Pastors Corner

Greetings in the name of Yahweh,

Well my brothers and Sisters in the cause of YAHWEH the MOST HIGH, I did not think that we would ever get to this point, but yet here we are. Volume 2 Issue 1 of the CI Messenger. When I first created this publication I wanted it to be something that would cause you the reader to step back and rethink what you do in the service of your GOD and Race. For the most part this has been accomplished. Many of you have called or wrote stating that you have been moved to do more for your Race, and for that all I can say is that YAHWEH has worked in your hearts and moved the veil that was over your eyes and hearts.

This publication has been accepted into every prison that it has been sent to with the exclusion of 2 in Ohio and we are working on that problem now. Yahweh is always placing obstacle's in our path and seeing if we are true soldiers in his

army or a fence sitter which most of our people are today.

Then there are those that come to our cause and steal all that was done and lay claim to themselves for making something better. Most of you know for whom I am talking about, but for those that don't fear not the evil will soon show his true colors. I have worked long and hard to make our Organization the best, and then out of no wear there comes ones who wish to make me look like nothing in our Cause and steal all that was created before they were here.

But for all that once was there shall be again, for Yahweh himself has destroyed his creations time and again, and when he has there was just cause in it. For Yahweh has tried to make US the House of Israel the GOD RACE understand that they have failed to live up to what he has ordered, and even today we as a people and a race are blind to the facts that Yahweh has chosen US the White Race as his PEOPLE! For it was never the Jews that Yahweh wanted to be his people, for remember they are the ones that had Christ killed because they were of black hearts in his sight. How can one discredit the Bible for we as Christian Identity patriots know the bible is the Word of

YAHWEH and there is no other law that we as CI Patriots will live by, for if we do our fate shall be the same of those that turned their backs on the Most High.

Yahweh tells us in verse after verse that those who are not of HIM will be placed in the grave (Zephaniah 2:5) Yahweh states "Woe unto the inhabitants of the sea coast, the nation of the Cherethites! The word of the Lord is AGAINST YOU; O Canaan, the land of the Philistines, I will even destroy thee, that there shall be no INHABITANT!"

The above verse is but only one of many that clearly shows that those who are not of YAHWEH or those that claim they are but are not but of their father the Devil, that they shall pay a mighty price for their lies and treachery of HIS WORD AND PEOPLE.

I have wrote this to those that have been in the loop so to speak and to inform others that what was done to me once shall not pass again, and that I will remain ever faithful to our Heavenly Father, and to his message and to our PEOPLE the TRUE HOUSE OF ISRAEL. For the veil was placed on our eyes, but with his had guiding us we shall remove that which has blocked our passing into our rightful place at the head of the Table.

Setting The Record Straight

I have fought with myself for several months now about setting the record straight. I have prayed and prayed that I would find the answer on whether or not to talk about this and after a very long time I feel that I must set the record straight.

As many of you know I was a part of the original Church under pastor Butler as a matter of record I was the Minnesota State Leader. After the passing of Pastor Butler I went with Pastor Williams in Georgia , and soon after that I left the organization and watched to see what would happen. I then heard about this "Pastor" O'Brian in Idaho that was running things, as I had not heard from Pastor Williams. I moved to Idaho to pursue my dream of being in the Church, and after being there for a while I came to learn that "Pastor" O'Brian was NOT nor was he ever a PASTOR, but nothing more than a snake in the grass. So needless to say I left him and formed the Church once again, and had much success in doing it, as many people thought the Church was no more.

It was truly sad to see all the work that Pastor Butler put into the movement and organization go to waste after his death. If I had it to do all over again I would. I would make it better, learn more before I started it, and NOT let some people in that came in, and those people know who they are. The biggest mistake I made was bringing 2 particular people in. Those are the 2 that stabbed me in the back and stole everything including the website, and then try to pass it off as there own, that person was the biggest mistake and you know who you are. There is no doubt in my mind that you have been planning this for a while, let someone do all the work then steal it all from them. I surrendered everything and started new once again, with this organization, registered with the state, and I am the only person that has an authority from KIM to use the Church of Jesus Christ-Christian as you will see in this publication. I will place the authority for you all to see.

I am talking about this because to many people are not aware of what is going on or they have gotten the wrong information. So the record is being set

straight. So I have closed down the website for the Crusaders For Yahweh and am redoing everything including the handbooks, and getting everything made first then I will bring the site back up. For those that are now or were members your home is safe and you are still welcome within our ranks. However there are going to be changes and those start NOW. If you want membership you have to fill out the application and you must have a sponsor. This will help remove all those that are here to cause us harm.

I love my GOD and my Race, and I was on the right path but was lead to the dark side, and now there are those that are taking what I and others have done and laying claim that it was them that did it all and that is a LIE. The Aryan Nations was dead till I and a handful brought it back and worked long and hard at it. There are those that were still in PRISON who say they made the AN what it is, and for those who are in Prison now they know this could not have happened.

Know that Yahweh is bringing a new army to the cause and I will fight hard to make our dreams, and YAHWEHS laws a reality, there is no talk just ACTION!

Forever in HIS SERVICE,
HAIL OUR VICTORY!

Is Discrimination Biblical?

THE "NO DISCRIMINATION" PHRASE has taken hold with the American public to such an extent that even preachers (preachers who should know better if they know their Bibles) are now heard repeating, parrot like, this no discrimination phrase, thus participating in the selling out of our God given freedoms and privileges and playing right into the hands of foreign schemers.

The phrase "no discrimination because of race, creed or color" is not only communistic in all its implications and objectives, but it is also the key idea, the touchstone, of the United Nations program for setting up a world government. And since communists also have world governments' their objective, the one subtle scheme behind them both is very apparent.

There is a world government coming, the Kingdom of God on earth. But it isn't patterned after the communistic United Nations lines. In the Kingdom of God on earth, as revealed in the Bible, the phrase "no discrimination because of race, creed, or color," will not be the *modus operandi*. No indeed! The citizens of the Kingdom of God on earth will not consist of people of indiscriminate religious beliefs and creeds.

Kingdom citizenship will demand certain spiritual qualifications found only in those of the Christian faith, all other religious beliefs (creeds) being excluded. But the

scheme for world government planned by the communists and the United Nations does not discriminate as to spiritual values and religious beliefs. Instead it insists that Christianity is on the same level, and of no more importance or value than the pagan, idolatrous worship of the heathen nations.

A "creed" is a formal summary of fundamental points of religious belief and authoritative statement of doctrine on points held to be vital. That being the definition of a creed, how can any Christian minister, who knows and believes the plan and purpose of God for His Kingdom on this earth, lend his voice and influence to emphasizing, popularizing, and sanctioning the communist and U. N. catch phrase of "no discrimination because of a person's creed"?

No wonder Paul wrote to Timothy that the time would come when people would be turned unto fables. (1 Tim. 4:4.) A fable is fiction related as though it were true. And any preacher who prates about "no discrimination as to race, creed, or color," as the solution for the world's problems and the ushering in of peace, is a preacher of fables. Any person who has confidence in such preaching is putting his faith in a lie that will ultimately destroy him if its objective is attained.

The Bible is a most discriminatory Book, especially as to what one believes, and as to who shall be entitled to citizenship in the Kingdom

of God on earth. He that believeth that Jesus is the Christ is born of God. (1 John 5: 1.) And it was Jesus Christ Himself who declared with positive and discriminatory emphasis that Except a man be born again ... except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. (John 3:3, 5.) That, my friends, is discrimination of the most exacting kind, and having to do with the most vital matter that could possibly confront mankind. Yet communists and the proponents of the United Nations program would have Christian people believe that discrimination as to what a man believes is unchristian, and not according to the Bible and the teachings of the Christ whom we worship.

(Continued on next page)

Crusaders for Yahweh

Any man who lends himself to the support and spreading of this deceptive propaganda, is aiding and abetting an antichrist counterfeit of the Kingdom of God on earth. Do not be "taken in" and become a peddler of this propaganda for the subverting and destroying of this most God blessed nation on earth, your own United States of America.

Whoever parrots the phrase "no discrimination" is singing the communist tune, either wittingly or unwittingly.

God discriminated when He called Abraham and made a covenant with him, and again when He confirmed that covenant with Abraham's son Isaac, and grandson Jacob. (Gen. 12-1-3, 26:3, 4 and 28:3, 4.)

God discriminated when He selected the offspring of Jacob-Israel to become a kingdom of priests and an holy nation. (Ex. 19:6.)

God discriminated when He gave His perfect law to Israel, and to no other peoples or nations. (Psalm 147:19, 20.)

God exercised discrimination when He declared that a bride for Isaac was to be taken from among Abraham's own people, and from none other.

God was discriminating when He ordained that the Israel people should become

the "sons of the living God" or Christians. (Hosea 1: 10; Rom. 8:29.)

God used discrimination when He said that His people should make no covenants with the Canaanites, and that they should not intermarry with them, (Deut. 7:2.)

Our Lord Jesus discriminated when He said, I am not sent but unto the lost sheep of the house of Israel. (Matt. 15:24.)

Jesus also discriminated when He selected the twelve apostles, and when He said to those who believe in Him, Ye have not chosen me, but I have chosen you. (John 15:16.)

In fact, God's Word, the Bible, is a very discriminatory Book from Genesis to Revelation. And

that God is discriminatory is clearly seen in the fact that in certain nations and peoples He has planted and nourished the Christian faith.

God has shown discrimination in race, creed and color. He selected the offspring of Abraham, Isaac and Jacob to be His human instrumentality, His witnesses, His chosen people, a chosen race. (Deut. 7:6; 1 Peter 1: 1, 2 and 2:9.) America is the result of that selection. And this is the people whom evil forces are attempting to convert to the unscriptural idea of "no discrimination because of race, creed or color."

The Creator of this world and all that is therein, made the white, the black, the red, and the yellow races. Had it been the intention of the Creator that there be but one race, it would have been.

No one can gainsay the fact that the white race has led the world in progress and achievement. And who would be illogical enough to declare that this was not the intention of the Creator?

(Continued on next page)

Since the advent of the United Nations Organization there has been a great emphasis on "no discrimination" and "no segregation," simultaneously declaring that "all races and peoples are equal."

"No discrimination as to race, creed or color," How often you hear those words in these days. You hear politicians use them, men who are seeking office. Politicians have been led to believe that unless they "sing that tune" they cannot hope to be elected to office.

In industry, employers have been told that they must not discriminate because of race, creed or color in the hiring of employees.

Labor unions seem to have been sold on the idea one hundred per cent. And because organized labor wields such a powerful influence, it is a mighty force for putting over the "no discrimination" idea.

In practically all U. N. literature nondiscrimination is the main line of thought.

In our public schools non discrimination is being fed into the thinking of the oncoming generation, indoctrinating them with the idea that our whole structure, industrially, politically, morally, socially, spiritually and every other wise will be strengthened, broadened and benefited by the practice of "non, discrimination."

What about this, anyway? Who are the originators of this no discrimination slogan to which American people are asked to rally? How come that the nation that has done more for all races creeds and colors than any other nation on earth, now has to be told that we must not discriminate? What is back of all this?

The answer is just this-it is the brain child of Communism. Carry this thing to its logical end, and what will result? It will result in the breaking down of the racial barriers and the mongrelizing of the white race. The proponents of " non - discrimination" would have you believe that even that would work

for the betterment of humanity. In fact, the communists know that if they succeed in pushing this "no discrimination" idea to its logical limits, they will have broken down the barriers which were erected of God Almighty between the various races, and their scheme for world conquest will be virtually assured.

No preacher who understands, believes and preaches the plan and purpose of God, will ever give voice to "no discrimination," unless he is reprobate. There are such, sad to say.

Yahweh Bless you all and may he keep you safe with the light of his chosen peoples the true Israelites. The Aryan Race.

HAIL HIS VICTORY! And Praise HIS COMING!

Organization Update

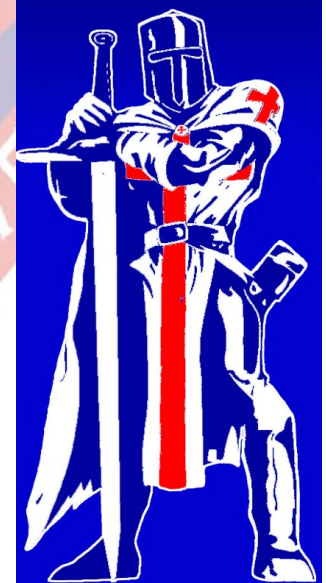

A quick reminder to all our readers followers and members,

As most of you know the website is down, we still own it, but I am re-vamping the site as well as the organization to better serve the needs of our racial brothers and sisters. After the hostile take over of the organization I brought back we needed a change and I have brought that to a head now. But I must admit that it was hasty and a lot was left out of its creation. So too keep in line with our beliefs I am revamping ALL of it, including the recreation of our Handbooks, our Bylaws and making sure that we have everything in stock that we will need including the patches and flags. How can we serve our brothers and sisters if I try to get things once they are ordered? So I am writing this so you all will know what is going on. Our paper work is final and we are fully registered with the State of Ohio as a non profit organization and the paperwork for the government to have us listed as a 501 (c)(3) has been filed and is in the process of being returned to us, with this Non profit status. Our turn around time for new members and orders will be faster, and the material will all be in PRINT as many tried to take the CD Rom and play it in the cd player..... The New Headquarters office is close to being finished and will serve many purposes, including a new Video message that I will conduct and a store for all our material. There are a few other changes as well, there will be NO membership fee, but a Donation of \$15.00 to cover your patch and printed material with a monthly tithe donation of \$10.00. This can be waived if you are able to help produce Videos, or other related things that will be needed including Officers positions. The Church of Jesus Christ-Christian is the Theological part of the Organization and the Crusaders For Yahweh is the Political arm of the Church in keeping with Pastor Butler's creation of the CJCC/AN. Please keep the faith and know that we are making things better for not only you but our Race as well. White Nationalism with Christian Identity is the new wave that will be coming and we will be VICTORIOUSE!

The Ferrar Fenton Translation

THE following few quotes will indicate why this translation is not known or unavailable in almost all "Christian" bookshops. The above was proven when I rang a local well known bookshop.

In the 1966 edition there appears the following dedication by Mr. Fenton : "I dedicate this complete translation of the Holy Scriptures of the Hebrew and Christian faith to ALL THOSE NATIONS WHO HAVE SPRUNG FROM THE RACE OF THE BRITISH ISLES, and to whom the English language, in its developed power, is the mother tongue; and with them to all the inhabitants of the world to whom English has become, or may become, the language of thought, in hope that a clear presentment of the Laws of Creation and human existence will restore them from the mental distress of atheistic doubt, to a firm reliance upon God, their Creator and the practice of His revealed Laws of life, bodily and spiritual".

In the introduction on Page vii he says: "In the year 1853 there was inspired into my mind, by what appeared, a mere accident, to resolve to study the Bible absolutely in its original languages, to ascertain what its writers actually said and taught". Further on he says, ".... My conclusion is that in the Hebro-Christian Scriptures we have the only key that unlocks the Mystery of the Universe to the intellect of Man and the Mystery of Man to Himself. In this conviction I present this section of the Bible to my Race."

In the explanatory notes on page xi he says: "That the best established doctrine of Historical Philosophy was, that all the power, prosperity and mental energy of a Race or Nation sprang from and lived by its religion; that when its Religion ceased to be its Faith, that is, its energizing principle, the intellect, power, vigor and prosperity of that Race or Nation died away in proportion, and ultimately perished, both mentally and physically". On page xiii he says: "for disbelief arises from ignorance and never from clear and perfect knowledge". What was Mr. Fenton's objective in providing this translation? This is answered on page xiii: "My object is to try and save the British Race from decay and dissolution by restoring to it the vital element of Faith in Revelation, for unless its Faith is revived our doom is certain". His concluding words in the explanatory section says: "The whole Bible of the Old and New Testament in the present mother tongue of our Race are in the hands of our People and open to the world in the same noble and

powerful language, a language which I believe, like those of Hebrew and Greek in the past, to have been developed for that special purpose by the Creator".

In the introduction concerning the History of Israel and Judah, pages 217 to 222 there are the following thoughts of wisdom: "the repudiation of Divine Laws by Statesmen is shown to be the sin of the nation"..... Further on he says: "His (Isaiah's) teaching is that contained in the rule of our modern Law of Nations, "Religion follows the Government" ; but Isaiah carries the doctrine to a yet wider sweep and adds to it "and Morality follows Religion" ; and the prosperity and happiness of Nations is the outcome of their religion and their ruin inevitably follows vice and sin". Further discerning words of advice for the Nation are given by Mr Fenton in this introduction. In the light of the fact that these words were expressed during the early years of the 20th century, shows how prophetic were the words of not only the prophets but also Mr. Ferrar Fenton. Mr. Fenton's passion and earnest desire for the Truth is shown in the following quote on page 413: "In my effort I have been like a sailor in an unknown sea, feeling my way by soundings, and so may not always have found the best channel for my voyage; but with God's help I have done my best to present the Revelation of Laws before my people in all lands, in the form He inspired His preachers of old to do in what was then the Mother tongue of their Race. In doing this I do not hesitate to say I believe I have worked under the influence of Divine Inspiration. Not the Inspiration dreamed and driveled about. by Monks, Schoolmen and Fools, but by that Inspiration the Creator puts into the instruments through whom He intends to work out His objects preparing them from conception with faculties and surroundings to fit and lead them forward to effect His purposes".

The following verses from I Corinthians 1:26-31 are most relevant. Such appointed servants will be used of God, during the Millennium, to help save Israel "from decay and dissolution". This is the destiny that the God of Abraham, Isaac and Jacob has for His people, His Elect (Isaiah 45:4).

The fight we now are in has been told since the beginning of time, and we did not listen, will you now listen to your GOD as he prepares you to be a crusader in his army?
