Greeting from Reverend Lloyd

Greetings my White brothers and sisters! Congratulations! You have taken the first step in a long journey towards the salvation of our peoples future generations.

You are reading this because you care about your families, your loved ones and the future of your race. You are concerned because you do not like what you see in the world around you. Everywhere you turn the White Race faces hardships, discriminations, and persecution from the 4 corners of the globe.

You are not content to just sit back and allow your people, your race, to suffer. There is a fire that burns in your heart, your soul cries out for justice and vengeance against those that continue to wrong our people. You are an individual who cares about the well being of his racial family. You wish to see your children grow in a world where they don't have to be afraid to walk down the street, where they don't get passed over for promotion due to "affirmative action", a world in which they do not feel ashamed but proud of their White Racial heritage and the achievements of ancestors past.

The Church of Creativity offers to you, to your families, and to the memories of your dead ancestors the ultimate creed and program for the salvation of our beautiful White Race. Creativity brings forth an all encompassing religious philosophy that one can easily and joyfully with conviction in their heart, wrap their total soul around. A mindset of total conviction, a life of total dedication to the protection, resurrection, and propagation of our glorious White Race.

The Church of Creativity is not a mere membership organization or political party but is itself an all encompassing religious movement dedicated to nothing short of total White Victory. Our church believes in family, unity and living life to its fullest.

We welcome you into our ranks. Together we can win this **Racial Holy War! RAHOWA!**

Chapter 4 - What is Creativity?

After six thousand years of recorded history, our people finally have a religion of, for, and by them. CREATIVITY is that religion. It is established for the Survival, Expansion, and Advancement of our White Race exclusively. Indeed, we believe that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin. We have come to hold these views by observing the Eternal Laws of Nature, by studying History, and by using the Logic and Common Sense everyone is born with: the highest Law of Nature is the survival of one's own kind; history has shown us that the White Race is responsible for all that which we call progress on this earth; and that it is therefore logical and sensible to place supreme importance upon Race and to reject all ideas which fail to do so. Our people have faced threats throughout history, but never before has our people faced as grave a threat as it is facing today. Today, our people's very continued biological existence on this planet is in doubt. In 1920, for example, one out of every three people on this planet were White. Today, only one out of twelve are White. If present trends continue, one can only imagine what the complexion of the world will be like in another one hundred years. How did this calamity come about? It came about because of our people's skewed thinking. Our people have thus far been concerned with every issue besides the issue of their own survival. We have subsidized those not of our own kind at our expense, causing their numbers to soar, while at the same time, White people have scaled back the size of their families, either out of selfishness or because of low-paying salaries and exorbitant taxes. We have divided ourselves into all kinds of organizations and causes, none of whom address the most basic issue: Will White children have a future? With CREATIVITY, this is the issue, and all other issues revolve around it. Our people everywhere are beginning to embrace the dynamic and inspiring creed and program of CREATIVITY. White people everywhere are beginning to put aside their past differences and divisions and are coming together as one people for their best interests. More and more of our people are beginning to realize that if White people do not look out for their own future, no other people will. As a result, our churches are sprouting up all over the world, our ministers preaching the word of White unity and our members zealously spreading the word to you, our fellow White people. We hope that after reading this, you will decide to obtain more information and do something meaningful for the white race: organize!

RAHOWA!

Chapter 5 – A Call to Action from Founder Ben Klassen

“Yes, whether we like it or not, we are today engulfed in a major worldwide revolution that constitutes a major turning point in the history of the human race, and the outcome will either be catastrophe of gigantic proportions or it will usher in a new age of greatness and well-being for the human race. Not only will the future course of the human race be drastically affected, but the global environment as well. It will depend on which side wins. If the evil forces led by the Jews are victorious, future humanity is doomed to ten of thousands of years of slavery, misery, and bestiality, a situation from which there is no reversal and from which it can never recover. If, on the other hand, the White Race wins, led by the program and vision of the Church of Creator, a bright and beautiful new world will emerge. It will be a world of grandeur and beauty, a world of continuing advancement, of cultural, economic, and genetic well-being. The outcome, my dear White Racial Comrades, depends completely on how hard you struggle to bring about victory.”

Chapter 6 - The Simulacrum Candidus (The White Emblem)

Symbolism of our Flag:

- (1)The "W", of course, stands for our White Race, which we regard as the most precious treasure on the face of the earth.
- (2)The Crown signifies our Aristocratic position in Nature's scheme of things, indicating that we are the Elite.
- (3)The Halo indicates that we regard our Race as being unique and sacred above all other values.
- (4)The blood-red color of our flag symbolizes our struggle for the survival, expansion and advancement of the White Race.
- (5)The triangle of pure white color at one end of the flag symbolizes the emergence of a Whiter and Brighter World out of our struggle.
- (6)The center of the flag is adorned with the Creator logo, which symbolizes our unique White Racial Religion - CREATIVITY: the Beacon of Hope and Salvation for the White People.

We Creators say: to hell with the J.O.G. flag, which has become a symbol of race mixing; we Creators now have our own flag, which proudly proclaims - WHITE PEOPLE AWAKE! SAVE THE WHITE RACE! Our battle flag is the flag of a Whiter and Brighter Future, so let us make sure that it will be flying over all of Planet Earth soon. **RAHOWA!**

Chapter 7 - The Five Fundamental Beliefs of Creativity

To be memorized and repeated as a sacred religious ritual by every Creator five times a day.

Based on the Eternal Laws of Nature, History, Logic and Common Sense we Creators believe:

- 1. WE BELIEVE** that our Race is our Religion.
- 2. WE BELIEVE** that the White Race is Nature's Finest.
- 3. WE BELIEVE** that Racial Loyalty is the greatest of all honors, and racial treason is the worst of all crimes.
- 4. WE BELIEVE** that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.
- 5. WE BELIEVE** that the one and only, true and revolutionary White Racial Religion - Creativity- is the only salvation for the White Race.

To the fulfillment of these Religious Beliefs we Creators forever pledge our Lives, our Sacred Honor and our Religious Zeal.

**RAHOWA!
TOTAL WHITE VICTORY!**

- * Learn to distinguish between claims and substantiated facts.
- * Like smoking opium, Christianity is a flight from reality.
- * Christ-Insanity promises "Pie in the sky when you die".
- * Creativity, based on the Eternal Laws of Nature, History, Logic and Common Sense, is the White Man's natural religion.

Chapter 8 - The Sixteen Commandments

1. It is the avowed duty and holy responsibility of each generation to assure and secure for all time the existence of the White Race upon the face of this planet.
2. Be fruitful and multiply. Do your part in helping to populate the world with your own kind. It is our sacred goal to populate the lands of this earth with White people exclusively.
3. Remember that the inferior colored races are our deadly enemies, and the most dangerous of all is the Jewish race. It is our immediate objective to relentlessly expand the White Race, and keep shrinking our enemies.
4. The guiding principle of all your actions shall be: What is best for the White Race?
5. You shall keep your race pure. Pollution of the White Race is a heinous crime against Nature and against your own race.
6. Your first loyalty belongs to the White Race.
7. Show preferential treatment in business dealings with members of your own race. Phase out all dealings with Jews as soon as possible. Do not employ niggers or other coloreds. Have social contacts only with members of your own racial family.
8. Destroy and banish all Jewish thought and influence from our society. Work hard to bring about a White world as soon as possible.
9. Work and creativity are our genius. We regard work as a noble pursuit and our willingness to work a blessing to our race.
10. Decide in early youth that during your lifetime you will make at least one major lasting contribution to the White Race.
11. Uphold the honor of your race at all times.
12. It is our duty and our privilege to further Nature's plan by striving towards the advancement and improvement of our future generations.
13. You shall honor, protect and venerate the sanctity of the family unit, and hold it sacred. It is the present link in the long golden chain of our White Race.
14. Throughout your life you shall faithfully uphold our pivotal creed of Blood, Soil and Honor. Practice it diligently, for it is the heart of our faith.
15. As a proud member of the White Race, think and act positively. Be courageous, confident and aggressive. Utilize constructively your creative ability.

16. We, the Racial Comrades of the White Race, are determined to regain complete and unconditional control of our own destiny.

Chapter 9 - The Essence of a Creator

1. **A CREATOR** puts loyalty towards his own race above every other loyalty.
2. **A CREATOR** is responsible, productive and constructive.
3. **A CREATOR** places a high value on honor and self-respect, and will defend his own honor, the honor of his race and of his family at all costs.
4. **A CREATOR** recognizes both love and hate as the two most powerful driving forces in life: that both emotions are healthy and essential to life, and to possess only one and be deprived of the other is to be as crippled as a bird with only one wing.
5. **A CREATOR** realizes that both love and hate, in order to be constructive, must be directed in the proper channels and to do otherwise is destructive and suicidal.
6. **A CREATOR** therefore makes a careful distinction between his loved ones and his enemies. He loves, aids and abets those of his own race and his own kind, and hates his enemies, namely Jews, niggers and the mud races.
7. **A CREATOR** is eager, optimistic, aggressive, energetic, and self-sacrificing for the best interests of his people.
8. **A CREATOR** strives to keep physically fit and keep his body in the best of health at all times.
9. **A CREATOR** is inquisitive, adventurous, and has a cheerful zest for living.
10. **A CREATOR** is tough, tenacious, resolute, persistent, persevering, indomitable and indefatigable, as were the Ancient Romans.
11. **A CREATOR** is practical, down to earth and concentrates on those goals and activities that are meaningful and worthwhile.
12. **A CREATOR** is brave and courageous and always a proud credit to his people.
13. **A CREATOR** places high value on ATTITUDE, strives continually to maintain a healthy, positive and dynamic attitude towards life.
14. **A CREATOR** is an Achiever and a Producer.
15. **A CREATOR** is a problem solver.

* Once we have straightened out the White Man's thinking, the battle is as good as won!

- * Spread the word-words are powerful weapons.
- * Nothing is more important than the survival and advancement of our race.
- * It is our aim to shrink the colored races, and to expand the White Race.
- * Civilization is plainly the creation and property of the White Race.
- * We do not condone tolerance of other people's beliefs if they are an affront to our intelligence.

Chapter 10 – What a Creator is not.

1. **A CREATOR** is not gullible, and does not easily accept any statement, belief, assertion or assumption that to him is lacking in proof and/or is unreasonable in the light of his own experiences.
2. **A CREATOR** is not superstitious and disdains belief in the supernatural. He will waste no time giving credence to, or playing silly games with imaginary spooks, spirits, gods and demons.
3. **A CREATOR** is not interested in the future or welfare of the mud races, and shuns race mixing or any social intercourse whatsoever with the inferior mud races.
4. **A CREATOR** shuns sexual deviation.
5. **A CREATOR** does not whine, complain or indulge in self-pity, but instead faces problems realistically, gets to the root of problems, and determines to solve them.

Chapter 11 – What We Believe in

The daily affirmation of our faith! To be said daily by all Creators.

- 1. WE BELIEVE** in the Eternal Laws of Nature as revealed through science, history, logic and common sense.
- 2. WE BELIEVE** that the highest Law of Nature is the survival of our species by ALL MEANS AND AT ALL COSTS.
- 3. WE BELIEVE** that our Race is our Religion.
- 4. WE BELIEVE** that Racial Loyalty is the greatest of all honors, and racial treason is the worst of all crimes.
- 5. WE BELIEVE** that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.
- 6. WE BELIEVE** that the White Race is the finest and noblest creation of Nature.
- 7. WE BELIEVE** that CREATIVITY is the essence of the White Racial Soul.
- 8. WE BELIEVE** that the White Race is and always has been the originator and Creator of all worthwhile Culture and Civilization.
- 9. WE BELIEVE** that without the White Race any worthwhile Culture and Civilization are impossible.
- 10. WE BELIEVE** that for the White Race to survive, expand, and advance we need first of all a REVOLUTION OF VALUES THROUGH RELIGION; therefore we completely and categorically reject the Judeo - Christian - Democratic - Marxist - Liberal - Feminist values of today, and supplant them with new and basic values, of which RACE IS THE FOUNDATION.
- 11. WE BELIEVE** that Jew-spawned Christianity is the deadly mind poison which destroyed the glorious White Roman Civilization and is currently destroying all of the White Race; therefore Christianity must be exposed, defeated and eliminated in order to save the White Race.
- 12. WE BELIEVE** that the one and only, true and revolutionary White Racial Religion- CREATIVITY-is in every conceivable way far more logical, consistent, comprehensive, meaningful and inspiring than all other religions, ideologies and political parties combined; therefore we strive that it eventually replace all other religions, ideologies and parties, barring none.
- 13. WE BELIEVE** in the unity of our White Racial Religion with our White Racial State.

14. WE BELIEVE in the total unification of the White Race on the basis of one Racial Religion (CREATIVITY) and one Racial Language(Latin) in a worldwide White Racial Community.

15. WE BELIEVE that the one and only, true and revolutionary White Racial Religion-Creativity-has the potential of not only leading the White People to a worldwide victory, but also guiding them onward for the next million years towards a New White Renaissance, a Whiter and Brighter World, and a Glorious Era of the White Superman.

16. WE BELIEVE that the White Race, its Biological and Cultural Heritage, is now under attack by our mortal racial enemies: Jews, niggers and the mud races.

17. WE BELIEVE that, due to the Jew-instigated demographic explosion of the mud races, we must(as a matter of life or death!) not only start, but also win the worldwide White Racial Holy War within this generation.

18. WE BELIEVE that RAHOWA (Racial HOly WAr), under the victorious flag of the one and only, true and revolutionary White Racial Religion-Creativity-, is the only road to the resurrection and redemption of the White Race.

Chapter 12 – Creator Wedding Ceremony

To be performed by Reverends Only

Ladies and Gentlemen, my esteemed White Racial Comrades! We are gathered here today on one of life's most happy occasions. The institution of marriage bears a venerable tradition that goes back as far as civilization itself. It has, however, been the White Race in particular that has raised this important milestone in the life of a man and a woman to the high level of respect, significance, and dignity as has no other people in history. It is nevertheless significant to realize that marriage is not an invention of civilization as such, but a Creative instinct imbued by Nature itself, a natural manifestation of the mating instinct, the healthy Creative force inherent in all of Nature's creatures for the propagation and perpetuation of each species, and each to his and her own kind. The Church of the C*****, whose religious creed is firmly based on the Eternal Laws of Nature as revealed through science, history, logic, and common sense, most wholeheartedly bestows its full blessings on this happy event that we are witnessing today. Our Church not only encourages, but urges this fortunate couple, who have found each other, to be FRUITFUL AND CREATIVE, to fulfill their commitment to their Race and to destiny as Nature has instinctively ordained them to do. It is to this Natural estate that this man and woman now come forward to be joined.

If there is any person present who can show just cause why they may not be joined together, let him or her speak, or forever hold their peace.

We will now proceed, if both of you have already made your mental and emotional commitments to yourselves and each other, to exchange your sacred vows in public, before Nature, before the gathering assembled today, and the world.

The Bride and the Groom, would you please join hands.

TO THE GROOM:

--Do you, White Racial Comrade [Victor], take this White Woman to be your lawfully wedded wife, your natural mate for life, and do you promise before these witnesses and before Nature, to love her, to comfort her, to honor her, and to defend her, to keep her in sickness and in health, in joy and in sorrow, forsaking all others, keep faithfully only unto her so long as you both shall live?

The Groom answers: "I do."

TO THE BRIDE:

--Do you, White Racial Comrade [Vicky], take this White Man to be your lawfully wedded husband, your natural mate for life, and do you promise before Nature, to love, honor, and cherish him, to recognize him as head of the family, to keep him in sickness and in health, in

joy and in sorrow, forsaking all others, keep faithfully unto him as long as you both shall live?

The Bride answers: "I do."

The Minister shall now instruct the Groom to place the wedding ring on the third finger of the Bride's left hand. The Bride shall do likewise.

Each in turn repeats after the Minister:

--With this ring I thee wed, and as your Natural mate join with you in life's future journey.

The Minister shall extend his right hand towards the couple and state:

Inasmuch as these White Racial Comrades have, in the presence of Nature and these witnesses, consented together to be joined in the lawful bonds of sacred matrimony, and thereto have pledged each other their sacred vows, and declared such by the ritual exchange of rings, I now, therefore, in accordance with the authority vested in me by the Church of the C*****, pronounce you husband and wife. You may kiss the Bride.

Whom Nature has joined together, let no man put asunder.

And now, as you proceed to travel down life's exciting and fortuitous road together, as equal partners, yet each an individual with a unique and different role to play, remember your first loyalty: to each other, to your family, and above all to your own Race. May the Creative force be with you and stay with you. May you be fruitful and productive, and may happiness and prosperity be your constant companions for all the days of your lives. RAHOWA!

The Minister should end the ceremony by extending his right hand forward (in the Roman style salute) and blessing the new couple with three RAHOWA! salutes. All present at the gathering may join in this salute to the new White couple. **RAHOWA! RAHOWA! RAHOWA!**

Chapter 13 – The Creator Child Pledging Ceremony

To be performed by Reverends Only

After the birth of a White child, the parents should notify a Church Minister as soon as possible, or if a Church Minister knows of a birth in a White family, he should approach the parents to congratulate them and set up a date for the Ceremony of Pledging to Raise the Child Loyal to the White Race. The ceremony should be performed as soon as possible after the child's birth (ideally, within a week or two). If the parents' efforts in raising their child loyal to the White Race are successful, the child upon his or her 13th birthday will be allowed to participate in **the Ceremony of Confirmation of Loyalty to the White Race**.

When a date for the Pledging is agreed upon, the preparations should be made at a local Church temple or another appropriate place. The Church flag and literature should be displayed during the ceremony to create an atmosphere of purpose and dignity. The Minister should proceed as follows:

Ladies and Gentlemen, my esteemed White Racial Comrades! We are gathered here today to welcome into our ranks a newly born White child, and to witness the solemn pledge of his (her) parents that they will do everything possible to bring up this White child in the spirit of loyalty to the White Race and The Church of the C*****, so that he (she) will be qualified, willing, and able on his (her) 13th birthday to participate in **the Ceremony of Confirmation of Loyalty to the White Race**.

One of the most joyful occasions for the White Race is when the union of a White man and a White woman becomes fruitful and brings forth a White child--a new link in the golden chain of our Race stretching through space and time to eternity. The greatest Law of Nature is the survival, propagation, and perpetuation of your own species, in our case--the White Race. We Whites must be especially loyal to this Law of Nature, because failure to do so leads inevitably to mongrelization and extinction of our species--Nature's Finest. By following the instincts given to us by Nature, we Whites must marry only Whites, and not only perpetuate but also advance the White Race through our children by practicing the principles of Eugenics.

The Church of the C*****, whose religious creed is firmly based on the Eternal Laws of Nature as revealed through science, history, logic, and common sense, congratulates the parents of this child for fulfilling the supremely important mission of White genetic procreation and for pledging to raise their child in the spirit of loyalty to the White Race.

We will now proceed with the Pledging Ceremony. The Father and the Mother, would you please bring your little Creator forward.

The parents should approach the Minister with the Mother carrying the Child. The Mother then gives the Child to the Father and says:

(Father), introduce our Child to our White Racial Comrades.

The Father takes the Child, turns to the assembly, and says:

Dear White Racial Comrades, I would like to introduce to you our Son (Daughter), who is the continuance of our family, race, and Creativity.

The Father then turns to the Minister and gives him the Child. The Minister takes the Child and says:

On behalf of The Church of the C***** and our White Racial Comrades, I am pleased and honored to welcome this Child into the White Race and The Church of the C*****. Welcome (child) into our midst! We hope that your parents will raise you to be a loyal member of the White Race and The Church of the C*****.

While holding the Child, the Minister should proceed as follows:

Will the Father of this Child raise his right hand and repeat after me the following Pledge:

I pledge before these witnesses and before Nature to raise my Child as a loyal member of the White Race and The Church of the C*****.

Will the Mother of this Child raise her right hand and repeat after me the following Pledge:

I pledge before these witnesses and before Nature to raise my Child as a loyal member of the White Race and The Church of the C*****.

The Minister returns the Child to the Mother and addresses the assembly:

Dear White Racial Comrades, let us give a Creative salute to our newest little Creator and his (her) Parents.

The Minister extends his right hand forward in the Roman style salute while saying:

RAHOWA! RAHOWA! RAHOWA!

All present should join in the salute.

Chapter 14 – The Ceremony of Confirmation of Loyalty to the White Race

To be performed by Reverends Only

In the weeks prior to their child's 13th birthday and after successfully raising that child to be loyal to their White Race, Creator parents should make arrangements with a Minister to perform this Ceremony of Confirmation of Loyalty to the White Race, this ceremony being performed on the child's 13th birthday. As with **the Child Pledging Ceremony**, preparations should be made at a local Church temple or another appropriate place. The Church flag and literature should be displayed during the ceremony to create an atmosphere of purpose and dignity. The Minister should proceed as follows:

Ladies and Gentlemen, my esteemed White Racial Comrades! We are gathered here today to hear the affirmation of loyalty to the White Race from our Brother (Sister) on this, his (her) 13th birthday. We are here to witness his (her) solemn pledge to remain true to the White Race, whatever the circumstances, so long as he (she) shall live. Today, our Brother (Sister) is no longer a child, but is beginning his (her) road to adulthood and those responsibilities which this establishes. The Church of the C*****, truly recognizes that it is the youth of today who will carry the torch forward which we carry today, and it is our design that this youth be even more fervent and steeped in our Creed than the generation at the helm today. The Church of the C*****, whose religious creed is firmly based on the Eternal Laws of Nature as revealed through science, history, logic, and common sense, furthermore congratulates the Parents of this young man (woman) for successfully raising him (her) to be loyal to the White Race. This is a momentous and vital achievement in the struggle for our people.

We will now proceed with the Confirmation of Loyalty Ceremony. Brother (Sister), come forward.

The young Creator, previously standing with his parents, should approach the Minister. The Minister should proceed as follows:

Please raise your right hand in the Creative salute and repeat after me the following pledge: I pledge before these witnesses, and before Nature, that I am loyal to the White Race, loyal to The Church of the C*****, and loyal to its Commandments, and will remain so, so long as I shall live.

The Minister then addresses the assembly:

Dear White Racial Comrades, let us too give a Creative salute to this young man and his parents!

The Minister extends his right hand forward in the Roman style salute while saying:

RAHOWA! RAHOWA! RAHOWA!

All present should join in the salute

Chapter 15 – The Saying of Goodbyes to our Departed Brethren

It is appropriate that our Church cover the full cycle of life from birth to death. We have our Child Pledging Ceremony, the Confirmation of Loyalty to the White Race (on our children's thirteenth birthday), the Creator Wedding Ceremony, and finally, the Saying of Goodbyes to our Departed Brethren. As we Creators know, death is part of life. It is the natural consequence of the gift of living that one day, we make way for others. The individual is a transitory being while the Race is eternal.

Regardless of our understanding of life and death, this understanding does not and probably cannot ease completely the sadness at the loss of a loved one. We Creators, after all, love life and love each other who make life more worthwhile. Therefore, the purpose of the Saying of Goodbyes for our Departed Brethren is to provide as much comfort and understanding as possible to our aggrieved comrades within the context of our Creativity Faith and adherence to Nature's Laws.

Decisions as to whether the departed comrade will be cremated, whether he will be embalmed, or whether there will even be a ceremony remains the decision of the next of kin. If, however, there is a ceremony, the following is an outline of the sermon of the Creativity Minister. It will naturally be necessary for the Creativity Minister to tailor his sermon to the details of our departed comrade's life similar to that routinely done by ministers of other faiths. All arrangements, in fact, should be made as is customarily done- arrangements made with the funeral home and arrangements made with the Creativity Minister. Our Holy Flag should be present at both the visitation as well as the graveside services.

My Brothers and Sisters! We are here today to pay our respects and appreciation to our departed Brother Victor (Sister Gloria).

As Creators, we know that death is a part of life. It is the price that must be paid of all living creatures upon the face of the Earth. There is thus no "sin" in dying any more than there is a "sin" in living. Instead, all of us come into this world through the grace of Nature and make our way for the benefit of the generations following us, for if we did not die, life on this planet could not continue. Instead, while the individual must go, our Race must live.

Our lives become eternal through both our works and through our children. We live on in the memories of those whom our lives have touched and live on through the children we have created. Our good Brother Victor, whom we have all esteemed and respected these many years lives on in our memories and in his children and grandchildren who would not exist if it were not for him. Thus while it is sad to lose Brother Victor's physical presence amongst us, Brother Victor still lives? He remains in our hearts and minds and progeny continue.....

And so on this day – a day of both sadness and understanding—there is still happiness in our hearts that Nature blessed all of us with Brother Victor these many years and that Brother Victor continues to live in all of us—His Flag, our Holy Flag of Creativity, remains our Flag. Brother Victor struggled for victory of our Flag and our Victory will also be his.

Turning to Brother Victor's body, the Minister extends his right hand forward in the Roman style salute while saying "RAHOWA Brother Victor!" Then, the Minister turns back towards the congregation saying "RAHOWA! RAHOWA! RAHOWA!"

All present should join in the salute.

Chapter 16 – Creativity Unique!

Not a rehash of the Nazi Philosophy

We Creators believe that Adolf Hitler was a pioneer who made a tremendous breakthrough for the White Race, but unfortunately he did not break the back of the Jewish monster. On the contrary, the Jews emerged victorious from the ashes of a defeated Germany. When WWII ended, the Jews were ten times more powerful than before that holocaust began. Now, over forty years later they have further consolidated that power and tightened their death grip on the world, and on the White Race. It remains up to us, the present generation of the White People, to break that Jewish stranglehold. Nobody else will do it for us.

We Creators have learned much from the Nazi experience and the mistakes made in dealing with the Jewish monster. National Socialism was the first mighty breakthrough for the White Race, but it was not the total answer. **IN CREATIVITY THE WHITE RACE FINALLY HAS THE TOTAL ANSWER TO THE PROBLEMS OF WHITE RACIAL SURVIVAL, EXPANSION AND ADVANCEMENT!** We Creators have come up with a completely different approach and use the same weapons the Jews have used so successfully for over 3500 years, namely the **POWER OF RELIGION!**

There are at least **eight** Fundamental Differences between the Creativity movement and the Nazi movement, which have been outlined in *Expanding Creativity* (p. 56-67) and *Building a Whiter and Brighter World* (p. 50-51) :

1. Whereas the concern of Hitler and the Nazi movement was to **save Germany** from the enemies that surrounded her, the overwhelming goal of the World Church of the Creator is to **save the White Race** and insure the survival, expansion and advancement of the White Race on a worldwide basis. We preach not nationalism, but racialism.
2. Hitler himself stated that the Nazi movement was a political movement exclusively for the Germans and not for export. **CREATIVITY** is, in contrast, a **RELIGIOUS MOVEMENT** designed for global proportions to embrace all the White peoples of this Planet Earth.
3. Whereas Hitler never tackled the issue of Jewish Christianity, and, in fact, sometimes even mildly identified with it, we confront Christianity head-on, expose its treacherous and deceitful nature, and its Jewish origins.
4. Hitler left us a burdensome legacy that still lingers on in the minds of many of his admirers, and that is that the Jewish problem must be solved as a political problem. We Creators say: not so, it is a religious problem that can only be solved by replacing Jewish Christianity with a powerful racial religion for the White Race. In the one and only, true and revolutionary White Racial Religion -- **CREATIVITY** -- we have such a solution.
5. Whereas the Nazi movement took a harsh and hostile stance toward many of its White neighbors -- the French, the Poles, the Czechs, etc., **CREATIVITY**, on the other hand, seeks to embrace and unite all the White peoples of the world in the spirit of White Racial loyalty and solidarity.

6. Whereas Hitler formed a military alliance with one of the more powerful mud races, namely the Japanese, to help kill White peoples, to us Creators this is sheer treason and must never happen again. A cardinal rule of the World Church of the Creator is: never again shall the White Race engage in suicidal warfare against its own kind but concentrate its power and hostility instead against its racial enemies -- Jews, niggers and the mud races.
7. Our "mythos" is the American scene of our White pioneering forefathers, Manifest Destiny and the Winning of the West, which we consider as the finest chapter in the history of the entire White Race. In contrast, the Nazi mythos was narrowly nationalistic in orientation, with the exclusive emphasis on German language and history.
8. We shun the "personality cult" approach to the overwhelming problem that confronts us and rely instead on logic and common sense, on the experience of history, and on the Eternal Laws of Nature as the broad and solid base upon which to build our powerful religious movement for White Racial Survival, Expansion and Advancement.

We must not get into the rut of merely rehashing the problem endlessly. Let us instead direct our energies constructively towards solving the problem by building a massive White Racial movement. CREATIVITY is the solution

Chapter 17 – Tips on spreading Creativity

By Reverend Lloyd

Remember to be polite, confident and positive. Do not go out with the attitude that “I’m pissed off at the world and I’m going to show it!” For years, I used fliers and leaflets that were aimed at upsetting people - fliers that said “GAS THE JEW!”, “KILL ALL THE NIGGERS!” and so on. It got me nowhere! Remember that we must present an image that reflects on our soul. We are the Creative, Beautiful, Intelligent and Productive species, and we must show this to the world! Show the masses of the brain-polluted Whites that we have our act together, that we have a solid planned program to raise up our people from total destruction, and that we are determined to see this war through!

GETTING FRIENDS AND FAMILY INTO CREATIVITY - Using a backyard cookout BBQ:

After everyone’s had their fill and things are settling down, invite your family inside for a beer or something, and start off the conversation like this” “Hey pal, I received some literature a week ago in the mail and I would like to know what you think. It’s got some BIG stuff, and I would like to have your opinion on it.” Never say this: “Boy, I’ve got this tape and you really need to see it!” The same idea goes for books. You can say, for example, “Hey Jon, remember that conversation we had about blacks and race, well, I read this book and it talks a little bit about that, and I was wondering if you could read it and tell me what you think. I would like your opinion on it.” Then pop in the tape or give him the book. Make sure to buy a tape or book that corresponds to your friend’s way of thinking beforehand. Keep in mind that not all White people think the same; some are aggressive in the pursuit of knowledge while others are timid. Show them the RIGHT tape, not just any tape! Also, another good rule of thumb is to wait for the right moment, like when an add for a movie promoting race-mixing comes on and then ask him what he thinks of race-mixing. Remember to never push our Creed into him. Slide into it. It may take a few weeks or even a few years. Just remember, the end result is the person becoming racially conscious, not the person leaving the room with a hatred of you!

RIDING THE BUS: Riding the bus gives you plenty of chances to spread Creativity. For instance, you can, and this is what I do, leave calling cards on the seats. Make sure to leave one per every three of four rows. That way, if someone spots one, he will only rip up that one and leave the others alone.

STREET CORNERS: Have two or three friends go with you to a busy street corner and pass out fliers. Have one hold a sign high while the rest of you pass out fliers and strike up conversations with passers by. Remember to be friendly and polite.

BY CAR: Throw fliers from your car. You can also go riding around town with signs and posters stuck to the side and rear of your car or truck.

MORE IDEAS: Go door to door like a missionary and talk to the people. Call up local talk-shows and get on the air. Put a racist show on public access TV. If you do not hold Sunday Services, start, even if only one or two people show up! Hold Church picnics...

Good luck my Brothers and Sisters! RAHOWA!

Chapter 18 - How To Be A Better Creator

By Reverend Lloyd

LEARN A SECOND LANGUAGE: If you already speak English, and live in the Western Hemisphere, then learn Spanish or Portuguese. If you speak a language other than English, learn English. If you are studying Latin, that's great, but learn it as a third language.

BECOME SALUBRIOUS: Now wait a minute, come back here, it's not that difficult. Trust me, it's well worth it to become completely Salubrious. You will feel better, look better, have more energy and feel more confident and assured of your own actions.

STEP 1: Quit all candy, snacks, beer, smokes and fast foods.

STEP 2: Cut down to three cooked meals a week. Also workout and get some Sun.

STEP 3: After a few months cut down to 4 cooked meals a month.

STEP 4: After a few more months cut down to 2 cooked meals a month.

STEP 5: After a few more months cut down to one cooked meal a month.

STEP 6: Quite all un-Salubrious foods completely!

NOTE: This may take anywhere from 12 to 24 months to actually do.

SELF DEFENSE: Own at least one or two handguns and a shotgun if you live in a city or a rifle if you live in the country. Become proficient in all weapons that you possess as well as in hand-to-hand combat.

KITS: Own at least 1 survival kit and learn First-Aid. It would be wise to have one in your home, one in your car and one kept in a secret place.

STOCK UP: Every time you go to the Supermarket buy 5 liters of water and a couple of canned foods and store them. Many Mormons have a 3-year supply of food and water in their basements. Make sure to stock up on supplies because when the niggers start to riot you'll be glad that you did.

CREATIVITY RITUAL: Repeat the "5 Fundamental Beliefs of Creativity", the "16 Commandments" and the daily affirmation 5 times a day every day. Become knowledgeable in Creativity by reading and re-reading the 3 main Holy Books over and over again.

Become an ordained Minister.

DONATE: Make sure to donate money to the Church every month, even if it's only \$5 or \$10....

METRIC: And finally, learn the Metric system. Just picture the length of a meter and centimeter, then remind yourself that 10 millimeters make a centimeter, 1,000 millimeters make a meter, 100 centimeters make a meter and that 1,000 meters make a kilometer. It's a lot better than trying to figure out how many feet are in a mile. Trust me, it makes better sense.

RAHOWA!

Chapter 19 - Being a Creator Missionary

By Reverend Lloyd

MISSIONARY WORK: Go around to working-class communities dressed up and preach Creativity. Start off like this: "Good afternoon, Miss, I am Reverend Lloyd, a missionary from the Church of Creativity. Can I talk with you for a few minutes?" Then open up like this: "Our Religion, Creativity, is quite unique. We believe in following Natures Laws as revealed through Science, History, Logic and Common Sense. We believe in living in tune with our biological make-up and living a healthy lifestyle free from degeneracy, weakness and laziness. We have a 14 point program designed to create a more physically and emotionally healthy people. Our four dimensional Creed is "A Sound Mind, in a Sound Body, in a Sound Society, in a Sound Environment." We also have other programs designed to protect, expand and advance the White Race."

If they say, "I'm busy right now." Ask when a better time to come back would be. If they say, "No, I'm not interested." Say "If you're not interested in what we have to say, then you must not know what it is that we have to say." In any case, just before you leave ask if you could give them a pamphlet to read. If they say yes then give them one. Make sure to add a contact card to it.

Then take it in strides, and don't become disheartened if the first 100 doors are slammed in your face. If my Mormon relatives could convert 10 Million people this way then we Creators can convert 500 Million!

CARDS/FLIERS: Print up your own ideas that put Creativity in a positive light. Use an MS Word program to create your own fliers...

Here's an idea:

WHAT TO WEAR:

PANTS: Wear either kahki pants or shorts, or black slacks or shorts.

SHOES: Wear black or brown shoes or boots. Make sure the boots are polished!

SOCKS: Wear white or black socks.

OTHER: You can also wear eye-glasses, sun-glasses, or even a watch...

HATS: Fedora's or racial ball-caps ONLY!! No baseball caps!!

SHIRTS: White dress shirt and a red tie. Or, a collard shirt, either long or short sleeved. Collard shirts should be the color of red, black or white.

SKINHEADS: If you are a Skinhead, please cover up those Tattoos!

COATS: Black coat, or a trench coat.

JEANS: I guess, in a working-class area, jeans and jean jackets would be ok. But, people might think you are trying to rob some body. hahaha

WHAT IF NO ONES HOME: Then leave a flier.

Remember; if the police come by just say you're a Missionary exercising your rights. Then ask if they would be interested in converting to Creativity. That's if they are White. If not, then just repeat the First Amendment of the Constitution as well as Article 19 of the Human Rights Charter of the UN. Also, ask to see and write down their ID info...!!!

WHAT NOT TO SAY: Do not, under any circumstances, start off by BASHING Christianity or Jewry, Slide into things like that. If you see a Catholic or other Christ Insane object in their yard, be nice and smooth. Do not ride the individual. Remember to be patient and kind, think of the individual's feelings and make them want to hear more. If they start to delve deep into our hatred of the JEWS and Christ-Insanity, give them the flier. "A REAL CASE AGAINST THE JEWS" and ask them to read it before making up their mind as to whether or not we are evil or closed-minded.

FURTHER THOUGHTS: If you do this by yourself use caution. If there are a few of you go in groups of two or three. Choose your words carefully. Use words that touch the heart and soul of these people we are trying to "save." Hitler and Huey Long never would have come to power if they hadn't reached the hearts of the workingman. You should always try to have a woman with you, too!

RAHOWA

Chapter 20 – The Creativity Prayer

By Reverend Lloyd

This prayer is to be said at meals, before attempting great feats, and to raise one's spirits.

We Creators give thanks to Mother Nature for creating her Laws that govern all creatures and for the instinct to survive and advance our precious White Race. We also thank Nature for creating the elements that allowed us to evolve into a productive, creative and intelligent creature.

We give thanks to our White Race for creating our wonderful White Culture with its fine Art, Music, Theatre, Poetry, Literature, Sciences and Architecture.

We also give thanks to Founder, Ben Klassen, for creating a White Racial Religion that encapsulates the total Creed and Program for the Survival, Expansion, and Advancement of our Holy White Race. His teachings and farsightedness will not only help to lead our White People through hardships but will also help us to create a perfect White society, full of nothing but happiness and progress. To this end, we fight for total White victory!

In Ben Klassen' name, I say RAHOWA!

Chapter 21 – The Creativity Service

By Reverend Lloyd

(The following is a guide.)

HOLDING CHURCH SERVICES: First off, make sure to have the three main Holy Books, a Church flag (or print out of one), a picture of Ben Klassen (or print out of one) and the current PM, and a White candle. If you cannot find all of that, then simply have a white candle, at least one Holy Book, or if you can't find one, some print-outs of Creator literature, and your own resolve!

First, you raise the holy flag, put the White candle between the two pictures and then light the candle. Second, all attendants turn toward the alter, raise your right arm in the traditional Roman salute and then one of the following: 1) Repeat the 5 Fundamental Beliefs of Creativity in your native tongue and then in Latin. 2) Say the "Creativity Prayer" 3) Just salute and say, "In Ben Klassen's Name I Say RAHOWA!"

Now, open up with old business of the local Congregation. Talk about what has been achieved and what everyone needs to work on for the coming week.

Then go onto new business. A good rule-of-thumb is to go no more than one or two months' ahead.

Once old and new business is over, the head Reverend or leader starts the sermon. NOTE: One does not need to write his own sermon before hand. He can simply read from our Founders' Holy Books.

After the sermon you should lead a discussion of its meaning. Also, one can use a Nature video like "NOVA" or "National Geographic". Nature videos always show Creativity in action.

Then, if the congregation is LARGE enough, break up into groups, men with men, women with women, and children with an adult. Remember that children become an adult at age 13. So, after they go through the "Ceremony of Confirmation of Loyalty to the White Race", take them out of "Sunday School" and place them in an adult group. For the children, create a lesson that teaches Creativity in a positive and educational way. Teach the children Creativity in a practical way, one that they can use in everyday life.

Then everyone should come together again and give their testimonials. A testimonial is when a Creator gets up before all and tells what brought him to join the Church and why he knows that the Church's teachings are true. Testimonials can raise the spirits of both Creators and non-Creators alike!

Then recap the new business.

Then all stand up as in the beginning, repeat the 5 Fundamental Beliefs and say "In Ben Klassen's Name I Say RAHOWA", or variant.

After that comes the Salubrious food and table talk. All Creators should refrain from eating un-Salubrious foods on Service days.

RAHOWA

The Five Fundamental Beliefs In Latin:

Quinae fides suffundatae Creativitatis

- 1) CREDEMUS genus nostrum religionem nostram est.
- 2) CREDEMUS genus album optimum Naturae opus est.
- 3) CREDEMUS fides generi maximus omnibus honorum et proditio generi maximum omnibus scellerum.
- 4) CREDEMUS altissima virtus hoc quod generi albi beneficium confert et ultimum peccatum hoc quod generi albi laedet.
- 5) CREDEMUS Creativitatis, una et sola, vera et seditiosa religio alba generis, generis albi salus unicus est.

Clause 3 – Each Creator shall live and breathe the 16 commandments every minute of their life.

Section 3 – Additional Suggestions for Creators

Clause 1 – It is desirable that Creators preach our religion through one on one contact and door to door missionary work. This can be achieved by the following:

- 1) Desirably a man and a women as a team pick a White Neighborhood, preferably working class, and go door to door with the Holy Scriptures.
- 2) When meeting people for the first time smile and be friendly. Project a positive image of hope to the infidels.
- 3) One should probably dress up when going door to door.
- 4) Do not be discouraged or disheartened if a door is slammed in your face, or an individual shouts at you rudely. It is not quantity of adherents we seek but the quality of the few we have.
- 5) When talking to friends, relatives, co-workers, and total strangers even, there are 2 ways to preach our religion. If the individual be a curious one, then openly and plainly discuss race and religion with them. If they be close minded, and they don't know you are a Creator, take them some of our literature and say the following: “Hey Bob, I received something the other day in the mail and I really want your opinion. It looks like it has some very important and interesting information in it and I value your opinion. Would you mind taking a look at it Bob?”

Clause 2 – Save money, not for retirement, but for our future generations! Each of us has but one life to live, and only ONE RACE to fight for! Each of us should save 1/10 of every paycheck and hold onto this. Give it to your children. Have them also save 1/10, and likewise give both to their children, and so on... This way our families, the Church, our race shall have a pool of resources to draw from in times of great need! We must forgo this idea of a peaceful retirement in Florida where we spend all the money we have saved throughout our lives. It is not us, but our future generations that are most important to us as Creators!! When ever a fellow Creator is in need, we should always come to their aid and that of their families, too!

Clause 3 – Whenever possible, buy and save land. Land is a vastly dwindling resource that we shall need for our future generations!

Clause 4 – Store up 2 or 3 years of supplies. Every time you go to the grocery store, buy 1 or 2 extra cans of food, the kind that can be stored for like five or ten years. And a gallon of water or two every other visit. Also, make sure to have emergency kits, knives, guns, and plenty of ammo! I would suggest 1,000 rounds for every gun you have! And, when creating an emergency kit, make a few. Keep one in your car, your house, and even a small all purpose, lightweight carry kit for fast grabbing.

We are not interested in preserving just one group of Whites, but ALL of them!

Chapter 23 – Our Brilliant Future!

The most exciting, the most dynamic, the most wonderful and beautiful years for the White Race lie ahead of us.

In the next few pages I am going to prognosticate what I see ahead for the future of the White Race after it has accomplished its goals of populating the world. I am envisioning a world in which the niggers, the Jews and the colored races are no longer in our midst to debilitate us, plunderer us, to harass us, or to plague us. I am looking forward to the time when the White Race will be able to exercise its wonderful productive and creative genius without having upon its back all the leaches that now suck the very lifeblood from out of our veins. When I contemplate the coming of this wonderful era, our future looks rosy beyond anything that has ever been imagined before. In fact, a heaven on earth would not be too expansive a description of the exciting future that awaits us.

When the White Race has expanded to where it will populate all the worthwhile land of this Planet Earth, we will see an up breeding of the White Race instead of the down-breeding that has been going on for the last 2000 years, and we will see a Super Race emerge that will be a pride and a joy to behold. I believe that within the next century after the White Man has accomplished his primary goal of populating the world, we will find the average White man or woman as being handsome, athletic in build and unusually healthy in mind and body. The average man will be handsome and manly looking, in fact more so that the average movie star of today. The average White woman will be tall, possessed of a beautiful feminine figure and exceedingly beautiful in appearance.

I furthermore predict that the average intelligence will rise considerably as the White Race embarks on its program for improving and advancing itself. Whereas today a man with an I.Q. of 150 is considered to be a rare genius and occurs roughly once in 5000, I foresee that in a hundred years from the time the White Man has gained control of his own destiny, a genius of this caliber will be considered quite commonplace. Furthermore, we can expect to have super-geniuses with I.Q.'s of 200 and more, leading our Race into fields of technology and science and culture to heights that can hardly be dreamed of today. Mathematics, Chemistry, Physics, Science, Technology will break through to dizzying new heights that we can hardly visualize today.

Finer music will be written than has ever been written in the past. Art and sculpture, architecture, freed from Jewish influence, will reach far superior standards of beauty than have ever been achieved before, even far out-distancing that achieved by the Greeks and the Romans in Classical civilization or during the time of the Renaissance. We will have many geniuses of the type exemplified by Leonardo da Vinci or Michalangelo, or Rembrandt, and we will, in fact, have super-geniuses that will far surpass anything that the best of the White Man in the past has ever achieved.

Not only will the future White Man be a superior species in health, but with no more of the niggers and the colored races in our midst to spread disease. Filth and pollution amongst us, the former incidence of disease will be greatly reduced by several factors: a healthier

specimen of individual; superior nutritional technology; the absence of slums, filth and degeneracy.

With the passing of the niggers, the Jews, and the scum from our midst, I further foresee the White Race, in a very short space of time, will have completely eradicated poverty from throughout the land. Not only will there be no masses of colored freeloaders riding on our back to pull down our standard of living, but we will also have gotten rid of the Jew who has been robbing us of more than three quarters of our wealth through sheer chicanery, coercion, and plunder.

Furthermore, the White Man's organization will be so much superior, so much more productive and so much more creative, and the White Man, then having very few ignorant and indolent drones amongst his own kind, poverty as a problem will have been completely eradicated in our society. In fact, when we have populated the world and have at our disposal the wealth and resources of the whole wide world with which to create, build and produce for ourselves, we will literally be swimming in wealth. It is not only possible, but entirely probable, that every White family will be able to afford a beautiful large home in attractive, clean surroundings. It will be possible to have all the fine clothes, books, good food and whatever else they desire, entirely within their reach and at their disposal.

Why do I predict such a bountiful future? Because this goal is not only entirely possible, but inescapable when the White Man is free to exercise his tremendous creative and productive abilities for his own use. With even more advanced, capable generations coming up, providing for himself and his family will be a breeze for the White Man of the future. Instead of most of the White Man's energy and productivity now being siphoned off to the parasites that ride on his back; his energy being dissipated in destructive wars and in-fighting amongst the White people themselves; all of the creative productivity will in the future will go towards his own benefit.

We will, for instance, have no more warfare between the different peoples. The White Race, when it has made the Creativity religion its very own and eliminated the destructive Jewish influence from its midst, will also have eliminated Jewish instigated warfare. Being united in the one common purpose of advancing itself, it will no longer have the slightest reason to carry out suicidal warfare against itself, and there will no longer be any threat from the colored races against whom to wage any kind of warfare. In short, the tremendously destructive and debilitating consequences of warfare that the Jews have manipulated the White Race into, generation after generation, century after century, will be entirely eradicated. It will no longer be one of the many evils that now so tragically plague us.

When you think of the tremendous cost to the White Race in terms of wealth, material, energy and in blood that the Jewish instigated wars have cost us in the past and when we consider that all this effort can instead be directed for our own constructive benefit, the very idea itself is staggering. Nevertheless, this is what we can do, when the White Man embraces the religion that we are now founding, a religion that teaches him to unite and create and produce for his own benefit, and teaches him to demand and exercise control of his own destiny.

Not only will we be rid forever of the destructive and debilitating wars that the Jews have

manipulated upon us, we will no longer have to support a huge expensive and nonproductive war machine as we are today. Furthermore, our astronomical welfare costs, which are now being wasted on the parasitic nigger of today, will also be entirely eliminated. These two factors alone, coupled with the absence of Jewish plunder, I feel confident, will lower our taxes to a fraction of what they are today. I predict that taxes will be reduced to where they will be less than ten percent, perhaps five percent, of what they are at present. Considering further that crime will be reduced to where it will be less than one percent of what it is today, it is not hard to imagine where the present huge costs of government, (with warfare and welfare eliminated) will be a small fraction of the burden that it is today. The White Man will then be in a position where his creativity and productivity can benefit those who have worked for it - namely the White Man himself.

The whole effect of this will be accumulative. With crime reduced to one percent (or less) of what it is today, the nonproductive cost of maintaining a huge police force will shrink accordingly. The streets will again be safe for men, women and children, day or night. Most of the bureaucratic controls that businessmen and the average citizen in general is plagued with, will be eliminated. No longer will we need armies of bookkeepers and paper-shufflers in and out of government to debilitate and harass our every move. The White Man can again, in fact, will be encouraged, to do that which he does best — create and produce.

With the imbeciles, idiots and morons being culled out by the simple process of not being allowed to breed and multiply their misery, mental problems, too, will be shrunk to a rarity, rather than the mushrooming phenomena it is becoming today. Our whole approach will be to prevent the reproduction and multiplication of mental and physical defectives. These must and will be culled out as Nature dictates. Rather than keep every deformed and defective alive at all costs, to breed again and to multiply, our approach will be to bring only healthy and intelligent children into the world, as far as possible. This is what Nature tells us to do.

I can foresee so many tremendous and beautiful advantages accruing to the White Race once he is on its way to advancing itself that the list is almost endless and it is staggering to the imagination.

We have already mentioned that we would see the end of warfare and internecine strife. Crime and poverty would be practically eliminated. With the niggers no longer in our midst, there would be no slums. In fact, if you have visited some of the beautiful and clean cities in Germany, in Switzerland, you have a small insight as to the beautiful cities and the beautiful rural landscape that we can expect when the White Man has again found himself. Cities will be clean, with beautiful parks interspersed at frequent intervals. Streets will be lined with trees and flowers in abundance, with everything neat and clean, as we have already experienced in many of the all-White countries of Europe today, such as Holland, Switzerland and Germany. Only with the future White Race, having rid itself of the Jew, this trend towards beauty and cleanliness will be accentuated and will far exceed anything that we have today.

Furthermore, we will no longer be plagued and drained of our resources by having to send "Foreign Aid" out of our midst because we will no longer be shipping a tremendous amount of our hard earned money to countries like India, where it has been going down a rat hole. In fact, the White Nations of the world, being amply supplied with the land of all the different

continents, and with the inherent wealth of these natural resources, will be doing fabulously well on their own. There will be very little need for any trans-shipment of aid. Prosperous trade will instead be the order of the day.

Not only will we have a clean and prosperous environment, but there will no longer be any racial strife. We will all be of the same race and speak the same language. We will all have learned through our new religion to honor, respect and promote that race and promote each other. We will have learned the lesson of Racial Loyalty, Racial Solidarity.

Furthermore, with the advanced technology, with the finer, more capable and more intelligent type of people to take advantage of that advanced technology; with the resources of the world at our disposal, we will be literally swimming in wealth without having to probably work nearly as hard as we do today. I can foresee that whereas the White Race is productive and creative; whereas the White Man is a builder and a worker; nevertheless, he can, with less work than he is exerting now, accomplish all this and still have ample time for leisure and enjoyment. I therefore foresee a great expansion of our recreational endeavors. I can see where the White people will be spending more time doing those things that interest them most. They will be spending more time at sports and athletics. They will be spending more time on cultural projects, music, an, sculpture and many other creative activities that have not even been invented today.

With the White Man's productivity so greatly increased and being rid of all the freeloading parasites, every White Man will be in a position where he can easily found and support a family. He will be able to do this at a younger age, as Nature says he should. With the parasitic Jews and niggers no longer riding on his back, not only will the standard of living be much higher, but the wife of the couple will no longer need to go to work to help make ends meet financially. She will be free to do that which Nature has fitted her for—to be a wife and mother, to take care of her family and to build a happy home. She will have time to devote to arts and crafts, to music and to cultural pursuits. The whole family, in fact will have more time and means to devote to such higher pursuits as well as other recreational enjoyments.

I foresee the White Race celebrating many national holidays and activities that will honor their great leaders of the past. They will exalt and pay tribute to those geniuses who have brought the White Race to the high state of achievement, prosperity and well being that they will then enjoy. I foresee many rallies and parades and cultural activities that will honor and elevate the White Race as a religious celebration. The Nuremberg rallies of the 1930's under the leadership of that great White Man, Adolf Hitler, are a typical example of the kind of celebrations the White Race will enjoy in the future centuries.

These kind of festive rallies are a soul-rewarding activity of tremendous benefit to our people. It is the kind of cement that helps to unite and bind the people together toward common objectives that aim for higher and greater goals, and at the same time the participants reaping a psychological reward that is a needed stimulant for the individual.

With all this, I predict, will also come a technological explosion the magnitude of which is hard to imagine. Although this huge technological advancement will come naturally because of the superior creative genius of the White Race, this is not nearly as important to our welfare as will

be the cleansing of our race, and the White Race being in control of its own destiny.

Nevertheless, with the White Man being in control of his own destiny and having the innate and inborn desires to improve and advance his own kind, combined with the technological advances that he is so capable of, this will truly create a heaven on earth the likes of which the world has never before seen. Unlike Christianity, which predicts fire and blood, plagues and suffering, hell-fire and destruction, I am buoyantly optimistic of the White Man's future and predict great and wonderful things to come. I predict them because they are inevitable for the White Race. Being so highly endowed with creativity, intelligence, productivity and the genius that is so characteristic of the White Race, all we really need is to rid ourselves of the parasites that have crippled us in the past, and take charge of our own destiny.

When that day comes, our future will not only be bright and beautiful, it will be dynamic and exciting beyond anything that mankind in the past has ever even imagined.
