, Santa Barbara even went bankrupt. Surely not because of Ekkers? Who knows—they were about to get caught and were forced to close—right after all the big hoods got mammoth bonuses on Friday and closed on the following Monday. Indeed it was unfortunate—the ones who stayed not only were “kept on” but got better positions and wages and all they had to do was add an office for the RTC manager!

May you PLEASE find God for you all keep looking in the wrong faces! Your enemy has even stolen YOUR GOD.

FRANTIC ALERT

Dear, dear readers. A paper has been rushed in to Dharma for my consideration. It is a “Militia Alert”. There is now “verified” information; we are told of the following information. You bet we will run this

information—for two reasons: 1) you should know what is going on—and, 2) you will never be able to take back your nation or even defend yourselves with bullets—NEVER, NEVER, NEVER!

Does this mean that you “shouldn’t” have a gun? I don’t care whether or not you have a gun—it is simply something that they CAN come and get from you! They are going to, further, make sure the goon squads they will appoint to go get your guns—have all sorts of great big guns and those squads will come from the gangs (now being trained) and will be paid with whatever they rip-off from your houses.

But what do we have here for alert? Well, it seems the Justice Dept. plans to shut down your militias. The paper we have comes from a FAX friend but originates from *Media Bypass Magazine*, 812 477-8670. We are asked to get this in print and on the Hot Line ASAP. We will certainly do so.

There is a note at the top of the page which reads:

[QUOTING:]

Jan. 12, 1995

Troy Underhill is assistant editor of *Media Bypass*. His publisher has verified this information as he is friends with the real estate agent that rented the building, and was paid by the Rental Funds of the Justice Dept.

Also, they got verification from an FBI agent friend regarding the notice to the U.S. Justice Dept., BATF, IRS, and related law enforcement agencies for the months of Jan. & Feb. (*Dee & Herb*)

MILITIA alert MILITIA alert MILITIA alert

MEDIA BYPASS MAGAZINE

To: All Patriots and Militia Members

Subject: MILITIA/INDEPENDENT MEDIA TARGETED

Informed sources have told this publication that Clinton Administration Attorney General Janet Reno has cancelled all leaves of absence, days off and vacation days for some 2,500 employees of the U.S. Justice Department, B.A.T.F., I.R.S. and related law enforcement agencies for the months of January and February, 1995, with the primary purpose of destroying various militia and (patriotic) independent media operations across the country. They have rented a 100,000 sq. ft. building in Dallas where they have set up their operational base station.

The reports have been confirmed by numerous sources from Texas to Michigan although the details are quite sketchy.

In October, 1994, these same people did three test operations. One, in Tigerton, Wisconsin, where Tom Stockheimer, Lenny Peth, and Jason Hall who ran the Family Farm Preservation office, were all jailed

on trumped-up charges in Wisconsin state court. **[H: Before I bite on this I need to know what “trumped-up” charges. We get involved often only to find that, quite frankly, laws were being violated—and if there is a LAW—IT IS A LAW AND IF THE GOVERNMENT MAKES THE LAW—IT IS LEGAL. IT MAY WELL BE UNLAWFUL UNDER THE *CONSTITUTION*—BUT YOU WILL HAVE NO CASE IN COURT WITHOUT A BILLION DOLLARS AND GOOD ATTORNEYS—AND IF YOU CAN FIND A CHEAP, GOOD ATTORNEY—WE WOULD LIKE HIS NAME!!]** After four months, Stockheimer, the key leader of the organization, is still behind bars.

The second test raid was conducted in Boonville, Indiana on the premises of Joe and Shirley Holland, at the national headquarters of the North American Freedom Council. Three other offices in Iowa and elsewhere across the country were raided on the same day. A non-jurisdictional sealed probable cause affidavit was returned from the U.S. District Court for the southern district of Indiana to justify the raid. When contacted, the federal officials responsible would not comment.

The third test action was the assassination/murder of key militia leader, Jeffrey Archer, who was shot in the back by officials of the B.A.T.F. in south suburban Chicago. His murdered body was found on October 26, 1994.

The massive raids, allegedly planned for 37 states in the West and Midwest, will apparently include jackbooting headquarters of organizations, bringing up bogus criminal charges against key leaders, murders and other heinous actions in an effort to suppress the militia movement nationally.

[END OF QUOTING]

Are you truly ASKING ME what I would do? I would be as far away from headquarters as I could get. I would HAVE NO HEADQUARTERS NOR PERSONNEL IN ANY PLACE NEAR A SUSPECTED LOCATION. I WOULD DISBAND ANY AND ALL MILITIAS AND BE AN INNOCENT “CITIZEN”. THEY WANT YOU TO GO CRAZY SO THEY CAN KILL YOU—THEY DON’T EVEN WANT TRIALS, GOOD PEOPLE. **YOU ARE NOT GOING TO GAIN BACK CONSTITUTIONAL ORDER UNTIL YOU UNDERSTAND YOU HAVE A FOREIGN, ALIEN, ONE WORLD GOVERNMENT WHICH IS NOT GOING TO BE UNSEATED. YOU MUST BUILD ANOTHER CITIZEN GOVERNMENT UNDER CONSTITUTIONAL LAW** . As long as you play THEIR “getcha” game, you will be “gottchen”.

Do I think it “right”? Of course NOT—but TWO errors DO NOT ONE RIGHT MOVE MAKE!

I certainly would not continue training sessions and citizen rousing—during January and February—at the least! They are getting ready to dump riots (racial) all over you—and blood will run in your streets.

You do not seem to UNDERSTAND the problem. And, further, until YOU KNOW YOUR PROBLEM—YOU CAN’T EVEN KNOW YOUR REAL ENEMY!!! I WANT TO KNOW WHAT YOU ARE GOING TO DO WHEN ALL OF YOU ARE INCARCERATED IN THOSE CONCENTRATION CAMPS? YOU WILL NOT HAVE GUNS—I ASSURE YOU.

IS THERE NO WAY THAT YOU CAN BE AS SHREWD AS THEY? THE KIDS THEY WILL

SEND TO DO THIS JOB—DON'T KNOW WHAT HIT THEM, EITHER, AND THEY WILL DO JUST AS PROGRAMMED AND TOLD. THE JUDICIAL SYSTEM IS CORRUPT AND YOU WILL NOT GET FAIR HEARINGS—UNTIL YOU TAKE CONTROL OF YOUR JUDICIAL SYSTEM AND RETURN YOUR *13TH AMENDMENT*. SO, UNTIL YOU RESTRUCTURE YOUR NATION UNDER THE *CONSTITUTION* AS ORIGINALLY WRITTEN AND RATIFIED, WITH THE *BILL OF RIGHTS* AND NO ADDITIONAL AMENDMENTS—YOU WILL FAIL AND THEY WILL GET RID OF YOUR LEADERS—THIS IS TO GET RID OF YOUR LEADERS AND YOUR TROUBLE-MAKERS. IF, FURTHER, YOU GO FORTH AND COMMIT VIOLENCE AND ANARCHY—THEY WILL SUBDUCE YOU. THIS IS NOT A TIME FOR MARTYRS, FRIENDS—THIS IS A TIME OF ACTING IN TOTAL WISDOM! YOU WILL NOT WIN “THIS” WAR WITH DEAD MARTYRS!

The West Coast is being readied through the controlled media to be in terror of a huge earthquake to hit along with all the mud and debris, O.J. Simpson trial and thus and so—it is pouring out like a meatgrinder. What do I suggest here? **BE PREPARED**. The geologists reporting NOW suggest that there will be a 9-point quake in downtown L.A. and others will be as big or bigger all along the West Coast because of the stress they have NOW found. Where was it last week? I don't know—they seem to just stumble onto these things—sort of like setting the terror brigade out against you to distract from the REAL PROBLEMS. Satan doesn't change his program—HE NEVER HAS TO—YOU BITE EVERY TIME—AND FORGET IMMEDIATELY.

If you continue to insist on private militias (oh yes indeed, that IS what you are doing) you are going to be stopped! Worse, good friends, you will be stopped by your very neighbors who will demand PROTECTION **FROM YOU!** Crazy? Yes, but Satan's troops have done a very good job.

Who are Satan's troops? Those who decided to take away the heritage of the Judean people, stole their very label and now proclaim a NEW WORLD ORDER under Lucifer Satan where you, if they allow you live, will be the slaves to this society. YOU ARE ALREADY—YOU JUST DIDN'T NOTICE. YOU CAN'T HAVE MILITIAS, KEEP YOUR INCOME, EVEN BUILD A ROOM ON YOUR OWN HOUSE—WELL, YOU DON'T HAVE PROPERTY BECAUSE, IF IT CAN BE TAKEN THROUGH UNPAID TAXES—THE GOVERNMENT OWNS IT AT BEST. YOU SLEPT TOO LONG, CITIZENS, AND NOW TO REGAIN PEACE AND GODLINESS—YOU **MUST TURN TO GOD AND WORK TO REBUILD IN GOODNESS—NOT WITH BLOODY WEAPONS AND GUNS! YOUR ENEMY, I REPEAT, DEPENDS ON YOU TO BE STUPID AND GET YOURSELVES KILLED. THERE WILL NOT BE ENOUGH MONEY LEFT IN THE NATION TO GET YOU RELEASED FROM PRISON—IF THEY PUT YOU ALL THERE. ATTORNEYS DO NOT WORK WITHOUT MONEY!! IT IS THE FIRST RULE YOU LEARN! JUDGES ARE AMONG THE ELITE—THEY START OFF WITHOUT ANY NOTICE OF JUSTICE—WHO ARE YOU KIDDING?**

I can stress all the “alerts” you wish to send and I will pray for your safety—but YOU CHOOSE YOUR PATH AND YOUR ACTIONS—AND I NOTE THAT PRAYER FOR THE WRONG THINGS—RARELY GIVES YOU WHAT YOU THINK YOU WANT! IT WILL CERTAINLY GET NO VIOLENCE FROM GOD JUST BECAUSE “YOU” THINK YOU WANT IT SOME PARTICULAR “WAY”. GOD DOES NOT SEND US, THE HOSTS, TO FIGHT AND MURDER—HE SENDS US

TO OFFER WISDOM AND “HOW TO”. WAR IS NOT A WAY—IT JUST GETS A WHOLE LOT OF PEOPLE KILLED AND PLAYS RIGHT INTO THE HANDS OF THE EVIL PRINCE. YOU SEE, THEY PLAN TO DEPOPULATE THE GLOBE ANYWAY—YOU SIMPLY GIVE THEM EXCUSE.

There is a rather funny thing happening, readers, the free Russians are off building space settlements in several places for “their” people. I find it interesting that the Elite have massively brilliant underground facilities—BUT YOU HAVE NOTHING!! THEY DON’T EVEN LET YOU HAVE ANYTHING—LIKE A BOMB SHELTER AND YET FROM 1981, ANNUALLY, THEY HAVE, IN THE UNITED STATES OF AMERICA THROUGH THE BOLSHEVIK GOVERNMENT YOU NOW HAVE—PLANNED TO HAVE—A FIRST-STRIKE NUCLEAR WAR—AGAINST RUSSIA. THE RUSSIANS, THEMSELVES, SENT ALL THOSE BOLSHEVIKS THAT NOW **RUN THE U.S. GOVERNMENT**, OVER TO YOU. YOU ARE THE NEW “HOMELAND” OF THE ISRAELITES—ASK ANY GOOD NEW WORLD ORDER KHAZARIAN PARASITE—LIKE DERSHOWITZ AND OTHERS WHO NOW CALL THEMSELVES “JEWS” BUT ARE NOT JUDEAN OR JUDAISTS.

This is NOT A RACE, for goodness sakes, Black Whoopee Goldberg is a Jewish Negro?? Come on people—get with the intelligence of the Program. YOUR GOVERNMENT IS TOTALLY RUN BY THE ZIONIST KHAZARS NOW CALLING THEMSELVES JEWS. YOU ARE THE PLUM—NEW ISRAEL. IF THEY CAN TAKE YOUR WORLD WITHOUT WAR OF INTERNATIONAL TOTAL ANNIHILATION OF ALL PEOPLE ON THE SURFACE—FINE. BUT THEY FULLY PLAN TO HAVE A 1995 FOR YOU THAT YOU WON’T EVER EVEN KNOW ABOUT—YOU’LL BE IN SO MANY PIECES.

PAIN IN MY HEART

Do I simply not “care”? No, I care very much—but mine is NOT TO interfere with your FREE-WILL. You prefer to believe and march to doom behind the ones who do not know what they are doing and become more extreme than any “enemy”. The enemy is shrewd enough to not become extreme unless he can BLAME YOU or THE INNOCENT (Waco maybe?)

I suggest you go listen to a couple of weeks of “talk-shows” and REALLY HEAR WHAT THE CITIZENS ARE SAYING! It will astound you—they have no notion of anything—certainly NOT that anything could possibly be wrong with either government, spirituality, or actually, anything else. They are mesmerized by such as condoms, more and more welfare and who slept with whom. I do not josh—the most severe LESSON you will get is to go watch and listen! You will not move a nation—until the strength is played out through the Constitutional rebuilding. Nobody said it would be easy—but do you think bloody war is easy? If you get your leaders KILLED—who will lead you home? How about to the concentration camps?? Remember, people—there are NOW guillotines in those concentration areas! GO READ MY WRITING OF YESTERDAY! This is going to be a full-bore reverse French Revolution you are now facing. The Bolsheviks did it in France and they did it in Russia—and now your necks are on the block. They are parasites—they come, they suck you dry and then destroy—it is simply the way it IS. THEY ARE THE ANTI-CHRIST! They are without God or conscience—not even for their OWN. They murdered and tortured—and blamed the Holocaust on the Germans. NO—THEY DID IT AND

THEY GROOMED HITLER AND THEY DID IT. THEY MURDERED MILLIONS UPON MILLIONS OF CHRISTIANS AND NOBODY NOTICED! WELL, GOD HAS NOTICED!! GOD HAS CERTAINLY NOTICED!! THEY LIVE BY THE LIE AND THEY SHALL PERISH BY THEIR OWN LIES AND HANDS—WHEN YOU CEASE TO FEED THEM—FOR THEY ARE BLOOD-SUCKERS AND MUST LIVE IN THE SECRET DARKNESS TO COVER THEIR EVIL ACTIONS—THEY CANNOT SURVIVE IN THE LIGHT OF TRUTH! THEY DO NOT WORK AND THEY DO NOT FIGHT—THEY SEND YOUR CHILDREN TO FIGHT AND TO WORK WHILE THEY SUCK, AND SUCK AND SUCK UNTIL THEY DISEASE THE VERY CORPSE OF THE NATION THEY THEN ABANDON TO GO ELSEWHERE AND SUCK.

They have a massive problem this time, however, they have destroyed the America (U.S.) that YOU KNOW. But, you can reclaim through the *Constitution* by transferring government—built INTO THE *CONSTITUTION*. Then you can simply negate the debt and build first local and then an organizing central group to act as secretaries to keep the records. This will be the government NOT UNDER CONTROL, AS ARE YOUR FEDERAL GOVERNMENT AND NOW YOUR STATE GOVERNMENTS, OF THE UNITED NATIONS. Will “they” “let” you do it? NO, not if they can help it—but they won’t be able to help it—because you are shining the LIGHT on their dastardly tricks. Now they are turning their major attention to China—and China will smash them. But, while this happens a LOT of people get deaded. Do I have the answers? Yes, but few will listen.

I still have many things to offer you for information and it certainly does not require GUNS. It requires that you-the-people put aside your denials and GET INFORMED. You “think” you KNOW because patriots have been telling you “how it is”? You don’t even know the patriot from the enemy!!! Just the label “Patriot” should scare you to death. You think there are false prophets? Oh my—some of those false prophets and religious leaders who present goodness to you—are actually the very “Patriots” and bigots who will get you deaded. And, yes, I could name a dozen that you would recognize in one breath. YOU ARE BEING “HAD”, PATRIOTS! Anyone bearing a GUN under the banner of Christ—is NOT your friend. It is a delusion of righteousness. If you have become so primitive as to have to live by the sword—the next sentence is, ye shall die by the sword. Live by the WORD—and ye shall LIVE by the WORD.

Until you can KNOW what is meant by the WORD, the LIGHT, LIVING and CREATION—you cannot win this “thing” come upon you—NO MILITIA, NO ARMY, NO ANYTHING—CAN PROTECT YOU—FOR IT IS EVIL AND THERE IS ONLY ONE THING THAT DESTROYS EVIL—AND THAT IS GOODNESS—(GODNESS IN LIGHT, TRUTH, LOVE AND THE WORD OF KNOWING!).

You think I am a figment of imagination of an insane mind—as we have been described? Fine! Let us see who makes it and who does not. You go right on playing with your pop-guns and spilling blood all over your wondrous planet—and we shall see who makes it. You tell me, patriot, how you are going to “serve” anybody, including God, from a pool of dead blood? God needs people willing to LIVE for HIM—not die for HIM! Ponder it.

When pondering what to do about militia gatherings and possible arrests and shootouts—WHAT WOULD HAPPEN IN THESE WARS IF NOBODY CAME? WHAT WOULD HAPPEN IF NOBODY WAS

THERE TO BE ARRESTED, NO CAUSE FOR ARREST AND ONLY EMPTY OFFICES? NO, YOU think about it. God is weary of being asked to get somebody out of their plight—after they DELIBERATELY got themselves into the mess. WHY DON'T YOU LISTEN TO GOD FIRST? Christ was not called Heysoos—he was called the Prince of WISDOM. He was not the Prince or King of the Jews—he was the personification of WISDOM—it might do well to rub a bit of that off onto selves rather than have to rub off the blood stains.

I wonder why it has to be so, that man only turns to God when he is in the proverbial “foxhole” and AFTER the blundering after Satanic fools? GOD IS ALWAYS THERE BUT THE BODY SEEMS BLIND AND QUITE DEAF. How is it that man so readily hears Satan and so LATE, hears GOD?

Salu, and may you rest in ignorance if that be your choice—but wisdom waits in the total patience of a GOD WHO ALLOWS!

APPENDIX 1

A COMMON MAN'S PERSPECTIVE FOR POLITICAL IMPACT

by Rick Martin 1/12/95

Grass-roots Coalition
For *Constitutional* Government
And Political Reform
P. O. Box 978
Tehachapi, CA 93581

Let us, for one moment, take a step back and review current aspects of the political situation in such a way that change seems neither impossible nor overwhelming.

The most commonly asked question, I suppose, is: What can one person do? Everything is so BIG, and the government is so POWERFUL. How can one person have any impact whatsoever? And where does a person start?

One thing that I have observed is that various groups across the country tend to reinvent the wheel. With this in mind, let's look at a few *starting* possibilities.

- * **Do something—take a single step, then follow through. At least one action each and every day.**
- * **Get involved.**
- * **Get organized, either individually or as a group.**
- * **Act locally. Start your action at the city and county level.**
- * **Get one item on each and every meeting agenda.**
- * **If you don't know “how”, talk to someone who does.**
- * **Right off the top there are three significant approaches to action:**
 - initiating legislation

- filing law suits
- educating the public

i.e., through influencing radio talk-shows; fliers; letters-to-the-editor of local papers; etc.

[For example, when CONTACT asks readers to pick up a pen and write to a given individual, not only should one letter be mailed but they should be faxed—and not just once, but two or more times each and every day! It is this kind of massive barrage that makes a real impact. Please don't forget it for one minute.]

- * Sit down and actually read the *United States Constitution* and *Bill of Rights*—and then read your state's constitution.
- * Consider forming your own PAC [political action committee].
- * Do your own lobbying.
- * Choose one or two specific legislators to communicate with and then really let them hear from you regularly—by letter, phone, or in person. Make your presence felt.
- * Educate your local sheriff.
- * Pray to God for insight and help.

SOME KEY ISSUES

What are some of the key issues presently being discussed in the *free press* across this nation?

The so-called missing *13th Amendment* to the *Constitution* is one of the “key” issues. It isn't really missing, just buried. The *13th Amendment* [Titles of Nobility—attorneys], which was legally and lawfully ratified by the required number of states, reads:

Amendment XIII-Titles of Nobility

“If any citizen of the United States shall accept, claim, receive, or retain any title of nobility or honor; or shall, without the consent of Congress, accept and retain any present, pension, office, or emolument of any kind whatever, from any emperor, king, prince, or foreign power, such person shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or profit under them, or either of them.”

Many states across the country are participating in the so-called “state's rights movement” [as exemplified by Colorado, California, Hawaii, and others] by declaring their sovereignty from the federal government under the *10th Amendment* to the *Constitution*, which reads:

Article X

“The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.”

Many individual counties are declaring their sovereignty from the federal government by using the *10th Amendment*. [As exemplified by Catron county, New Mexico; Nigh county, Nevada; Kern county, California.]

Then there is the *16th Amendment* to the *Constitution* which was never ratified, as is well documented in such books as Bill Benson’s book, *The Law That Never Was*. Another which has been recommended to me is *Good-bye April 15* by Boston Tea Party.

The repeal of all non-positive [unconstitutional] law becomes critical.

It is well known that our involvement in the United Nations has usurped, for decades, our nation’s sovereignty. Our country is obligated as a signed member under the *United Nations Charter*. Many of our nation’s difficulties began with the signing of the *Federal Reserve Act of 1913*.

Additionally, it is well known that we are still under a state of War, as declared originally by the *Emergency War Powers Act* [March 4, 1933]—still in effect decades later.

A replacement to the *United States Constitution* has been written since the 1970s, titled *The New States Constitution*—which refers to the new “Region States.”

Many executive orders signed by President Clinton mandate absolute control over the American people—finalized with a stroke of his pen with Executive Order 12919 on June 3, 1994.

WHERE DO WE BEGIN AND TO WHOM DO WE TALK?

Obviously there are many approaches to solving the mass of difficulties confronting our nation. They range from Joseph Stumph’s approach of *The Ultimatum Resolution* to Michael Silverhawk’s *Refounding Amendment* to Ronn Jackson’s *Parallel Constitutional Government*. Actually, the answer is right in front of us with the original *Constitution*. All the answers are right there. Ronn Jackson’s parallel government approach under the *Constitution* is absolutely valid.

When you find yourself asking that question: Isn’t anybody else doing anything? How do I know who they are and how can I contact them? Well, here are some good ones for starters:
